OFFICE OF THE GOVERNOR  
GOVERNMENT HOUSE

**Charlotte Amalie, V.I. 00802**  
**340-774-0001**

July 20, 2017

**VIA MESSENGER**

The Honorable Myron D. Jackson  
Senate President  
Thirty-Second Legislature of the Virgin Islands  
Capitol Building  
St. Thomas, VI 00802

**Re: Proposed Budget for Fiscal Year 2018 for the Government of the  
Virgin Islands of the United States**

Dear Mr. President:

I am pleased to submit to you the proposed Budget for Fiscal Year 2018 for the Government of the Virgin Islands of the United States (“Government”). In my Fiscal Year 2017 proposed budget message, I advised that it was “structured to lay a foundation for a future in which annual budget deficits are not the norm.” I further advised that we would continue “to implement plans to reduce the anticipated 2017 deficit, with the proviso that by 2020, we should have a balanced budget where revenues are equal to expenditures.”

Accordingly, the Fiscal Year 2018 proposed budget, embodying the theme “Building Sustainable Fiscal Balance” and working with what we have, noticeably does not rely on external debt financing or tax increases for balance. The proposed budget is designed to finance sustainable levels of government services, within sound, internally generated fiscal resources. My Administration’s reliance on the fiscal resources we have reflect a clear fiscal policy objective to build sustainable fiscal balance.

The \$833.9 million General Fund expenditure budget, the main operating budget of the Government, includes proposed expenditures of \$656.5 million for Executive departments and agencies, \$19.5 million for the Legislature, \$37.0 million for Judiciary, \$90.3 million for debt service on the Territory’s general obligation bonds, and \$30.6 million for income tax refunds. Compared to FY 2017 approved budget, the proposed budget for the Executive departments and

agencies is \$67.7 million or 9.3% less; and the assumed expenditure level for the Legislative and Judicial branches combined is \$4.4 million or 7.2% less than their FY 2017 appropriations. These reductions are required because we can only spend money we realistically believe we will collect.

The FY 2018 estimates of General Fund revenues and sources are composed of \$780.5 million from taxes and other revenues, and \$63.4 million in transfers from other Funds, for a gross total of \$843.9 million. After allowing for \$90.3 million general obligation debt service, and \$10.0 million mandatory transfers to other Funds, a net amount of \$743.6 million is estimated to be available to support budgeted General Fund appropriations and tax refunds. The FY 2018 General Fund budget assumes no debt financing and no new taxes. With this constraint, the budget assumes a vigorous and aggressive set of enhanced collection initiatives focused on more vigorous enforcement of existing statutes and collection of outstanding amounts due to the treasury. These initiatives are estimated to generate \$74.4 million including: \$22.0 million from enhanced enforcement and \$15.7 million from collection of delinquent amounts, a \$16.3 million Internal Revenue Matching Fund transfer, and \$13.0 million from concession fees.

In this message, I want to point out that the FY 2018 General Fund expenditure budget reflects the constraints imposed by the available fiscal resources detailed above; particularly the lack of access to deficit financing. The challenge was to reduce expenditures sufficient to achieve balance in a way that minimizes reduced public service delivery and, at the same time, adequately fund critical needs. In addition, some of our generous grants of benefits and expenditures must be reduced so we can have the resources to deliver vital public services. For example, we provide a generous health insurance benefit to retirees of the government equal to that of active government employees. In this budget, we are proposing to pay 50% of the health insurance cost of retirees and their families and contribute 25% of the savings as a direct contribution to the Government Employees Retirement System, annually.

The sheer size of the personnel cost budget ensures that substantive budget cuts will focus there without furloughs or reductions of the work week. The FY 2018 budget funds significantly fewer employee positions than FY 2017, and reduces the Government's contribution to employees' fringe benefit cost, which averages 40% of salaries. Specifically, the budget assumes a change in the allocation of the employee health insurance cost, which is currently shared 65% employer versus 35% employees, to a 60% employer versus 40% employee split for active employees, 50% for retirees under age 65, and 100% contribution by retirees over the age of 65 (who are therefore eligible for Medicare).

In this message, I want to also point out that jobs in manufacturing, leisure and hospitality and other services regained momentum upward in 2016. Relative to construction and information technology, the economy is expected to grow through expanded manufacturing activity and several public-sector projects that will begin or continue within the upcoming fiscal year.

For example, the \$9.6 million Turpentine Run Bridge Project began in Spring 2017. The \$10.6 million Main Street Enhancement and the St. John \$1.2 million road restoration project is continuing. The Port Authority has begun the \$5.0 million two-level parking garage at the Urman Fredericks Marine Red Hook Terminal, while the University of the Virgin Islands continues the

Re: Governor's Proposed Fiscal Year 2018 Budget Bill for the Government of the Virgin Islands  
July 20, 2017  
Page 3*

\$11 million construction of both St. Thomas Medical School and the St. Croix Simulation Center facilities. The construction of the new \$27.0 million Paul E. Joseph Stadium Complex project has commenced on St. Croix. Both districts will experience construction activities related to a \$12.0 million renovation of the St. Thomas Clinton Phipps Racetrack, and \$14 million renovations of St. Croix's Randall "Doc" James facility. In addition, we expect the \$125 million infrastructure improvements within the Krause Lagoon Channel by Limetree Bay Terminals, LLC will begin this fiscal year as well.

Additionally, the Department of Public Works continues to award over \$100.0 million in road construction projects throughout the Territory. These projects include the complete redo of the Melvin H. Evans Highway, the Estate Carlton Road, the bypass between the Container Port Road to Kingshill, Scenic Drive, Mahogany Road, Hams Bluff, Est. Catherine's Rest and La Grande Princess Roads on St. Croix, and the Veterans Drive Highway, Scott Free and Coki Point Roads on St. Thomas.

These projects will bring significant revenue and jobs to the Territory, and we will continue to build upon our infrastructure

You will also see in this budget that we are recommending that the Department of Tourism operating budget be removed from the General Fund and be supported out of the Tourism Advertising Revolving Fund at eleven percent (11%) of the total revenues collected, but not less than \$2.7 million. This will free the General Fund of this expenditure, which aids us in achieving fiscal balance. I should note that revenues in the Tourism Advertising Revolving Fund is up from previous increases of hotel occupancy taxes and the newly enacted Environmental/ Infrastructure Impact Fee.

In this message I want to further highlight the importance of addressing the lack of parity between the states and territories relative to our matching funds programs. Specifically, the Territory's Medicare and Medicaid matching funds are set at arbitrary rates of 55% to the federal government and 45% to the local government. However, while it may appear that the federal government is paying the majority of the match, what is not taken into account is that our hospitals are only authorized to bill at levels substantially below their costs. The Center for Medicare & Medicaid Services ("CMS") determines the rates for reimbursement. The Schneider Regional Medical Center is being reimbursed at rates that were established based on a 1982 cost report, and the Juan F. Luis Hospital and Medical Center's is being reimbursed at rates that were established based on a 1996 cost report. Both of our hospitals have applied for updates of their fee schedules and I am working with the new Secretary of the Department of Health & Human Services as well as the new Administrator of the Center for Medicare & Medicaid Services CMS to attain action on the hospitals' completed applications, which have been sitting idle at CMS for five (5) and four (4) years respectively.

We have expanded eligibility of the Medical Assistance Program, which have been approved. This expansion will reduce uncompensated care and drive additional funds to the Territory's hospitals. In addition, the Government provides a grant to the VI Water & Power Authority ("WAPA") of \$4 million per year through collection and delivery of the fuel tax. We

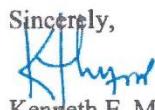

*Letter to Senate President Myron D. Jackson  
Re: Governor's Proposed Fiscal Year 2018 Budget Bill for the Government of the Virgin Islands  
July 20, 2017  
Page 4*

propose that we cap this grant at \$4 million and require a credit or offset of \$3 million divided equally against the receivables of the hospitals' obligations to (WAPA) annually. This will further reduce obligations on the General Fund.

As you consider this proposed budget for Fiscal Year 2018, I want the Members of the Thirty-Second Legislature and the People of the Virgin Islands to know that I, and the members of my Administration, remain committed to working with all Members of the Thirty-Second Legislature to implement important changes to expand the economy through sound financial stability. We are working together to ensure economic growth and we are seeing some of the fruits of our labor. We must continue to meet difficult challenges and make the tough decisions that will bring the people of the Virgin Islands a better quality of life.

When I came into office, I was handed a failing economy on the brink of despair. Today, I can say that the Territory has worked diligently to avoid a complete collapse of our economy and the public sector, specifically. We have successfully made it through the last two fiscal years without long-term borrowing to pay operational expenses. We have not reduced school hours or furloughed government workers. We have not cut salaries, we continue to pay our vendors and yes, we continue to release tax refunds to taxpayers. We have increased our revenues while we have concomitantly decreased our expenditures. The challenges before us in this budget are to continue reducing our expenses, growing our economy and investing and improving our infrastructure. This proposed budget for FY 2018 is yet another prong in our quest to build sound financial policies for a better Virgin Islands. While I concede we have much work to do and that we are striving to do better; we are well on our way to accomplish our task of fiscal responsibility and sound fiscal balance.

I need each member of the Legislature to work together to forge a path to prosperity, to be courageous to make the necessary and tough decisions so we can create great possibilities and opportunities of success for the People of the Virgin Islands.

Sincerely,  
  
Kenneth E. Mapp  
Governor

ST. THOMAS, VI 00802

Tel: 340-774-0750  
Fax: 340-776-0069

July 18, 2017

Dear Governor Mapp:

I hereby submit the FY 2018 Executive Budget for the Government of the Virgin Islands (GVI) for your consideration and submittal to the 32<sup>nd</sup> Legislature of the U.S. Virgin Islands, pursuant to Title 2, Chapter 2, Section 24 of the Virgin Islands Code.

***Strategic Overview***

The unexpectedly sudden and harsh downgrade of the GVI's credit rating, to below investment grade, and the accompanying loss of capital market access, required the GVI to re-set its timetable for getting to sustainable budget balance. The goal, as envisioned by the GVI's 5-year Plan, was to get to a balanced budget, without debt financing, by FY 2021. This timetable assumed some level of debt financing in the earlier years; certainly, in FYs 2018 and 2019. The underlying strategy was, literally, to buy time to allow economic growth to expand the tax revenue base, and to allow expenditure containment measures to be phased in. Without access to debt financing, and with the Virgin Islands economy not yet positioned to generate the substitute fiscal resources, the FY 2018 Budget reflects the required strategic pivot.

Accordingly, embodying the theme "Building Sustainable Fiscal Balance", the proposed FY 2018 spending plan, noticeably, does not rely on external debt financing or tax increases for balance. Rather, it is a plan that is designed to finance sustainable levels of governmental services, within sustainable, internally generated fiscal resources. As such, unlike previous years, the \$1.22 billion budgeted outlay, which includes \$176.4 million for debt service payments and \$30.6 million for income tax refunds, is funded by \$1.02 billion (83.9%) in local funds, and \$0.2 billion (16.1%)

from Federal funds. The fiscal gap, which was widened by the exclusion of debt financing from the budgeting equation, has been bridged by a combination of enhanced revenue collection initiatives and expenditure reductions. The reliance on internal resources reflects a fiscal policy objective to build sustainable fiscal balance.

The revenue collection initiatives, estimated to yield \$37.7 million in the aggregate, are of two sorts: 1) more diligent and efficient processing and collection of current tax obligations, which is estimated to increase the annual tax take by \$22.0 million; and 2) the aggressive efforts of the recently created joint Department of Justice - Internal Revenue Bureau Taskforce and by the Tax Assessor's Office, to collect a significant portion of the accumulation of delinquent taxes, recently reported to be over \$400 million, which is estimated to yield is \$15.7 million.

The expenditure reduction conundrum is to reduce expenditure, sufficient to achieve budget balance, in a way that minimizes negative public service impact, while at the same time, ensuring adequate funding for critical needs. The sheer size of the personnel cost budget ensures that substantive budget cuts will focus there. The FY 2018 budget funds significantly fewer employee positions than FY 2017, and reduces the Government's contribution to employee's fringe benefit cost, which averages 40% of salaries. Specifically, the budget assumes a change in the allocation of the employee health insurance cost, which is currently shared 65% employer versus 35% employees, to a 60% employer versus 40% employee split for active employees, 50% for retirees under age 65, and 100% contribution by retirees over the age of 65 (who are therefore eligible for Medicare).

Notwithstanding the overall reduction in funded positions, the budget does provide funding additional positions in critical areas; such as: 40 new/vacant police officer positions for Virgin Islands Police Department (VIPD) for new cadet class; 41 new/vacant to Bureau of Corrections to meet Consent Decree mandate; 19 new/vacant positions to Department of Health and 45 new/vacant positions to the Department of Human Services. Some of this cost will be offset by substantive reduction in overtime, particularly by VIPD.

Primarily for these reasons, FY 2018 General Fund budget for the Executive Branch is \$68.4 million or 9.4% below the FY 2017 appropriation.

#### ***Economic Review and Outlook: As Reported by the V.I. Bureau of Economic Research***

The Virgin Islands Bureau of Economic Research (VIBER) reports that the U.S. Virgin Islands economy is currently emerging from a period of considerable decline, and appears to be on the upswing. According to the US Bureau of Economic Analysis (BEA), **real** Territorial Gross Domestic Product (GDP) expanded at an annualized rate of 0.2% in 2015, after decelerating in the previous four consecutive years. A mix of factors, including the 2008 recession and the closure of HOVENSA led to a major decline in economic performance. Indeed, between 2008 and 2014 the Territory's real GDP declined by almost one-third (31.4%)<sup>1</sup>, from \$4.50 billion to \$3.09 billion.

---

<sup>1</sup> A six-year compound average annual negative growth rate of -6.1%

Tourist and household consumer spending continue to be the main engine of growth in the economy, while the GVI's fiscal distress and a decline in the value of investments is creating some drag.

In recent years, fiscal conditions and investments have not provided a tailwind to GDP growth. The Government continues to experience distress as it relates to financial liquidity and budgetary obligations. In FY 2017, the estimated budget deficit is approximately \$100 million. The value of investments is also lower when compared to previous years. The Bureau of Economic Research (BER) anticipates when financial conditions are under control through a mix of expenditure reductions and investments, once implemented, can drive growth in the economy.

While the economy has been recovering slowly, the labor market has seen improvement during the first half of FY 2017. For the first six months of the FY 2017, the number of non-agriculture jobs was 38,288 compared to 37,594 jobs reported during the same period in FY 2016. During the same period, the unemployment rate was lowered slightly to 10.8 percent, from 11.5 percent in 2016. The rate for St. Croix remained at the same level as a year earlier, posting 11.2 percent in FY 2017, compared to 11.4 percent in 2016. The rate for St. Thomas and St. John declined to 10.5 percent from 11.5 percent in FY 2016.

Jobs in manufacturing, leisure and hospitality and other services regained momentum upward in 2016, but other sectors such as construction and information technology declined. The economy should receive support through expansionary manufacturing activity and several public-sector projects that are scheduled. For example, the \$9.6 million Turpentine Run Bridge Project began in Spring 2017. The \$10.6 million Main Street Enhancement and the St. John \$1.2 million road restoration project is expected to continue. The Port Authority has begun the \$5.0 million two-level parking garage at the Urman Fredericks Marine Red Hook Terminal, while the University of the Virgin Islands continues the \$11 million construction of both St. Thomas Medical School and the St. Croix Simulation Center facilities. The construction of the new \$27.0 million Paul E. Joseph Stadium Complex project will commence on St. Croix. Both districts will experience construction activities related to a \$12.0 million renovation of the St. Thomas Clinton Phipps racetrack, and \$14 million renovations of St. Croix's Randall "Doc" James facility. The Department of Public Works is in the process of using \$91.0 million in bond proceeds for two major road construction projects, the Veterans Drive Highway on St. Thomas and Governor Melvin H. Evans Highway on St. Croix. The bulk of these funds will be expended in FY 2018.

## **Tourism**

Overall visitor volume softened for first-half of FY 2017, by 10.2%, to 1,447,219 from 1,612,171 in 2016. This drop-in visitors resulted from fewer cruise passenger arrivals. The number of cruise visitors declined 15.3%, to 1,023,517 in 2017 from 1,208,295 in 2016. Air visitor arrivals, however, increased 4.9% to 423,702 in 2017, up from 403,876 in 2016. This mixed trend is expected to continue for the balance of FY 2017, but overall growth should resume in FY 2018. Data received in the first quarter of 2017 were encouraging, and there seems to be an improving

sentiment from the US Department of Tourism, which is ramping up its offerings to attract more visitors.

## Economic Outlook 2017 and 2018

The Territory's weak fiscal condition has taken center stage during this budgetary year. As fiscal policies evolve and cost cutting measures are implemented, there should be a period of elevated short-term volatility, where some of the gains in the past year might be lost. However, an expansionary fiscal and economic policy program, consisting of tax increases and large-scale infrastructure spending and other private sector investments, should support the economy. But the impact of the fiscal plan and other policy changes will not be evident until much later in FY 2017 and beyond. Reflecting these concerns, our constructive view of the economy is tempered by a recognition that there is much uncertainty about the Territory's financial picture.

## Budget Overview

The total FY 2018 Budget for governmental activities of the Government of the U.S. Virgin Islands (the "FY 2018 Executive Budget") is \$1,221.5 million in current year expenditure, debt service and income tax refunds. This is composed of \$1,025.0 million (83.9%) of local Funds, and \$196.5 million (16.1%) of Federal Grant Funds. The local Funds portion is composed of government activities expenditure, debt service and tax refunds, totaling \$833.9 million (81.4%) from the General Fund and \$191.1 million (18.6%) from Other Local Funds. [Table 1]

Table 1: FY 2018 Governmental Activities

Budget-in-Brief

(In \$Mills.)	Gen. Fund	Other Local	Total Local	Federal Funds	All Funds
Debt Service	90.3	86.1	176.4	0.0	176.4
Other Outlay	743.6	105.0	848.6	196.5	1,045.1
Total Outlay	833.9	191.1	1,025.0	196.5	1,221.5

The \$833.9 million General Fund expenditure budget, the main operating budget of the GVI, includes proposed expenditure of \$656.5 million for Executive departments and agencies, \$19.5 million for the Legislature, \$37.0 million for the Judiciary, \$90.3 million for debt service on the Territory's general obligation bonds, and \$30.6 million for income tax refunds. Compared to FY 2017 approved budget, the proposed budget for Executive departments and agencies is \$67.7 million or 9.3% less; and the assumed expenditure level for the Legislative and Judicial branches combined is \$4.4 million or 7.2% less than their FY 2017 appropriations.

As illustrated in Table 2 below, the biggest share (51.2%) of the General Fund resources, is allocated to services that address the education, health and human services that directly impact the lives of our citizens; as it should be. Approximately 16.7% is allocated to public safety, including police, fire and emergency response services. Approximately 24.6% is allocated to general government. Public works and transportation, culture and recreation make up the balance.

Table 2: FY2018 General Fund Budget By Functions (In \$Millions)

	General Gov't	Public Safety	Education	Health & Human Services	Public Works, Transportation	Culture & Recreation	Total
Allocation -\$Mill.	175.4	118.9	194.5	170.5	40.6	13.1	713.0
- %	24.6%	16.7%	27.3%	23.9%	5.7%	1.8%	100.0%

### ***Revenues and Sources Estimates***

The FY 2018 estimates of General Fund revenues and sources is composed of \$780.5 million from taxes and other revenues, and \$63.4 million in transfers from other Funds, for a gross of total \$843.9 million. After allowing for \$90.3 million general obligation debt service, and \$10.0 million mandatory transfers to other Funds, a net amount of \$743.6 million is estimated to be available to support budgeted General Fund appropriations and tax refunds. The FY 2018 General Fund budget assumes no debt financing and no new taxes. With this constraint, the budget assumes a vigorous and aggressive set of enhanced collection initiatives focused on more vigorous enforcement of existing statutes and collection of outstanding amounts due to the treasury. These initiatives are estimated to generate \$74.4 million including: \$22.0 million from enhanced enforcement and \$15.7 million from collection of delinquent amounts, \$16.3 million Internal Revenue Matching Fund transfer, and \$13.0 million from concession fees.

The gross revenues of \$843.9 million, is composed of \$505.7 million (59.9%) from direct taxes,<sup>2</sup> \$256.8 million (30.4%) from indirect taxes,<sup>3</sup> \$18.0 million from other revenues and fees, and \$63.4 million transfers from other local Funds. The ***direct tax*** component is made up of: \$379.0 million from individual income taxes, \$55.7 million from corporate income taxes, and \$71.0 million from real property taxes. The ***indirect tax*** component is composed as follows: \$36.9 million from trade and excise taxes, \$182.3 million from gross receipts taxes, and \$37.6 million from other taxes; for a gross amount of \$256.8 million. [Table 3]

Table 3: FY 2018 General Fund Revenues & Sources Summary (In \$Millions)

Direct Taxes	Indirect Taxes	Revenues & T'fers In	Debt		
			Gross Total	Service & T'fers Out	Net Available
\$505.7	\$256.8	\$ 81.4	\$843.9	\$-100.3	\$743.6
59.9%	30.4%	9.6%	100.0%	-11.9%	88.1%

The ***other revenues and transfers*** component consists of: \$18.0 million from various duties, fees and charges, \$63.4 million in transfers from other local Funds. The transferred amounts are primarily: \$16.3 million from the Matching Fund; \$12.0 million from the Transportation Trust

<sup>2</sup> Individual income, corporate income and property taxes.

<sup>3</sup> Gross receipts, trade & excise and miscellaneous other taxes

Fund; \$15.0 million from the Insurance Guaranty Fund; \$9.0 million from the Caribbean Basin Initiative Fund; and the remaining \$11.1 million from several other Funds.

### ***Expenditure Estimates***

#### **General Fund**

The FY 2018 General Fund expenditure budget reflects the constraints imposed by the available fiscal resources detailed above; particularly the lack of access to deficit financing. The challenge was to reduce expenditure sufficient to achieve balance, in a way that minimizes negative public service impact, at the same time adequately funding critical needs.

Accordingly, in the aggregate, the amount budgeted in this fiscal year is significantly below the amount initially approved FY 2017 budget. The total FY 2018 General Fund expenditure budget request, excluding \$90.3 million for long term debt service and \$30.6 million for tax refund, is \$713.0 million. This is \$72.1 million (9.2%) less than the comparable appropriation in the FY 2017 budget. Approximately \$656.5 million is allocated to the Executive Branch departments and agencies -- \$67.7 million or 9.3% less than the original FY 2017 appropriation level. This budget assumes an allocation of \$19.5 million for the Legislative Branch -- \$1.5 million (7.2%) less than FY 2017; and \$37.0 million for the Judicial Branch -- \$2.9 million (7.3%) below the FY 2017 appropriation amount.

The Executive Branch amount is composed as follows: \$373.2 million (52.3%) for personnel services cost (salaries, employee benefits and payroll taxes); \$15.7 million (2.2%) for supplies; \$138.1 million (19.4%) other services and charges; \$22.2 million (3.1%) for utilities cost; \$1.4 million in routine capital additions; \$162.6 million (22.8%) for contributions to semi-autonomous agencies, boards and commissions. The semi-autonomous agencies include the University of the Virgin Islands, VI Waste Management Authority and both district hospitals. Other entities funded under the Executive Branch include the Election System (including the Board), the VI Inspector General and the Board of Education (including Career and Technical), PERB and the Labor Management Council.

The General Fund budget funds 5,382 positions; 5,149 filled and 233 vacant/new. These positions are concentrated mainly in three public service activities: education (2,236); public safety and justice (1,369); and health and human services (729). Together they account for 81% of the budgeted positions.

- \$2.3 million Third Party Fiduciary;
- \$1.5 million to VI Police Department for Special Training Initiative;
- \$5.0 million for local match for Federal MAP funding;
- \$2.5 million to the Department of Health for Court-ordered placement of patients at off-island behavioral health facilities.
- \$15.7 million for contribution to retirees Health Insurance; and,
- \$6.6 million for insurance for Government buildings and properties.

## **Other (Appropriated) Local Funds**

In addition to the General Fund, there is a total of \$105.0 million budgeted from ***Other Local Funds***; excluding \$86.1 million in debt service payments. The source of funding is a collection of about a dozen special purpose Funds<sup>4</sup> established by the Legislature. In summary, the budgeted uses are as follows: \$36.9 million in appropriations to the several agencies responsible for carrying out the purposes for which the Funds were established; and \$47.4 million transferred to the General Fund.

## **Other (Non-Appropriated) Local Funds**

In addition to appropriated amounts, some GVI departments and agencies (including semi-autonomous agencies) are expected to have access to an estimated \$72.0 million in local government revenues that are not subject to annual appropriations. For the most part, the sources of revenues for this ***Non-Appropriated*** expenditure are primarily fees and charges for business activity services provided by governmental entities<sup>5</sup>.

The two other significant amounts in this category are: \$15.0 million available to the Department of Finance from the V.I. Insurance Guaranty Fund; and \$24.0 million available to the Department of Tourism from the Tourism Advertising Revolving Fund. Each Fund is to be administered for the purposes for which it was established. The balance of \$33.0 million is spread among Funds in different agencies.

## **Federal Funds**

In addition to local funds, the FY 2018 Budget is supplemented by \$196.5 million in ***Federal grants funding***. This amount compares to \$196.8 million in FY 2017 and \$219.0 million in FY 2016. Five VI Government departments are expected to receive \$161.7 million (82.3%) of these grant funds, as follows: the Department of Human Services \$69.7 million; the Department of Education \$35.8 million; the Department of Health \$21.6 million; the Department of Public Works \$17.2 million and the Department of Planning and Natural Resources \$17.4 million.

Federal grants to the Department of Human Services are intended to fund the following major programs: State Administrative Matching Grants for the Supplemental Nutrition Assistance Program, Rehabilitation Services-Vocational Rehabilitation Grants to States, Temporary Assistance for Needy Families (TANF), the Head Start Program and Medical Assistance Program.

Grants to the Department of Education are intended to fund the following major programs: National School Lunch Program, Consolidated Grant to the Outlying Areas and Special Education Grant.

---

<sup>5</sup> See Footnote 3.

<sup>6</sup> The notable exceptions are the revenues deposited in the Insurance Guaranty Fund and Tourism Revolving Fund. These revenues are generated from taxes: the Insurance Premium Tax and the Hotel Occupancy Tax, respectively.

Major programs grant funded under the Department of Health are: Special Supplemental Nutrition Program for Women, Infants and Children (WIC), Hospital Preparedness and Public Health Emergency Preparedness Aligned Cooperative Agreement, and Immunization Cooperative Agreements Project, HIV Care Formula Grants and Maternal and Child Health Services Block Grant.

Major programs grant funded under the Department of Public Works are: Economic, Social and Political Development of the Territories, and Highway Planning and Construction Projects.

Respectfully,

Nellon L. Bowry

Director, Office of Management and Budget

# DEMOGRAPHICS

# Virgin Islands of the United States Demographics and Economy

## Geography and History

The Virgin Islands of the United States are located in the turquoise seas of the Caribbean, approximately sixty (60) miles east of Puerto Rico and one thousand seventy-five (1,075) miles south of Miami, Florida. The Virgin Islands of the United States are an unincorporated Territory of the United States. Sixty-eight (68) islands comprise the group; however, three (3) main islands, St. Thomas, St. Croix, and St. John are the most significant. Water Island, which is geographically located within the boundaries of the St. Thomas-St. John District, is commonly referred to as the fourth Virgin Island. The Territory is more than one hundred and thirty-three (133.6) square miles and is almost twice the size of Washington, D.C. with territorial waters that stretch over six hundred and three (603.9) square miles into the Atlantic Ocean. The Virgin Islands of the United States are renowned for its white sandy beaches. Magens Bay on the island of St. Thomas and Trunk Bay on the island of St. John are considered among the ten (10) most beautiful beaches in the world ("Popular Trip Ideas and Beach Guide," Travel Channel).

The city of Charlotte Amalie on the island of St. Thomas is the capital of the U.S. Virgin Islands. St. Thomas, historically mercantile, is a cosmopolitan island; yet it retains distinctive characteristics of a European settlement manifested in the architecture of its historic district. St. Thomas is a favorite stop for cruise ship passengers who take advantage of the duty-free shopping for which the island is known. The islands of St. Thomas and St. John are mountainous and volcanic in origin. St. Thomas' Crown Mountain is the highest peak at one thousand five hundred and fifty-six (1,556) feet or four hundred and thirty-five (435.86) meters above sea level.

The largest island, St Croix, forty-three (43.74) miles south of St. Thomas, is less mountainous. St. Croix boasts two cities: Christiansted on its eastern end and Frederiksted on the western end. This tropical island is three (3) times the size of nearby St. Thomas and possesses a uniquely diverse terrain. A lush rain forest in the western mountains and undulating hills in the interior are in stark contrast to the spiny, desert vegetation and dry, rocky, red cliffs found on the eastern end. Christiansted was once the capital of the Danish West Indies and is presently designated a National Historic Site. St. Croix's Point Udall remains the most eastern point of the United States.

St. John, just three (3) miles east of St. Thomas, is home to a National Park on seven thousand two hundred (7,200) acres of land of which five thousand six hundred (5,600) were gifted to the National Park Service by Laurence Rockefeller in 1956. Though it is the smallest of the three (3) U.S. Virgin Islands, St. John's natural landscape is perhaps the least spoiled of all frequently visited Caribbean islands. In 1962, the United States Congress expanded the boundary of the Park to include five thousand six hundred and fifty (5,650) acres of submerged lands as a way to protect and preserve the beautiful coral gardens and seascapes. In January 2001, through Presidential Proclamation, the Virgin Islands Coral Reef National Monument was established. It is a three (3) mile belt of submerged land off the island of St. John that supports a diverse and complex system of coral reefs and other ecosystems such as shoreline mangrove forests and sea grass beds that adjoin the already existing 5,650 acres established in 1962. The National Park Service manages both historical and marine treasures on St. Croix's Buck Island and on Hassel Island off St. Thomas. Salt River, Columbus' landing site on St. Croix, is the only co-managed park in the United States; management is shared by the Virgin Islands Territorial Government and The National Park Service.

Water Island is four hundred and ninety-one (491.5) acres or almost two square kilometers (1.989 km<sup>2</sup>), a half mile south of the harbor of Charlotte Amalie. During World War II, the island served as a military installation. In December 12, 1996, the Department of Interior transferred Water Island to the Government of the USVI.

In the early 1600s many countries took interest in the Caribbean and in what they termed "The Virgins". Holland, France, England, Spain, Denmark and the Knights of Malta all sought colonies. England and Holland colonized and jointly inhabited St. Croix in the 1620s. Spain invaded the neighbouring island of Puerto Rico and colonized there. The French

quickly moved in, removed the Spanish, and took over St. Croix, which remained a French colony until 1733. Despite successive colonial claims to the islands, the Danes emerged as the dominant colonial power and colonized all three (3) islands within a century: St. Thomas in 1672, St. John in 1717, and St. Croix in 1733.

Chattel slavery was the dominant means of labor in the Danish West Indies (1682-1848), and West Africans were the major ethnic group chosen for slavery. In 1685, the Danish government signed a treaty with the Dutch and Danes of Brandenburg. This treaty allowed the Brandenburg American Company to establish a slave-trading post on St. Thomas. Early governors promoted St. Thomas as a haven for pirates, aware that commerce of all kinds would benefit the economy of the island. St. Croix and St. John, on the other hand, pursued agricultural development; sugarcane, cotton, indigo and rum became the chief exports of the plantations' economies. St. Croix soon became one of the largest exporters of sugarcane in the world prior to the discovery of the sugar beet. This period of prosperity was known as the "Golden Age" of St. Croix

The West Africans' constant resistance to slavery, combined with the Danish colony's adoption of harsh slave codes, resulted in the first successful slave insurrection in the New World on St. John in 1733. On the island of St. Croix, however, slavery flourished and by 1803 there were well over twenty-six thousand (26,000) enslaved Africans involved in planting and processing sugarcane. As slave revolts became more frequent, Denmark was forced to develop a 12-year plan to dissolve slavery. Unyielding in their insistence on freedom, enslaved Africans on St. Croix, led by Moses "Buddhoe" Gottlieb, revolted on July 3, 1848, forcing Governor Peter von Scholten to issue the Emancipation Proclamation declaring all people in the Danish West Indies "from that day free."

After emancipation, another repressive system of exploitation was introduced which matched the prior servitude of the slave economy. In 1849, the Danish Government created the 1849 Labor Act which instituted a policy of contracts for the freed laborers in order to retain control over them. The Danes also instituted a practice of importing immigrants to make up for worker shortfalls. These contracts were entered into on an annual basis on October 1 (Contract Day) of each year. The contract provided that laborers, who were earning meager wages, should give a full year's work to the estate on which they lived and could not quit without a pass from the estate owner. After 30 years of harsh and unfair conditions, a labor insurrection erupted in Frederiksted, St. Croix. The first revolt against the Labor Act was October 1, 1878, remembered today as Contract Day.

"The Fireburn" was an uprising of former slaves who, 30 years after emancipation, were systematically barred from leaving the island and were bound to plantations where they endured poor working conditions and egregious injustices. Over fifty (50) estates and half the town of Frederiksted went up in flames as a result of the revolt. Groups of protestors torched the town and plantations as they made their way eastward toward Christiansted. The revolt was championed by female protagonists; three of whom were known as "Queen Mary," "Queen Agnes" and "Queen Mathilda." After "The Fireburn", the Labor Acts were removed.

The Three Queens of the 1878 Revolt,  
"The Fireburn"

Due to Danish strategic needs and U.S. geopolitics, negotiations to sell the Danish West Indies to the United States began in 1867. The emergence of Germany as a major power with capacities for submarine warfare crippled international trade during World War I. The fear of Germany's seizing the Danish West Indies and establishing a submarine base in the Western Hemisphere drove the United States to acquire the islands. After several decades of negotiations, on March

31, 1917 the Danish West Indies were officially sold and transferred to the United States for twenty-five million dollars (\$25,000,000) in gold. After the formal transfer, the United States Government changed the name of the islands to the Virgin Islands of the United States, making them an offshore territory. Over the next ten years Virgin Islanders appealed and agitated for U.S. citizenship which was finally granted to residents in 1927.

## Government

The U.S. Virgin Islands is an organized, unincorporated Territory of the United States and a part of the United Nations list of Non-Self-Governing Territories. The Organic Act of 1936 and the Revised Organic Act of 1954 created the contemporary political system. A unicameral legislature was organized to unify the Territory after the Revised Organic Act of 1954. In 1968, the Elective Governor's Act provided for the Territory's voters to select their chief executives. In 1970, Dr. Melvin H. Evans became the first elected governor. In 1968, the position of Delegate to Congress for the Virgin Islands was approved, and in 1970 Ron de Lugo became the Virgin Islands' first Delegate to Congress. In 1982 the Judicial Branch was given more power to gradually create its own territorial court system.

The Organic Act of 1936 allowed for the creation of the Government of the Virgin Islands that was tasked with providing services and creating employment for the Territory's citizens. The Organic Act of 1954, passed by the U.S. Congress and administered by the Office of Insular Affairs, U.S. Department of Interior, established the present three branches of government: Legislative, Judicial and Executive.

The Legislative Branch is comprised of a 15-member unicameral body. Seven (7) Senators are elected from each island district of St. Thomas/St. John and St. Croix. The fifteenth (15<sup>th</sup>) senator, designated as "at-large," must be a resident of St. John. Senators are elected for two-year terms.

The Judicial Branch is comprised of a District Court of the Virgin Islands, a Supreme Court and a Superior Court. Judges for the Federal District Court are appointed for a period of 10 years. The District Court of the Virgin Islands is technically a local court, created by Congress, and is not an Article Three Court under the U.S. Constitution. The Superior Court is a court of general jurisdiction over most civil, criminal, and family cases. The newly-established Magistrate Division of the Superior Court has jurisdiction over small claims, landlord/tenant issues, traffic, probate and petty criminal matters, and other powers as prescribed by law. The newly-established Supreme Court of the Virgin Islands is responsible for appeals from the Superior Court filed on or after January 29, 2007. Appeals filed prior to that date are heard by the Appellate Division of the District Court. Judges of the District Court of the Virgin Islands are appointed by the President of the United States and confirmed by the U.S. Senate while justices of the Supreme Court of the Virgin Islands and judges of the Superior Court are appointed by the Governor of the Virgin Islands and confirmed by the Virgin Islands Legislature.

The Executive Branch is headed by the Governor and Lieutenant Governor who are elected by popular vote and serve for a period of four (4) years, with a mandated limit of two (2) consecutive terms. The Governor is responsible for the administration of government. He may grant pardons, reprieves and forfeitures against local laws as well as veto legislation. He retains the powers afforded to Governors throughout the fifty (50) states of the United States.

*The Virgin Islands Flag*

The flag of the Virgin Islands of the United States, adopted by Executive Order 17 May 1921, displays on a field of white nylon a golden American eagle between the letters V and I, holding in its right talon a sprig of laurel and in its left talon a bundle of three (3) blue arrows which represent the three (3) major islands. The eagle has a shield of the United States on its breast.

*The Virgin Islands Seal*

The Great Seal of the Government of the Virgin Islands of the United States was adopted by the 18th Legislature in 1990 and became effective January 1, 1991. It was designed by Mitch Davis, a native Virgin Islander and was selected from among 33 other submissions from around the world. In the foreground, is the yellow breast, the official bird adopted in 1970, perched on a branch of the yellow cedar, adopted as the official flower in 1934. On the left end of the yellow cedar are three flowers and three (3) seed pods; and, on the right are three (3) leaves of the plant. The three (3) major islands surround the bird and plant. The island with the sugar mill represents St. Croix; St. John is represented by the Annaberg Ruins and St. Thomas by the Capital Building (the Virgin Islands Legislature) with the US flag flying and the Danneborg flag lowering. A sailboat is in the St. Thomas harbor and the words "United in Pride and Hope" is scrolled at the bottom of the Seal below the drawing of St. Croix.

## Climate

The U.S. Virgin Islands enjoys an arid climate, moderated by trade winds. Temperatures vary little throughout the year. Typical temperature patterns range from around 91° F in the summer to 86° F in the winter. Rainfall averages about 38 inches per year, with the wettest months from September to November and the driest February and March. Hurricane season lasts from June through the end of November.

## Culture

The United States Virgin Islands is among the most culturally diverse, ethnically rich and artistically vibrant societies in the Caribbean. The islands' history fostered a culturally diverse social order where a fusion of cultures has formed a distinctive society where variations are the accepted standard.

Like most of the English-speaking Caribbean, Virgin Islanders' culture is syncretic, derived mainly from Amerindian, West African, European, Creole and American influences. Despite two hundred and fifty (250) years of Danish colonization, the dominant language has been English-Creole since the early 19<sup>th</sup> century. The Dutch, French, Danes, African and Spanish all contributed to the islands' cultural diversity. Historic and recent immigration have brought persons from other island nations not limited to: Puerto Rico, the British Virgin Islands, Haiti, the Dominican Republic, St. Lucia, Antigua, St. Kitts/Nevis, Anguilla, Dominica and Trinidad/Tobago to the U.S. Virgin Islands. Additionally, persons from the Arab world, India and China contribute to the cultural mix of the U.S. Virgin Islands. However, the foundation of Virgin Islands' culture stems strongly from Africans who were imported from West Africa as laborers, agriculturalists, and craftsmen to work in tobacco indigo, cotton and cane fields, in rum manufacturing, on plantations, and in mercantile and urban industries between the 17<sup>th</sup> and 19<sup>th</sup> centuries. These Africans brought with them skills and traditions from across a wide expanse of the Africa continent, including what is now Nigeria, Senegal, the Congo, Gambia and Ghana. The amalgamation of cultures created a distinct and unique society, rich in customs, music, dance, arts, language, architecture and cuisine. The official music of the U.S. Virgin Islands is Quelbe, a synthesis of African, European and Caribbean musical forms, a mix which reflects social and cultural conditions that existed during the 18<sup>th</sup> and 19<sup>th</sup> centuries. Enslaved Africans, denied practice of their own spirituality, language, music and dance (that neither distance nor time could stifle), ingeniously adapted and integrated aspects of their European colonizers with the spiritual richness of their African culture to produce the unique musical form of Quelbe and other musical genres such as Cariso, which is the improvisation of West African singing styles, balladry, ritual chants and songs. Twenty-first Century music genres include an opulent blend of soca, reggae, calypso and zouk.

The annual celebrations of the Crucian Christmas Carnival on St. Croix, the St. John Fourth of July Celebration, and the Virgin Islands Carnival on St. Thomas continue to provide economic stimuli as thousands of visitors pour into the Territory to enjoy the unique culture and personality of each island. The Virgin Islands Carnival officially concludes the tourist season of the Virgin Islands of the United States.

## Education

The Virgin Islands Board of Education was established as an independent agency of the Government of the United States Virgin Islands by Act No. 2252. Its duties are to recommend the establishment of public schools, prescribe general regulations and orders, adopt curricula and courses of study, recommend laws and amendments, and recommend appropriations required for the operation of the public schools and the Department of Education. The Board certifies educational professionals, exercises oversight over federal dollars and manages the Territorial Scholarship Program. The USVI's public education system, administered by the Department of Education, is currently comprised of a State Education Agency (SEA) and two (2) Local Education Agencies (LEAs) for the St. Thomas/St. John District and the St. Croix District. The St. Thomas/St. John District has two high schools, three (3) middle schools and ten (10) elementary schools. The St. Croix District also has ten (10) elementary schools, three (3) middle schools and two (2) high schools.

## Health

The Virgin Islands Hospital and Health Facilities Corporation was established to ensure quality, comprehensive health care to residents and visitors. The Schneider Regional Medical Center, the Myrah Keating Smith Community Health Center and the Charlotte Kimelman Cancer Institute) serves St. Thomas and St. John District. On the island of St. Croix, the Governor Juan F. Luis Hospital and Medical Center provide both basic and critical care to a growing patient population; services recently expanded and include a Cardiac Center.

The V.I. Department of Health's (DOH) goal is to improve the health status of all Virgin Islands residents and to ensure they receive access to quality health care services. The DOH is responsible for helping each person live a life free from the threat of communicable diseases, tainted food, and dangerous products. To assist with its mission, the DOH regulates health care providers, facilities, and organizations, and manages direct services to patients where appropriate.

The V.I. Department of Health consists of five (5) major divisions: Public Health Services, Health Promotion & Disease Prevention, Health Information Technology, Public Health Preparedness and the Division of Licensure. The Division of Licensure consists of nine (9) boards which regulate all healthcare professionals in the Territory. As part of its mandate, the Department is also tasked with operating two (2) community health clinics, one (1) in each district.

## Human Services

The Department of Human Services serves as the "state agency" for publicly financed programs that address the needs of the indigent, disabled, elderly and low-income populations. The department also addresses the needs of the juvenile population through the Foster Care, Child Abuse and Neglect, Juvenile Justice and Juvenile Delinquency Prevention Programs. Most recently the department was assigned oversight responsibility to end homelessness in the Territory.

The Department of Human Services, through partnership with other government departments, agencies and other organizations, assists in the rehabilitation of individuals in order to place them in competitive employment to achieve self-sufficiency. As a result of revenue shortfalls and budget constraints in the Territory, the Medical Assistance Program was transferred from the Department of Health to the Department of Human Services to better serve the needs of the citizenry.

## **Politics**

Politics are a driving force for economic and social change in the United States Virgin Islands, which are founded on the principle of elected individuals who represent the people, as opposed to autocracy or direct democracy. Elected representatives are charged with the responsibility of acting in the people's interest, but not as their proxy.

Virgin Islanders are U.S. citizens who cannot vote in U.S. presidential elections nor exercise a representative vote in Congress. However, there is an elected delegate in the United States House of Representatives who chairs and votes in congressional committees outside of the House itself. Nevertheless, once Virgin Islanders establish residency in any of the contiguous United States, Alaska or Hawaii, they can vote in presidential elections. There are three (3) political parties in the U.S. Virgin Islands (USVI): the Democratic Party, the Independent Citizens Movement and the Republican Party. Candidates for elected offices, who do not platform as a member of one of the three political parties, platform as Independents.

# **ECONOMIC OVERVIEW**

## 2016 Economic Review and Industry Outlook

### Introduction

The U.S. Virgin Islands economy is currently emerging from a period of considerable decline. A mix of factors, including the 2008 recession and the closure of HOVENSA led to a major decline in economic performance. According to the US Bureau of Economic Analysis (BEA), GDP expanded at an annualized rate of 0.2% in 2015, which, after decelerating in the previous four years, appears on the upswing. Tourist and household consumer spending continue to be the main engine of growth in the economy.

In recent years, fiscal conditions and investments have not provided a tailwind to GDP growth. The Government continues to experience distress as it relates to financial liquidity and budgetary obligations. In the fiscal year 2017, the estimated budget deficit is \$110 million. The value of investments is also lower when compared to previous years. The Bureau of Economic Research (BER) anticipates when financial conditions are under control through a mix of expenditure reductions and investments, once implemented, can drive growth in the economy.

While the economy has been recovering slowly, the labor market has seen improvement during the first half of the fiscal year 2017. For the first six months of the fiscal year 2017, the number of non-agriculture jobs was 38,288 compared to 37,594 jobs reported during the same period in the fiscal year 2016. During the six-month period in the fiscal year 2017, the unemployment rate was lowered slightly to 10.8 percent from 11.5 percent in 2016. The rate for St. Croix remained at the same level as a year earlier, posting 11.2 percent in the fiscal year 2017 from 11.4 percent in 2016. The rate for St. Thomas and St. John declined to 10.5 percent from 11.5 percent in the fiscal year 2016.

Jobs in manufacturing, leisure and hospitality and other service regained momentum upward in 2016, but other sectors such as construction and information declined. The economy should receive support through expansionary manufacturing activity and several public-sector projects that are scheduled. For example, the \$9.6 million Turpentine Run Bridge Project began in Spring 2017. The \$10.6 million Main Street Enhancement and the St. John \$1.2 million road restoration project is expected to continue. The Port Authority has begun the \$5 million two-level parking garage at the Urman Fredericks Marine Red Hook Terminal, while the University of the Virgin Islands continues the \$11 million construction of both St. Thomas Medical School and the St. Croix Simulation Center facilities. The construction of the new \$3.4 million Fredriksted Head Start for the Department of Human Services and the \$20 million Paul E. Joseph Stadium projects will commence on St. Croix. Both districts will experience construction activities related to a \$12 million renovation of the St. Thomas Clinton racetrack and \$14 million renovations of St. Croix's Randall "Doc" James facility. The Department of Public Works is in the process of using \$91 million in bond proceeds for two major road construction projects, the Veterans Drive Highway on St. Thomas and Governor Melvin H. Evans Highway on St. Croix.

### Tourism

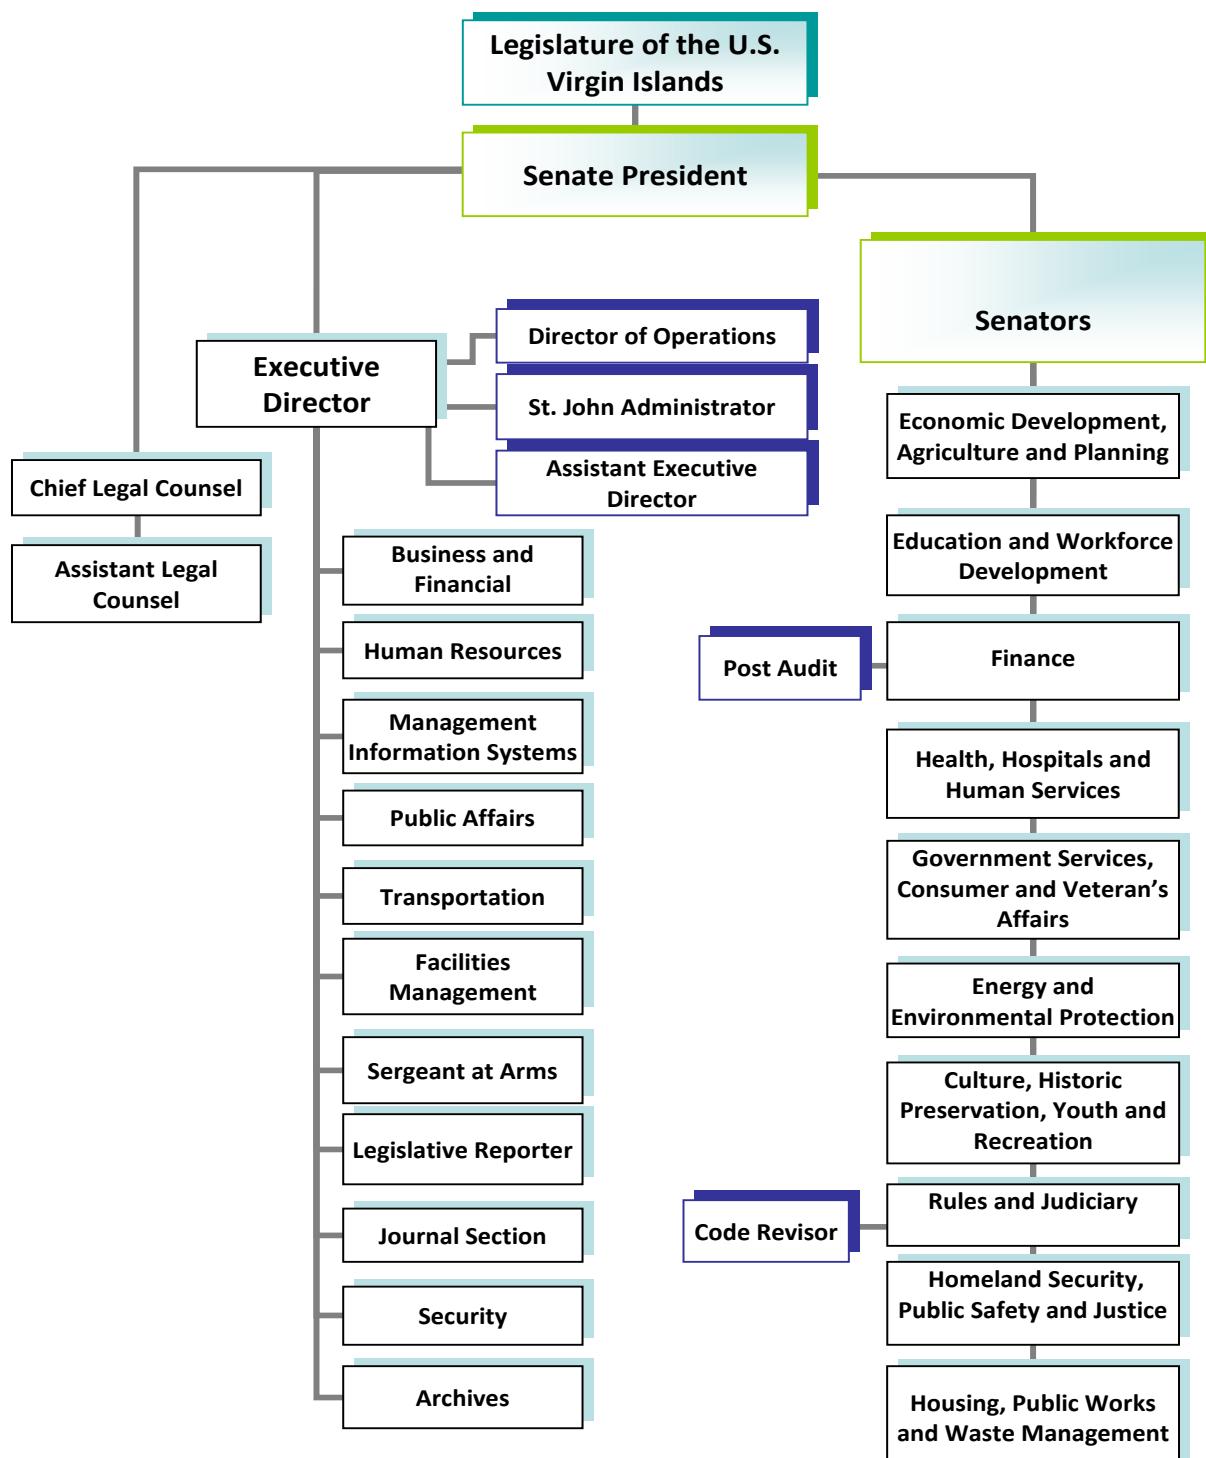

Overall visitor volume softened for first-half of fiscal year 2017 by 10.2% to 1,447,219 from 1,612,171 in 2016. This drop in visitors resulted from fewer cruise passenger arrivals. Cruise visitors fell to 1,023,517 in 2017 from 1,208,295 in 2016 or 15.3% decline. Air visitor arrivals, however, grew to 423,702 in 2017, up 4.9% from 403,876 in 2016. This mixed trend is expected to continue for the balance of the fiscal year 2017 but overall growth should resume in the fiscal year 2018. Data received in the first quarter of 2017 were encouraging, and there seems to be an improving sentiment from the US Department of Tourism which is ramping up its offerings to attract more visitors.

## Economic Outlook 2017 and 2018

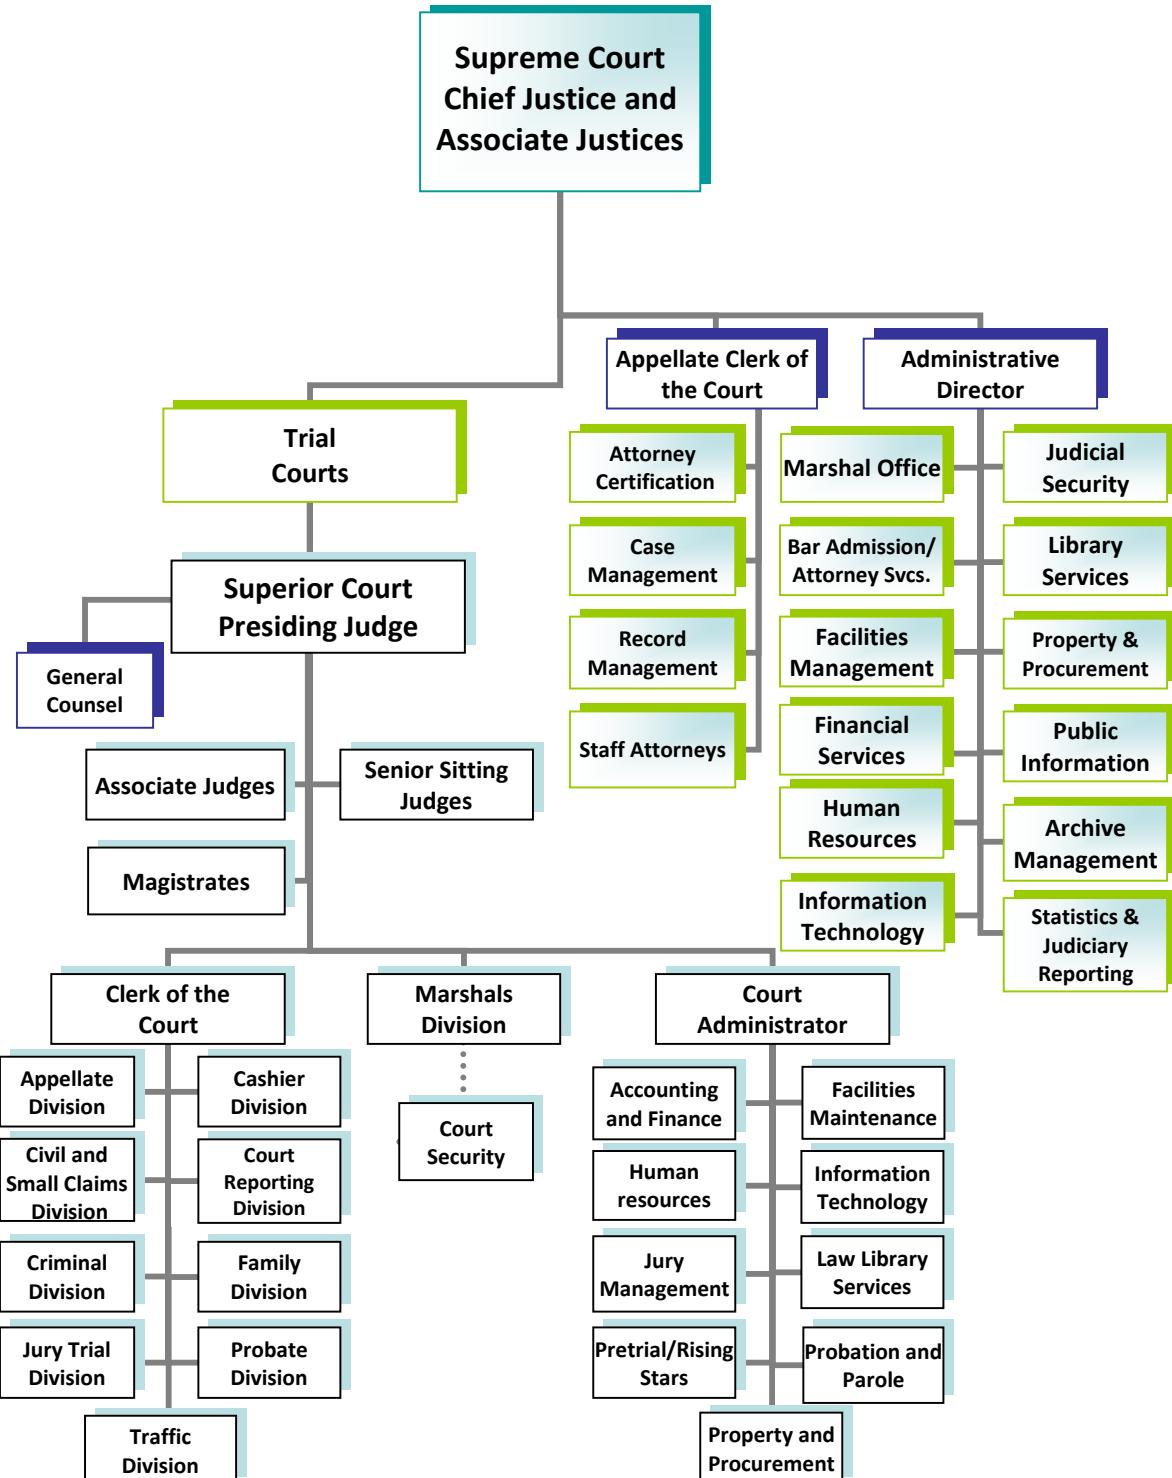

The Territory's weak fiscal conditions have taken center stage during this budgetary year. As fiscal policies evolve and cost cutting measures are implemented, there should be a period of elevated short-term volatility where some of the gains in the past year might be lost. However, an expansionary fiscal and economic policy program, consisting of tax increases and large-scale infrastructure spending and other private sector investments, should support the economy. But the impact of the fiscal plan and other policy changes will not be evident until much later in the fiscal year 2017 and beyond. Reflecting these concerns, our constructive view of the economy is tempered by a recognition that there is much uncertainty about the Territory's financial picture.

# Government of the Virgin Islands' Annual Budget Process

## Annual Budget Process Overview

The annual budget preparation process and statutory role of the Office of Management and Budget (OMB) are certified by Title 2, Chapter 2 and Title 3, Chapter 1, Section 4. The Executive Branch is responsible for developing, formulating, and compiling a comprehensive, balanced budget proposal, which is modified by the Legislature and enacted into law. The Governor is required by law, pursuant to Title 2, Chapter 2, Section 24, to seek and coordinate requests from all the departments and agencies of the government; to develop a complete spending plan of proposed expenditures, listing revenues available to support them; and to create a prospective, balanced budget. This budget, along with the necessary appropriation bills and enabling legislation, is mandated by law to be submitted to the Legislature by May 30<sup>th</sup> each year. The Governor is also required to execute the adopted budget through administrative actions during the fiscal year.

The Government of the Virgin Islands' fiscal year begins October 1 and ends September 30; however, the actual "budget cycle," representing the time between early budget preparation and final disbursements, extends over the entire year, commencing in the first quarter of the current fiscal year.

The budget process consists of six major activities:

1. **Budget Formulation**
2. **Agency Budget Preparation**
3. **OMB Budget Review/Recommendation**
4. **The Governor's Proposal**
5. **Legislature's Action**
6. **Budget Execution**

## Budget Formulation

**December – January:** The budget formulation process begins with the development of the revenue projections. The Financial Team which is comprised of the Director of the Office of Management and Budget (hereinafter “OMB”), the Commissioner of the Department of Finance, the Director of the Internal Revenue Bureau, the Director of the Division of Personnel, the Chief Negotiator of the Office of Collective Bargaining, the Director of the Bureau of Economic Research, two (2) liaisons from the Office of the Lieutenant Governor and a liaison from the Office of the Governor, meet periodically to analyze past economic trends and monitor revenue flow to begin developing revenue projections for the upcoming fiscal year. During the month of December, the Director and staff of OMB, begin the development of the budget ceilings for all departments and agencies based on projected revenues for the upcoming fiscal year.

**January:** The Director of OMB issues budget guidance to all departments and agencies with the projected ceiling levels as dictated by projected revenues. During this time, OMB conducts budget orientation sessions in both the St. Thomas/St. John and St. Croix districts with the commissioners, directors, fiscal personnel, and program directors and explains all budget guidelines. Analysts assigned to each department and agency answer inquiries about the guidelines. The analysts work with the departments and agencies on a one-to-one basis to address particular budgetary concerns. Additionally, site visits are conducted during this period to familiarize the analysts with the departments and agencies’ operational plans.

## Agency Budget Preparation

**February:** The departments and agencies develop their spending plans in agreement with the expenditure ceilings and guidelines in the Budget Call along with training and hands-on budget orientation sessions.

## OMB Budget Review/Recommendation

**March – April:** The departments and agencies submit their proposed budgets for the upcoming fiscal year to OMB. The Director, along with the OMB staff, analyzes the individual budgets and prepares recommendations for the departments and agencies; updates the departments and agencies’ narratives; drafts the necessary appropriation bills and enabling legislation; and develops budget schedules, summaries, and revenue statements. The OMB Director and staff then presents the head of each department and agency with a copy of OMB’s recommendation (justification letter, management letter, and personnel listing) for their particular Department and Agency to review and discuss with OMB’s staff at scheduled internal budget hearings, if necessary. In the event of changes made during the internal budget hearings, the analysts revise a department or agency’s budget along with the budget schedules, summaries, and revenue statements for submission to the Governor’s financial team for review, recommendations, and approval. If necessary, analysts make changes and update the budget and supporting documents for presentation to the Governor.

## The Governor’s Proposal

**May:** In consultation with the Governor, the recommended budget for the Executive Branch are finalized and submitted to the Legislature. The Governor’s submission includes message to the Legislature, along with OMB Director’s budget message to the Governor.

Pursuant to Title 2, Chapter 2, Section 24, subsection (b) and Chapter 12, Section 251 Virgin Islands Code, a balanced budget for the Government of the Virgin Islands is then submitted to the Legislature by May 30<sup>th</sup> or otherwise authorized.

The proposed Executive Budget includes government funds subject to appropriations pursuant to law from the General Fund, Internal Revenue Matching Fund, Government Insurance Fund, and others. It also includes non-appropriated government funds, which are funds that generate revenues from fees, services, and other sources; and funds used by the revenue-generating departments and agencies (i.e. Data Processing Fund and Fire Service Emergency Fund).

## Legislature's Action

**June – September:** During this time, the Legislature reviews and deliberates on the proposed Executive Budget, supporting appropriation bills, enabling legislation, schedules, and summaries as submitted by the Governor. The Post-Audit Division of the Legislature analyzes the budgetary information and prepares reports for the Committee on Finance to conduct individual departments and agencies' budget hearings. During the hearings, commissioners, directors, and their key financial personnel take the opportunity to testify on their recommended budgets. At the conclusion of all hearings, the Committee on Finance acts on the Governor's proposed Executive Budget and forwards its recommendations to the Committee on Rules and Judiciary, and finally to the entire Legislative body for consideration at a legislative session.

During the legislative process, the Legislature may add, change, or delete any item in the budget proposed by the Governor. The proposed Executive Budget and accompanying legislative bills must be approved by the Legislature and signed into law by the Governor on or before September 30<sup>th</sup>. If the budget is not approved before the commencement of the new fiscal year, October 1<sup>st</sup>, pursuant to the 1954 Revised Organic Act, Section 9(e), the appropriations of the preceding fiscal year, as they may be deemed applicable, are automatically re-appropriated until approval of a new budget. Once approved, this becomes the Adopted Budget as amended by the Legislature.

## Adopted Budget Execution

**September:** Upon approval of the Adopted Budget, the Governor has another opportunity to veto the budget partially or in its entirety and return it to the Legislature with his objections. This is known as a gubernatorial veto. A gubernatorial veto can be overridden by a two-thirds majority of all members of the Legislature and thereby become law. The Governor could also allow the budget to become law without his signature.

**October – September:** Once the budget is enacted, fiscal control of expenditures is exercised by the Governor through the Director of OMB. If the fiscal resources available to the Government in any fiscal year are insufficient to cover the appropriations approved for that year, the Governor, through the Director of OMB, may take administrative measures (such as reducing or withholding budget allotments) to align expenditures with available resources.

# **SUMMARIES**

## Revenue Overview

The Governor is to present a balanced budget to the Legislature as authorized by Title 2, Chapter 12, Section 251 of the Virgin Islands Code. In addition, Act No. 7521 established a Revenue Estimating Conference “to establish a forecast of anticipated territorial revenues [to] be utilized in preparation of the Executive Budget.” The Revenue Estimating Conference forecast is to be established by majority approval of the nine Principals: the Director of Office of Management and Budget, the Commissioner of Finance, the Director of the Bureau of Internal Revenue, the Post Auditor of the Legislature, the President of the Legislature, the Chief Economist of the Bureau of Economic Research, the President of the St. Croix Chamber of Commerce, the President of the St. Thomas – St. John Chamber of Commerce, and the President of the University for the Virgin Islands (or their respective designees).

Accordingly, the FY 2018 Executive Budget, is balanced primarily using the revenue assumptions and forecast that were developed at the March 2017 Revenue Estimating Conference. These projections take into consideration many assumptions, the analysis of historical trends, the current state and near term outlook of the local and national economies, ongoing and planned public and private sector capital projects, amendments and new policies, regulations, and Federal and local laws. These projections influence policy and decision making to accommodate the services to be offered within the Territory in Fiscal Year 2018.

The FY 2018 revenues forecast to support budgeted appropriations from the General Fund total \$743.6 million, which is based projections of taxes, fees, and transfers from other Funds. A base forecast was prepared based on existing law, as required by Act No. 7521, which was supplemented estimates of planned revenue enhancement initiatives. These initiatives are focused on more vigorous enforcement of existing statutes and collection of outstanding amounts.

### Taxes and Other Revenues

Projected revenue collections for Fiscal Year 2018 include the following categories:

- *Individual Income Taxes* are projected at \$379.0 million. This is composed of \$362.2 million of baseline estimate, \$7.5 million from taxes on the income of the principals of new EDC companies and \$9.3 Million from the IRB\DOJ task force collection. This can be mainly impacted by factors such as approval of new EDC business applications, changes of employment and wages, and timely filing and payment of income taxes.
- *Corporate Income Taxes* are projected at \$55.7 million with baseline estimate of \$55.0 million and \$.7 million of IRB\DOJ task force collection. Local business activity generally, and corporate profit margins in particular, can impact corporate income taxes.
- *Real Property Taxes* are projected at \$71.0 million. This is composed of \$63 million baseline and \$8 million from enhanced collection efforts to be undertaken by the Tax Assessor’s Office, up to and including property sales, to collect a portion of the significant delinquent property taxes. This can be impacted by the date the property tax bills are distributed and collection enhancement.
- *Trade and Excise Taxes* are projected at \$36.9 million. This is composed of \$25.4 million of baseline and \$11.4 million from the full-year effect of the recently enacted taxes on carbonated drinks, rum, wine and cigarettes.

- *Gross Receipts Taxes* are projected at \$182.3 Million. This is composed of \$162.6 million baseline estimate, \$14 million from enhanced collection by the Internal Revenue Bureau and \$5.7 Million from the IRB\DOJ task force collection.

In addition, there are other revenues that are derived from fees and fines associated with licenses, customs duties, permits, franchise taxes, stamp taxes, malpractice insurance, and other miscellaneous income.

### Transfers from Other Funds

An amount of \$63.4 million is projected as a contribution from local funds to the General Fund. The major contributors are from the Internal Revenue Matching Fund \$16.3 million, which is derived from the excise tax on rum made in the Virgin Islands and sold in the United States; the Insurance Guaranty Fund \$15.0 million; the Transportation Trust Fund \$12.0 million; Caribbean Basin Initiative \$9.0 million; and other funds totaling \$11.1 million. These transfers into the General Fund are offset by \$10 million of mandatory transfers from the General Fund to Other Funds. The result is a net inter-Fund transfer to the General Fund of \$53.4 million.

### Transfers to Debt Service Account

Gross receipts taxes are specifically pledged for the repayment of the GVI's general obligation bonds. An estimated debt service amount of \$90.3 million on outstanding general obligation debt will be transferred from gross receipts taxes for that purpose.

## Schedule of Principal and Interest on Long Term Debt

The Virgin Islands Public Finance Authority, on behalf of the Government of the United States Virgin Islands, through authorization from the Legislature of the United States Virgin Islands, has secured funding for the following working capital and long-term projects. Outlined below is a brief description of each bond issuance reflected in the Schedule of Principal and Interest due on Long Term Debt for Fiscal Year 2018.

### General Obligation Debt (Gross Receipt Taxes)

- Proceeds from the Series 2006A Gross Receipts Tax Bond issuance were used to refund a portion of the Authority Revenue Bonds, Series 1999A Bonds, pay the cost of a termination fee in connection with an outstanding swap option agreement, fund certain necessary public sector capital development projects of the Government of the Virgin Islands, fund the Debt Service Reserve Account in an amount necessary to meet the Debt Services Reserve Requirement, pay the premium in connection with the Series 2006 Bond Insurance Policy, fund a net payments reserve account for a new swap agreement and pay the costs of issuing the Series 2006 Bond. The repayment of this bond series is funded by the General Fund from Gross Receipts Taxes. The bonds were issued in October 2006 at a value of \$219,490,000. As of April 1, 2017, the outstanding principal balance was \$196,590,000.
- Proceeds from the Series 2012A Gross Receipts Tax Bond issuance were used to refund the outstanding Series 1999 Bonds, refund the Series 2010A Notes, pay the costs and expenses of issuing and delivering the Series 2012A Bonds and fund the Debt Service Reserve Account in the amount necessary to meet the Debt Service Reserve Requirement related to the Series 2012A Bonds. The repayment of this bond series is funded by the General Fund from Gross Receipts Taxes. The Bonds were issued in November 2012 at a value of \$197,065,000. As of April 1, 2017, the outstanding principal balance was \$156,170,000.
- Proceeds from the Series 2012B Gross Receipts Tax Bond issuance were used to refinance the Series 2011A Note, which initially financed the Broadband Project, pay the cost and expenses of issuing and delivering the Series 2012B Bonds and fund the Debt Service Reserve Account in an amount necessary to meet the Debt Service Reserve Requirement related to the Series 2012B Bonds. The Bonds were issued in November 2012 at a value of \$31,740,000. As of April 1, 2017, the principal balance was \$25,550,000.
- Proceeds from the Series 2012C Gross Receipts Tax Bond issuance were used to finance all or a portion of the costs of certain capital projects, fund capitalized interest on a portion of the Series 2012C Bonds and pay the costs and expenses of issuing and delivering the Series 2012C Bonds. The Bonds were issued in December 2012 at a value of \$35,115,000. As of April 1, 2017, the principal balance was \$29,950,000.
- Proceeds from the Series 2013A Subordinate Lien Gross Receipts Tax Revenue Notes were used to provide \$6,700,000 of financing for the replacement of police fleet vehicles in accordance with the Collective Bargaining Agreements between the Government of the Virgin Islands and the Virgin Islands Police Benevolent Association and the Law Enforcement Supervisors Union. The financing was completed in the third quarter of Fiscal Year 2013, with an initial drawdown of \$2,660,000 for the first delivery of new vehicles. A second drawdown of \$2,770,000 was completed in the first quarter of Fiscal Year 2014. The third and final drawdown of \$1,270,000 was completed in the third quarter of Fiscal Year 2016. As of April 1, 2017, the principal balance was \$1,414,167.
- Proceeds of the Series 2014A Gross Receipts Taxes Revenue Bonds were issued to finance operating expenses of the Government, to fund the amount necessary to meet the Debt Service Reserve Requirement for the Bonds, and to pay certain costs of issuing the Bonds. The Bonds were issued on September 5, 2014

in the principal amount of \$49,640,000. As of April 1, 2017, the outstanding principal balance was \$46,600,000.

- Proceeds of the Series 2014B Subordinate Lien Revenue Note (Gross Receipts Tax Loan Note - IRS Settlement Financing) were issued to finance the costs of an IRS settlement and to pay costs of issuing the note. The Bonds were issued on September 11, 2014 in the principal amount of \$14,000,000. As of April 1, 2017, the outstanding principal balance was \$8,833,333.
- Proceeds of the Series 2014C Gross Receipts Taxes Revenue Bonds were used to refund the Authority's outstanding Revenue Bonds (Virgin Islands Gross Receipts Taxes Loan Note), Series 2003A, to finance all or a portion of the costs of certain capital projects, including the Paul E. Joseph Stadium Project and certain projects at the Governor Juan F. Luis Hospital & Medical Center and Schneider Regional Medical Center, and pay the costs of issuance related to the Series 2014C Bonds. The Bonds were issued on November 14, 2014 in the principal amount of \$247,050,000. As of April 1, 2017, the outstanding principal balance was \$237,500,000.
- Proceeds of the Series 2014D Gross Receipts Taxes Revenue Bonds were used to finance certain costs associated with the Broadband Expansion Program, finance the amount necessary to meet the Debt Service Reserve Requirement upon the issuance of the Series 2014D Bonds, and pay the costs of issuance related to the Series 2014D Bonds. The Bonds were issued on December 3, 2014 in the principal amount of \$5,765,000. As of April 1, 2017, the outstanding principal balance was \$5,425,000.
- Proceeds from the Series 2014E Gross Receipt Taxes Loan Note (Subordinate Lien Revenue Bond Anticipation Note) were used to provide revenue anticipation financing to meet operating costs of the Government within a fiscal year and to pay certain costs of issuing the Series 2014E Note. The repayment of this bond series is funded by the General Fund from Gross Receipt Taxes. The Loan Note was originally issued in December 2014 at a maximum amount of \$40,000,000 in the form of a credit line and was further extended in November 2016 with a maximum amount of \$60,000,000 of which \$20,000,00 was drawn down in November 2016. Due to the Government's lack of municipal bond market access and credit rating deterioration, the remaining undrawn balance of \$40,000,000 cannot be drawn down until bond market access and a certain credit rating are restored. As of April 1, 2017, the outstanding principal balance was \$20,000,000.
- Proceeds from the Series 2016A Subordinate Lien Revenue Note, (Gross Receipts Tax Loan Note - Line of Credit) were used to provide \$10,000,000 of financing for the Emergency First Responder Project. The financing was completed in the first quarter of Fiscal Year 2017, with two initial drawdowns totaling \$2,470,620. A third drawdown of \$4,100,000 was completed in the third quarter of Fiscal Year 2017. As of June 1, 2017, the principal balance was \$6,163,846.

#### Revenue Obligation Debt (Matching Fund)

- Proceeds from the Series 2009A-C Revenue and Refunding Bond Issuance (Virgin Islands Matching Fund Loan Notes) were used to finance various capital projects, fund the Series 2009A and 2009B Senior Lien Debt Service Reserve sub-account, current refund in full the Revenue and Refunding Bonds Series 1998A (Senior Lien/Refunding Bonds) and Series 1998E (Subordinate Lien/Capital Program), fund the Series 2009C Subordinate Lien Debt Service Reserve Sub-account, and pay certain costs of issuing the Series 2009 bonds. The repayment of this bond series is funded by the Internal Revenue Matching Fund from Excise Taxes collected on United States Virgin Islands Rum sold within the United States market. The Bonds were issued in October 2009 at a value of \$458,840,000 and, as of April 1, 2017, the outstanding principal balance was \$287,555,000.

- Proceeds from the Series 2010A&B Working Capital Revenue Bond issuance (Virgin Islands Matching Fund Loan Note) were issued to provide Working Capital to finance, and or refinance, certain operating expenses and other important financial obligations of the Government of the Virgin Islands for the Fiscal Year ending September 30, 2010 and to pay down a portion of the outstanding balance of the Series 2009 Gross Receipts Tax Loan Notes, fund the Debt Service Reserve Accounts in an amount necessary to meet the Debt Service Reserve requirements for the Series 2010A&B Bonds, and to pay certain costs of issuing the Series 2010A&B Bonds. The repayment of this bond series is funded by the Internal Revenue Matching Fund from Excise Taxes collected on United States Virgin Islands Rum sold within the United States market. The Bonds were issued in July 2010 in the principal amount of \$399,050,000. As of April 1, 2017, the outstanding principal balance was \$388,175,000.
- Proceeds from the Series 2012A Matching Fund Revenue Bonds issuance were used to provide Working Capital to finance certain operating expenses and other obligations of the Government, fund the Series 2012A Senior Lien Debt Service Reserve Subaccount in an amount necessary to meet the Series 2012A Debt Service Reserve Requirement, and pay the cost of issuing the Series 2012A Bonds. The repayment of this bond series is funded by the Internal Revenue Matching Fund from Excise Taxes collected on United States Virgin Islands rum sold within the United States market. The Bonds were issued in September 2012 at a value of \$142,640,000. As of April 1, 2017, the outstanding principal balance was \$140,165,000.
- Proceeds of the Series 2013A Matching Fund Revenue Bonds Issuance were used to refund portions of the Authority's outstanding Series 2004A, 2009A-1 and 2009B Bonds, to pay the costs and expenses of issuing and delivering the Series 2013A Bonds and to fund the amount necessary to meet the Series 2013A Senior Lien Debt Service Reserve Requirement for the Series 2013A Bonds. The repayment of this bond series is funded by the Internal Revenue Matching Fund from Excise Taxes collected on United States Virgin Islands Rum sold within the United States market. The Bonds were issued in September 2013 at a value of \$36,000,000. As of April 1, 2017, the outstanding principal balance was \$31,470,000.
- Proceeds of the Series 2013B Matching Fund Revenue Bonds Issuance were used to refund portions of the Authority's outstanding Series 2004A, Bonds, to pay the costs and expenses of issuing and delivering the Series 2013B Bonds and to fund the amount necessary to meet the Series 2013B Senior Lien Debt Service Reserve Requirement for the Series 2013B Bonds. The repayment of this bond series is funded by the Internal Revenue Matching Fund from Excise Taxes collected on United States Virgin Islands Rum sold within the United States market. The Bonds were issued in September 2013 at a value of \$51,365,000. As of April 1, 2017, the outstanding principal balance was \$41,045,000.

#### **Revenue Obligation Debt (Matching Fund – Rum Producers)**

- Proceeds from the Series 2009A Subordinated Revenue Bond Issuance (Virgin Islands Matching Fund Loan Note - Diageo Project) were used to make a loan to the Government of the Virgin Islands which will provide a grant to Diageo USVI Inc. to finance the costs of the acquisition, design, development, construction and equipping of a rum production and maturation warehouse facility to be located on St. Croix, pay capitalized interest on the Series 2009A Bonds, fund the Series 2009A Debt Service Reserve Account in an amount necessary to meet the Debt Service Reserve Requirement for the Series 2009A Bonds and pay the costs of issuing the Series 2009A Bonds. The repayment of this bond series is funded by the Internal Revenue Matching Funds from Excise Taxes collected on United States Virgin Islands Rum sold within the United States market of rum produced by Diageo USVI, Inc. The Bonds were issued in June 2009 at a value of \$250,000,000. As of April 1, 2017, the outstanding principal balance was \$232,205,000.
- Proceeds from the Series 2009A Subordinated Revenue Bond Issuance (Virgin Islands Matching Fund Loan Note - Cruzan Project) were used to make a loan to the Government of the Virgin Islands which will provide a grant to Cruzan VIRIL, Ltd. to finance the costs of the development, acquisition, construction and

installation of a wastewater treatment facility and to fund certain preliminary costs of the alteration, upgrade, expansion and renovation of the Cruzan distillery, fund the Series 2009A Senior Lien Debt Service Reserve Subaccount in an amount necessary to meet the Series 2009A Debt Service Reserve Requirement and pay the costs of issuing the Series 2009A Bonds. The repayment of this bond series is funded by the Internal Revenue Matching Fund from Excise Taxes collected on United States Virgin Islands Rum sold within the United States market of rum produced by Cruzan VIRIL, Ltd. The Bonds were issued in December 2009 in the principal amount of \$39,190,000. As of April 1, 2017, the outstanding principal balance was \$34,870,000.

### Tax Increment Financing Debt

- Proceeds from the Series 2009 Tax Increment Revenue Bond Anticipation Notes were used to provide interim financing of a portion of the Island Crossings Project, which is a shopping center development project, and to pay certain costs incidental to the issuance of the Series 2009A Bond Anticipation Notes. The repayment of these Notes will be funded by Gross Receipts Tax Revenues and incremental Property Tax Revenues. The Tax Increment Revenue Loan provides for the initial borrowing in the principal amount of \$15,700,000. As of April 1, 2017, the outstanding principal balance was \$11,570,076.
- Proceeds from the Series 2011 Property Tax Revenue Anticipation Notes were used to provide Working Capital to finance certain operating expenses and other obligations of the Government. The repayment of these notes is funded by a first lien on all Real Property Tax Receipts from delinquent real property tax receivables for tax years prior to, and including, tax year 2005. The Notes were issued in November 2011 at a par amount of \$13,000,000. As of June 1, 2017, the outstanding principal balance was \$3,937,333.
- Proceeds from the Series 2015 Property Tax Revenue Anticipation Notes were used to provide Working Capital to finance certain operating expenses and other obligations of the Government. The repayment of these notes is funded by a first priority lien on all Real Property Taxes billed and to be collected by the Tax Assessor for the 2015 Tax Year. The Notes were issued in September 2015 in a principal amount of \$40,000,000. As of April 1, 2017, the outstanding principal balance was \$0.

### Federal Highway Grant Anticipation Revenue Debt (GARVEE)

- Proceeds from the Series 2015 Grant Anticipation Revenue Bonds (Federal Highway Grant Anticipation Revenue Loan Note) were used to (i) finance all or a portion of the costs of certain capital projects, including the Veteran's Drive Phase I Project on the island of St. Thomas and the following projects on the island of St. Croix: Melvin Evans Highway-Route 66, Mahogany Road-Route 76, Hams Bluff Road-Route 63, Spring Gut Road Phase I & II, St. Croix Estate Welcome to the South Shore Road-Route 85, Sion Valley Road from Rattan Road through Peter's Rest to the intersection at Blue Mountain Water, Rattan Road Route 74, Prince Street, Queen Frederiksted-Route(s) 7029, 7027, 7025, 7023 & 702 and Improvements to Christiansted Roads-Route(s) 754, 75E, 75W; (ii) fund the amount necessary to meet the Debt Service Reserve Requirement for the Bonds; and (iii) pay the costs of issuance of the Series 2015 Bonds. The repayment of this bond series is funded by the Federal Highway Grant Revenues. The Bonds were issued in December 2015 at a value of \$89,880,000. As of April 1, 2017, the outstanding principal balance was \$85,415,000.

**THIRTY-SECOND LEGISLATURE OF THE VIRGIN ISLANDS**  
**OF THE UNITED STATES OF AMERICA**  
**REGULAR SESSION**  
**2017**

An Act amending Act No. 7770, Section 1 providing for a two-year sunset clause on the reduced statutory balance of the Insurance Guaranty Fund.

---

**PROPOSED BY THE GOVERNOR**

---

***Be it enacted by The Legislature of the Virgin Islands:***

**SECTION 1.**      Act No 7770 Section 1 is amended by striking "2017" and inserting "2019".

**BILL SUMMARY**

The measure extends the sunset clause of the reduced statutory balance of the Insurance Guaranty Fund from September 30, 2017 to September 30, 2019. Act No. 7342, as amended by Act No. 7770, reduced the minimum balance of fund from \$50,000,000 to \$10,000,000 until September 30, 2017.

BILL NO. 32- \_\_\_\_\_  
THIRTY-SECOND LEGISLATURE OF THE VIRGIN ISLANDS

REGULAR SESSION

2017

An Act repealing the establishment of the District Street Lighting Fund.

---

**PROPOSED BY THE GOVERNOR**

---

*Be It Enacted by the Legislature of the Virgin Islands:*

**SECTION 1.** Title 33, Chapter 111, Section 3002a is repealed in its entirety.

**BILL SUMMARY**

The measure repeals the statute requiring the transfer of four percent (4%) of all property taxes into the respective island's street lighting account. Under Title 33 V.I.C. 3002a, the sums are remitted to the Virgin Islands Water and Power Authority for expenditures associated with installation and maintenance along the local public road system.

## Mission Statement

The prosecution of all violations of the Virgin Islands Code and the representation of the Government in all civil actions brought against it or on behalf of the Government; and provide efficient and effective financial and access support services to children and custodial parents.

## Scope and Overview

The Department of Justice serves as the chief law enforcement office in the Territory. Created by Act No. 5625 as an executive department of government, it has a three-fold mission to prosecute all violations of the Virgin Islands Code and represent the Government in all civil actions brought against it or brought on behalf of the government. The Division of the Attorney General provides the leadership for the Department and that allows the department to carry out its mission. The Division of General Legal Services handles the litigation activities for the Department, in the Criminal Division, which prosecutes all crimes in the name of the People of the Virgin Islands and the Civil Division, which represents the Government of the Virgin Islands. The Solicitor General Division provides general advice to government agencies; reviews all contracts and other legal documents and handles appeals of all cases in which the Government is a party.

Pursuant to Title 3 Chapter 8, Section 119 of the Virgin Islands Code, the Division of Paternity and Child Support is responsible for the collection and distribution of child support payments for the children of the Virgin Islands, who do not reside with both natural parents. The Division of Paternity and Child Support also provides services to facilitate access and visitation for children and with their non-custodial parent(s).

## Activity 11000 Office of the Attorney General

### Functional Statement

The Office of the Attorney General oversees the prosecution of all criminal cases in the Territory, represents the Government of the U. S. Virgin Islands in all civil litigation, manages the Division of Paternity and Child Support and provides advice and opinions to all commissioners, agencies, and instrumentalities.

It is the intent of the Attorney General's Office to maintain a consistent momentum in the prosecution of individuals who commit crimes as part of the process of vigilant law enforcement. It is also an initiative to enhance the collections of money to increase the Territory's revenues and stimulate the economy. This will be done by the Tax Collection Task Force and through other collection efforts.

## Department of Justice – Federal CFDA

The Paul Coverdell Forensic Sciences Improvement Grant Program (CFDA 16.742) aims to improve the quality and timeliness of forensic science and medical examiner services and/or to eliminate backlogs in the analysis of forensic evidence, including controlled substances, firearms examination, forensic pathology, latent prints, questioned documents, toxicology, and trace evidence for criminal justice purposes.

The Support for Adam Walsh Act Implementation Grant Program (CFDA 16.750) provides assistance to this jurisdiction with developing and/or enhancing programs designed to implement requirements of the Sex Offender Registration and Notification Act (SORNA), Title I of the Adam Walsh Child Protection and Safety Act of 2006; support to other grant programs authorized by the AWA, and for the maintenance and operation of the Dru Sjodin National Sex Offender Public Website (NSOPW).

The High Intensity Drug Trafficking Areas Program (CFDA 95.001) reduces drug trafficking and drug production by (a) facilitating cooperation among Federal, State, local, and tribal law enforcement agencies to share information and implement coordinated enforcement activities; (b) enhancing law enforcement intelligence sharing among Federal, State, local, and tribal law enforcement agencies; (c) providing reliable law enforcement intelligence to law enforcement agencies needed to design effective enforcement strategies and operations; and (d) supporting coordinated law enforcement strategies which maximize use of available resources to reduce the supply of illegal drugs in designated areas and in the United States as a whole.

The objectives of the Child Support Enforcement program (CFDA 93.563) are to enforce the support obligations owed by absent parents to their children, locate absent parents, establish paternity, and obtain child, spousal and medical support.

Grants to States for Access and Visitation Programs (CFDA 93.597) create programs which support and facilitate access and visitation by non-custodial parents with their children. Activities include mediation, counseling, education, development of parenting plans, visitation enforcement and development of guidelines for visitation and alternative custody arrangements.

## Office of the Governor

**ORGANIZATIONAL TYPE:** Administrative and Policy

### Scope and Overview

The Office of the Governor functions pursuant to the mandated as authorized by Title 2 and 3 of the Virgin Islands Code, the Revised Organic Act of 1954, the Elective Governor's Act ( US Public Law 90-490) approved August 23, 1968, and Acts No. 5250 and 4440 of March 9, 1977, and August 31, 1980, respectively. The Office of the Governor exercises authority over the departments, agencies and instrumentalities of the U.S. Virgin Islands Government.

The Units within the Office of the Governor are: Administration, Policy (namely, Economic and Fiscal Issues; Legal Counsel; Education; Health and Human Services), Protocol, Public Relations and the Executive Secretariat. The Bureau of Economic Research is also a division within the Office of the Governor.

The Office of the Governor is committed to a mission of a sound, stable, financial and economic environment that will enhance the welfare of all the people of the Virgin Islands.

# OFFICE OF MANAGEMENT AND BUDGET

Budget Administration  
Federal Programs  
Policy Formulation/Policy Evaluation

# Office of Management and Budget

## ORGANIZATION TYPE: Policy

### Mission Statement

To improve public services.

### Scope and Overview

The Office of Management and Budget (OMB) functions pursuant to the mandate of Title 3, Section 4, of the Virgin Islands Code, while the responsibilities of the Director are mandated by Title 2, Sections 22, 23, 26, 27 and 28 of the Virgin Islands Code.

Through the budget preparation and execution process, OMB instills management, planning, review and evaluation techniques in the government agencies and departments. The office also places emphasis on management and policy responsibilities as is more specifically defined under the Virgin Islands Code, Title 2, Section 4(c), (d) and (e).

## Activity 21100 Budget Administration Unit

### Functional Statement

The Budget Administration Unit (BAU) manages the appropriations approved by the Legislature. BAU ensures the release of annual and multi-year appropriations on a monthly or quarterly basis as needed; enters general and other local funds and revisions on the Enterprise Resource Planning (ERP) system; reviews and adjusts spending plans; processes requests for appropriation transfers; verify personnel listings; processes personnel requisitions and per diems; updates fund balances; and prepares projections and analyses.

## Activity 21120 Federal Grants Management Unit

### Functional Statement

The Federal Grants Management Unit (FGMU) enters federal budget awards and revisions on the Enterprise Resource Planning (ERP) system; monitors grant recipients' compliance with financial and program objectives of Federal awards; develops and implements the Government-wide Cost Allocation Plan Indirect Cost and related proposals; initiates the Intergovernmental Review Process; monitors funds awarded by the U. S. Department of Interior Office of Insular Affairs; assists departments and agencies with grant administration, training, and application issues; and monitors implementation of the Corrective Action Plan for the annual Single Audit.

## Activity 22000/22030 Administration

### Functional Statement

The Administration Unit, which includes the Human Resource Information Systems, Group Health Insurance and Records Management, ensures that the mandates of the Division of Personnel are carried out, pursuant to the Title 3, Chapter 25, Virgin Islands Code. This Unit strives to provide fair, consistent and timely human resource services to GVI employees and the public. The orchestrated effort of these Units ensures the continued progression of the Division.

## Activity 22010 Recruitment and Classification

### Functional Statement

The Recruitment and Classification Unit recruits the most qualified candidates for approximately one thousand three hundred (1,300) position classes within government service. This Unit processes applications, conducts interviews and qualification evaluations, administers examinations, and conducts job evaluations to determine proper grade levels. This Unit also determines the proper classification of positions, establishes or deletes position classes, and reallocates positions to the proper classification within the Personnel Merit System.

## Activity 22040 Training

### Functional Statement

The Training and Development Unit provides quality training and development to enhance the knowledge and skills of the Executive Branch workforce. The Unit provides training and development activities in various soft-skills topics such as customer service, interpersonal communication, conflict management, teamwork, and time-management. Further, the Unit orients employees to workplace policies, such as sexual harassment, and job-specific skills, such as management and human resources and training in relevant software programs as required by our clients.

# Virgin Islands Territorial Emergency Management Agency

**ORGANIZATION TYPE:** Enforcement and Regulatory

## Mission Statement

To prepare for, coordinate the response to and the recovery from all hazards and threats that impact the Virgin Islands.

## Scope and Overview

It is the policy of the Government of the Virgin Islands and the mandate of the Virgin Islands Territorial Emergency Agency (VITEMA) to ensure and provide clear direction, coordination and support to all agencies directly and indirectly involved in the preparedness and response readiness of the entire territory, including efficient distribution of all federal assets made available as well as for training personnel in all aspects of emergency management. It is the responsibility of VITEMA to establish standards and procedures for addressing threats to homeland security and to coordinate with other agencies for the protection of life, public health, property and infrastructure in the event of terrorist attacks, natural disasters and man-made incidents.

## Activity 23010 Operations

### Functional Statement

The Operations Division coordinates response and recovery activities while maintaining a manageable span of control of the Territory's available resources. The Division manages operations directed toward reducing the risk to lives and property from all hazards prior to, during, and after any emergency incident in addition to establishing situational control and restoring normal conditions. The Division is also responsible for processing and disseminating intelligence data to all law enforcement entities that assist with surveillance of major crimes. Further, the Division is tasked with operating and maintaining the necessary equipment to communicate to Police, Fire, Emergency Medical Services, Rescue, and all other governmental agencies, local and federal.

## Activity 23020 Grants Management

### Functional Statement

The Grants Management Unit reviews grant applications and monitors grant awards to ensure that the obligation and expenditure of federal funds are in compliance with the administrative requirements, OMB cost principles, grant terms and conditions, and with the grant agreement in general. This unit also prepares the financial plan (budget), draws direct and indirect costs, files financial and other reports as required, and completes the closeout of all grants.

## Activity 23030 Preparedness

### Functional Statement

The Preparedness Division prepares the Territory's private, public, and non-governmental organizations to protect lives and property from all hazards through planning, training, exercising, and educating. The Preparedness Division provides citizens with the tools to make informed decisions to respond to and recover from any hazard that may threaten their lives and property.

## Virgin Islands Territorial Emergency Management Agency (VITEMA) – Federal CFDA

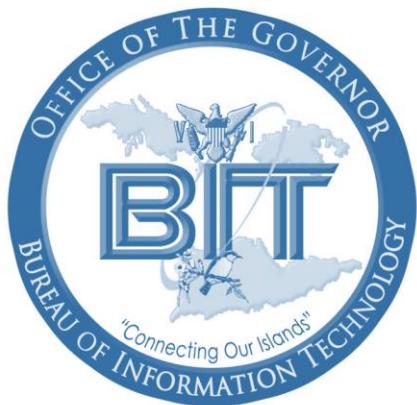

**Meteorologic and Hydrologic Modernization Development (CFDA No. 11.467)** is to maintain a cooperative university and Federal partnerships to conduct meteorological training, education, professional development, and research and development on issues common to the hydro meteorological community. The FY 2018 projected award is approximately **\$336,892**.

**Emergency Management Performance Grants (CFDA No. 97.042)** provide resources to assist state, local, tribal and territorial governments in preparing for all hazards, as authorized by Section 662 of the Post Katrina Emergency Management Reform Act (6 U.S.C § 762) and the Robert T. Stafford Disaster Relief and Emergency Assistance Act, as amended (42 U.S.C. §§ 5121 et seq.). Title VI of the Stafford Act authorizes FEMA to make grants for the purpose of providing a system of emergency preparedness for the protection of life and property in the United States from hazards and to vest responsibility for emergency preparedness jointly in the federal government and the states and their political subdivisions. The FY 2018 projected award is approximately **\$941,140**.

**Pre-Disaster Mitigation (CFDA No. 97.047)** provide funding support to states, Indian tribal governments, territories, and communities for pre-disaster mitigation planning and projects primarily addressing natural hazards. This program promotes implementation of activities designed to reduce injuries, loss of life, and damage and destruction to property from natural hazards which is consistent with DHS QHSR Goal 5.1, “Mitigate Hazards” and links to Presidential Policy Directive (PPD-8) - National Preparedness, Security, Resilience, Prevention, Mitigation, Response, Protection, and Recovery. The FY 2018 projected award is approximately **\$6,829,010**.

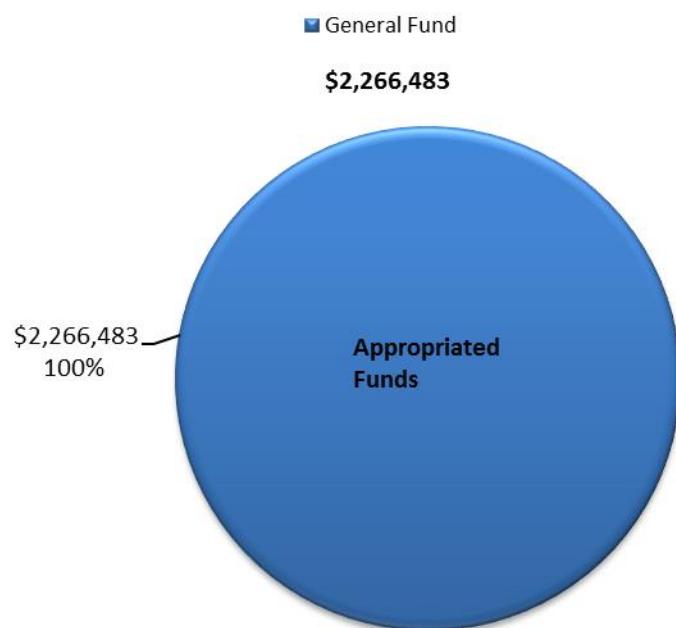

**Homeland Security Grant Program (CFDA No. 97.067)** provides grant funding to assist state and local governments in obtaining the resources required to support the National Preparedness Goal’s (NPG’s) associated mission areas and core capabilities. FY 2016 HSGP provides funding directly to eligible tribes to help strengthen the nation against risks associated with potential terrorist attacks. The FY 2018 projected award is approximately **\$854,140**.

# BUREAU OF INFORMATION TECHNOLOGY

**Bureau of Information Technology**

## Bureau Information Technology

**ORGANIZATION TYPE:** Administrative

### Mission Statement

The mission of the Bureau of Information Technology (BIT) is to continuously improve and optimize service delivery and constituency participation through e-government; to develop and use information and communication technologies to establish long-term, organization-wide strategies which consistently improve operations and permit efficient and swift delivery of goods and services to citizens; to business partners, government employees and agencies of the Government of the Virgin Islands.

### Scope and Overview

The Bureau is responsible for the development of a comprehensive technology strategy in accordance with Act 6634, Section 49 of the Virgin Islands Code. This includes programming and policies to support and promote the automation or computerization of existing paper-based procedures as a means to facilitate new leadership styles, decision making strategies, use of innovative information technologies for conducting business and new ways of listening to businesses and citizens. It is the Bureau's aim to enhance access to and delivery of government services, to augment effective governance, to increase transparency and to improve the management of the territory's social and economic resources via improved e-government.

The implementation of innovative information technology will evidence cutting edge improvements to delivery of services between Government and Citizen, Government and Business partners, Government and Employee and Government and Government. , increase worker productivity, improve governmental services to the public as well as demonstrate more effective use of management tools. The Comprehensive Technology Strategy should include the intended development of territorial data centers, on-going training of information management personnel, enhanced office automation to include augmented use of personal computing and electronic mail; improved data communication systems and in tandem technical applications. These requirements are in sync with the Bureau's mission and assist the advancement of e-government in a competitive era where technology evolves rapidly at national and global levels.

## VIRGIN ISLANDS ENERGY OFFICE

Virgin Islands Energy Office

## Virgin Islands Energy Office

**ORGANIZATIONAL TYPE:** Policy/Service

### Mission Statement

The mission of the Virgin Islands Energy Office is to promote sustainable energy policies in the Virgin Islands and encompasses energy production, distribution and consumption through training, outreach, financial incentives, and technical assistance.

### Scope and Overview

The Virgin Islands Energy Office (VIEO) was established by Executive Order 182-1974 to devise and execute energy policy. The VIEO establishes, monitors, and coordinates the integration of policies relating to conservation, use, control, distribution, and allocation of energy with respect to all energy matters. The VIEO is also the state-designated agency for the planning, implementation, oversight, and administration of federal funds to include the State Energy Program (SEP), the Weatherization Assistance Program (WAP), the Stripper Well Expenditure Plan, and the energy programs of the American Recovery and Reinvestment Act (ARRA) of 2009.

## Virgin Islands Energy Office – Federal CFDA

The State Energy Program (CFDA 81.041) seeks to increase market transformation of energy efficiency and renewable energy technologies through policies, strategies, and public-private partnerships that facilitate their adoption and implementation. The Program anticipates receiving \$214,060 in FY 2018 to continue fulfilling its objectives.

The Weatherization Assistance for Low-Income Persons Grant Award (81.042), aims to improve home energy efficiency for low-income families through the most cost-effective measures possible. In FY 2018, the program projects to receive \$224,376 in federal awards.

# OFFICE OF THE ADJUTANT GENERAL

Administrative Services  
Maintenance  
Security

## Office of the Adjutant General

**Organization Type:** Service

### Mission Statement

The mission of the Office of the Adjutant General is to plan, coordinate and implement support of Territorial responders to natural and man-made disasters, civil disturbances, foreign and domestic threats and Weapons of Mass Destruction (WMD).

### Scope and Overview

The Office of the Adjutant General (OTAG) was organized by Executive Order No. 304-1987. OTAG's revised structure consists of three (3) divisions: the Administrative Services Division, the Maintenance Division, and the Security Division. Each division of OTAG develops and implements policies and procedures to support the key strategic objectives of the V.I. National Guard (VING) while conducting its federal and local mission. There are three (3) collective performance goals: (1) to promote operational effectiveness; (2) to have a safe and secure Territory through effective and efficient preparedness; and (3) to build a comprehensive territorial support capability for responding to all threats.

SERVING THOSE WHO SERVED

# OFFICE OF VETERANS AFFAIRS

## Veterans Affairs

## Office of Veterans Affairs

**ORGANIZATION TYPE:** Service

### Mission Statement

The mission of the Office of Veterans Affairs is to provide information and services to all Veterans, regarding benefits and entitlements, in collaboration with the United States and the Virgin Islands Government.

### Scope and Overview

On March 10, 1955, the First Legislature of the Virgin Islands created the Division of Veterans Affairs within the Department of Labor with the enactment of Bill No. 21, Act No. 8. It was renamed the Office of Veterans Affairs and placed under the Office of the Governor by Act No. 5265, the Government Reorganization and Consolidation Act of 1987, and by Executive Order No. 295-1987.

## Activity 29000      Office of Veterans Affairs

### Functional Statement

The Office of Veterans Affairs compiles data concerning veterans; informs USVI veterans of available benefits regarding employment, health, education, homeownership and burial, and assists with processing and filing related claims. The Office of Veterans' Affairs also interacts and coordinates with local and federal agencies regarding matters of interest to veterans. Additionally, the Office recommends legislation to the Governor affecting veterans and their families.

## Office of the Lieutenant Governor

**ORGANIZATION TYPE:** Administrative and Regulatory

### Mission Statement

The mission of the Office of the Lieutenant Governor is to regulate financial institutions, assess and collect taxes, and process documents.

### Scope and Overview

The Office of the Lieutenant Governor is committed to fulfilling its regulatory responsibility of monitoring the activities of banks, insurance companies, and other financial institutions operating in the Territory; processing requests for Articles of Incorporation, insurance licenses, and recording deeds; and assessing all Real Property Taxes in a courteous, professional, efficient and timely manner, in order to increase the collection of taxes and fees for the Government of the United States Virgin Islands.

The Lieutenant Governor is the Secretary of State, the Chairman of the Banking Board, and the Commissioner of Insurance. He has direct responsibility for five (5) major divisions and three (3) subdivisions within the Office of the Lieutenant Governor. The five (5) divisions are Administration and Financial Management, Banking and Insurance, Real Property Tax, Recorder of Deeds and Corporation and Trademarks. The three (3) subdivisions are V.I. Passport Acceptance Facility, Notary, and Virgin Islands State Health Insurance Assistance Program (VI SHIP/Medicare).

The Division of Administration and Financial Management provides administrative support and oversees the daily administrative requirements of the other divisions. This Division also regulates the Passport and Notary Services. The Passport Subdivision is charged with the responsibility of accepting all applications for passports filed in the Territory for the United States Department of State (Passport Services). Additionally, all requests for notary certifications are processed and recorded in the Administrative Office of the Lieutenant Governor.

The functions and duties of the Banking Board are described in Title 9 of the Virgin Islands Code. The Lieutenant Governor is the ex-officio Chairman of the Board, which regulates and supervises domestic and foreign banking institutions and small loan companies operating in the Territory. The Board has the responsibility to promulgate and enforce laws, rules, and regulations, and ensure compliance with banking practices.

The functions and duties of the Insurance Division are found in Title 22, of the Virgin Islands Code. The Commissioner of Insurance has the authority to enforce the statutory provisions of this title, promulgate rules and regulations, and conduct investigations where violations may exist, hold hearings, and bring actions against violators in a court of law. Additionally, the Commissioner is responsible for licensing insurance companies, agents, and brokers, as well as examining records of companies and agents, and has the authority to revoke licenses for cause. Finally, the Commissioner is responsible for the review of products offered by companies and for the administration of qualifying exams to agents and brokers.

The V.I. Ship Program is a subdivision of the Division of Banking and Insurance. The Office of the Lieutenant Governor was awarded a Federal grant from the U. S. Department of Health and Human Services to operate health insurance counseling and assistance services applicable to Medicare, Medigap, Long Term Care Insurance, and other health insurance benefits.

Title 33, Sections 2363 and 2402 of the Virgin Islands Code authorizes the Governor to appoint a Tax Assessor attached to the Office of the Lieutenant Governor, who shall perform functions and duties under the supervision of the Lieutenant Governor. The Office of the Tax Assessor is charged with the responsibility and authority for assessing

and taxing all real property in the Virgin Islands. Act No. 6976 transferred the duties ancillary to the collection of real property taxes and public sewer fees from the Department of Finance to the Office of the Lieutenant Governor.

The Recorder of Deeds acts as a custodian of all legal instruments relative to real and personal properties; and within the St. Thomas-St. John and St. Croix Districts, performs functions outlined in Title 33, Section 2362 and Title 28, Chapters 7 and 33 of the Virgin Islands Code, as well as Title 11a of the Uniform Commercial Code. Title 33, Section 124, Virgin Islands Code, sets guidelines for the sale of Internal Revenue Stamps by the Recorder of Deeds. All revenue collections carried out by the Recorder of Deeds Office are in accordance with the law, and are reported on monthly.

Title 13, Title 11, Chapter 21, Title 11A, Title 14, Section 611, and Title 26 of the Virgin Islands Code govern the functions and administration of the Division of Corporation and Trademarks. This Division processes registration/applications for all business entities and issues "Certificates of Good Standing". Businesses required to register include domestic, exempt, foreign, foreign sales, Virgin Islands foreign sales, cooperative and nonprofit corporations, domestic and foreign limited liability partnerships, limited liability partnerships; domestic and foreign limited liability companies; and federally registered trademarks.

## Activity 30000 Administration

### Functional Statement

The Administration Division oversees the daily operations of the Office of the Lieutenant Governor, which is comprised of four (4) other divisions. It facilitates the procurement of goods and services, centralizes the maintenance of all personnel, time and attendance activities and financial records. In addition, this division is responsible for administration and regulation of the passport and notary process.

## Bureau of Internal Revenue

**ORGANIZATION TYPE:** Administrative

### Mission Statement

Our mission is to administer and enforce the internal revenue tax laws of the Virgin Islands.

### Scope and Overview

Title 33 Section 680 of the Virgin Islands Code creates the Virgin Islands Bureau of Internal Revenue as a separate independent agency of the Government of the United States Virgin Islands, which, for budgetary purposes only, shall be included under the Office of the Governor.

The Bureau shall have the power and it shall be its duty to:

1. Administer and enforce the laws of imposing corporate and individual income taxes, gross receipts, trade and excise, production taxes, gift taxes, highway users' taxes, hotel occupancy taxes, inheritance taxes, fuel taxes, miscellaneous excise taxes, and all laws relating thereto;
2. Take such steps as may be necessary and lawful to fully enforce and collect the tax revenues owed the Government of the United States Virgin Islands;
3. Employ personnel, on contract and subject to laws applicable to the Virgin Islands Personnel Merit System, to assist in carrying out its powers and duties;
4. Provide for the collection of a surety bond from each employee of the Bureau who is required to certify, disburse, or handle public monies;
5. Promulgate, pursuant to Virgin Islands law, such rules and regulations as may be necessary to carry out the provisions of this chapter;
6. Report from time to time, but not less than once annually, to the Governor and the Legislature on the operations of the Bureau, and recommend changes in existing law that would assist the Bureau in efficient tax collection;
7. By the fifteenth calendar day after the last day of each month, report to the Governor, the Legislature, the Commissioner of Finance and the Director of the Office of Management and Budget the total revenues collected for such month and the tax categories under which the revenues were collected;
8. Perform such other duties as may be assigned by law;
9. Restructure and create, in accordance with existing law, such divisions and units within the Bureau as the Director deems necessary for the proper administration of the Bureau; and
10. Report to the Commissioner of Licensing and Consumer Affairs any instance in which a person, corporation, or association licensed to do business in the Virgin Islands has willfully claimed an exemption from any excise tax, gross receipts tax, or customs duty, knowing such claim to be false.

The Bureau was created in August 1980 by Act No. 4473, and was later amended by Act No. 4479 in September of the same year. The Bureau is a separate independent agency of the Government of the Virgin Islands. By law, the supervision of the Bureau is vested in a Director and two Deputy Directors. Department Chiefs head the various sections of the organization. The primary divisions of the Bureau are: Processing, Audit, and Collections. A department chief also heads the following offices that are located within the Director's Office: Criminal Investigation Division, Legal Counsel's Office, Reviewer/Conferee, and Computer Operations.

In addition to the above displayed major divisions within the Bureau, the Director's Office also includes the Business Office, Human Resources Office, and Disclosure Office.

The **Director's Office** provides for the overall operations of the Bureau, including the administration and enforcement of the tax laws, technical assistance and training, the procurement of goods and services, hiring personnel, formulation and management of the annual budget priorities, filing of US Claims and disclosure protections. Policy decisions are made in this office, along with any necessary review and interpretation of the tax laws. The Director's Office is comprised of the following offices: Federal Disclosure Unit, Human Resources Office, Legal Counsel Office, Business Office, Reviewer/Conferee, Criminal Investigation Division and Computer Operations.

The **Processing and Accounts Branch** is the service center of the Bureau. This branch is responsible for processing all tax returns; collecting, depositing and recording all tax revenue; making assessments and issuing bills for taxes due; responding to taxpayer inquiries; and providing clearance services at the ports of entry.

The **Audit Branch** is tasked with conducting office and field examinations of tax returns. This division also is responsible for implementing the annual Taxpayer Assistance Program, which provides assistance in completing income tax returns.

The **Delinquent Accounts and Returns Branch** is charged with securing delinquent tax returns and collecting outstanding tax liabilities. The branch is responsible for protecting the interest of the government utilizing the

## Activity 34000 Director's Office

### Functional Statement

The Director's Office is responsible for the overall operation of the V.I. Bureau of Internal Revenue and administering and enforcing Internal Revenue Tax Laws of the United States Virgin Islands. Policy decisions, rulings, and interpretations of Internal Revenue Tax Laws are made in this Office. The Office of Chief Counsel, the Criminal Investigation Division, the Reviewer/Conferee, and the Federal Disclosure Units are all part of the Director's Office. This branch enforces taxpayer compliance through the issuance of press releases to the public, and enforcement through the Criminal Division office.

## Bureau of Motor Vehicles

### ORGANIZATIONAL TYPE: Service

#### Mission Statement

To deliver coordinated customer services to the motoring public that contributes to a safer community.

#### Scope and Overview

The Bureau of Motor Vehicles (BMV) was established under Title 3, Virgin Islands Code as amended. The BMV is primarily charged with the administration of laws and collection of fees from the operation and licensing of motor vehicles. Act No. 6761, Bill No. 26-0025, identifies two statutory responsibilities that comprise the two divisions of the BMV:

- Administrative Support Services Division: Is comprised of the Office of the Director and support staff.
- Customer Services Division: Consists of Drivers' Licensing and Identification, Registration and Inspection and the Records Management and Information Systems sections.

The primary emphasis of the BMV is the provision of basic customer services to the motoring public relevant to the issuance and renewal of driver licenses, vehicle registration, certificate of title and other miscellaneous functions. For these services, the BMV collects fees which are deposited into the Treasury of the Government of the United States Virgin Island.

## Department of Labor

**ORGANIZATION TYPE:** Service, Regulatory, and Social

### Mission Statement

To administer a system of effective programs and services designed to develop, protect and maintain a viable workforce.

### Scope and Overview

The Virgin Islands Department of Labor (VIDOL) receives its authority pursuant to Titles 3, 24, 27 & 29 of the Virgin Islands Code, the Workforce Investment Act of 1998, the OSHA Act of 1970, and other Federal laws which require development of administrative structures that govern and enforce fair labor standards and protect the people of the Virgin Islands from any threat to health, morals, and general welfare. Executive Order No. 309-1989 defines the organizational structure of VIDOL and requires the following divisions/units: Occupational Safety and Health; Workers' Compensation; Labor Relations; Hearing and Appeals; Job Service; Training; Unemployment Insurance; Bureau of Labor Statistics; Planning, Research and Monitoring; and Administration.

## Activity 37210 Apprenticeship and Training

### Functional Statement

The Apprenticeship and Training activity center, pursuant to Chapter 10, Title 24, V.I. Code, develops, implements, certifies and monitors apprenticeships and on-the-job training programs throughout the Territory. This legislative mandate requires cooperation with private sector employers, the Department of Labor and V.I. Government in the development of cooperative training opportunities for residents in the trades and technical fields.

## Activity 37220 Youth Employment

### Functional Statement

Youth Employment programs are designed to prepare youth for future careers. Programs offer assessment of academic and skill levels, identify employment goals, address employment barriers, train clients for life and vocational readiness, provide work experience and enhance computer literacy.

During FY 2016 750 youth in the territory received summer work experience. Youth participated in paid work experiences, career explorations programs, workshops, internships and entrepreneurial training (610 youth placed in a paid work experience and 140 youth participated in the Career Exploration programs).

## Activity 37700 Labor Statistics

### Functional Statement

The Labor Statistics unit is responsible for the collection, analysis and publication of statistics on wages, working hours, labor conditions and cost of living increases. It is also responsible for developing and implementing technical systems and procedures to provide a comprehensive labor market information program to manpower policy of planning and administration.

BLS published projections for industry and occupational employment out to 2017 period; updated Labor Market portal with occupational employment wages for the Virgin Islands; and completed occupational statistics and injury statistics for the 2015 cycle. These publications are available on our website at [www.vidol.gov](http://www.vidol.gov) as well as other publications and statistical reports produced by the BLS.

In May 2016 the Virgin Islands Department of Labor established a hyperlink from [www.vidol.gov](http://www.vidol.gov) to the Virgin Islands Electronic Systems or "VIEWS," [www.vidolviews.org](http://www.vidolviews.org). The hyperlink is a recruitment tool which invites Virgin Islanders living abroad who may be interested in returning home to begin the process by submitting their resume to VIEWS. This hyperlink allows the user to submit their resumes online, making it available to EDC beneficiary employers as well as all of the employers participating in the system.

## Activity 37810 Planning, Research & Monitoring

### Functional Statement

The Planning, Research and Monitoring (PRM) Unit safeguards federal and local funding and ensures that programs administered by the Department of Labor adhere to federal and local guidelines. The PRM Unit teams up with the Economic Development Commission (EDC) to monitor EDC beneficiaries. The Unit closely monitors training providers and programs to make certain clients receive the workforce training they deserve, and that providers are given the placement percentages.

## Department of Labor – Federal CFDA

**The Labor Force Statistics grant (CFDA 17.002)** provides, analyzes, and publishes statistical data on payroll employment and the civilian labor force, employment and unemployment, persons not in the labor force, labor demand and turnover, wages, hours, earnings, occupational employment, time use, and employment projections. Data are for the nation, states, metropolitan areas, and counties. Data can be monthly, quarterly, or annual. For FY 2018, the program projects to receive **\$363,473**.

**The Compensation and Working Conditions grant (CFDA 17.005)** provides, analyzes, and publishes a diverse set of measures of employee compensation, including cost, wages, and benefits and work-related injuries, illnesses, and fatalities, compile work stoppages statistics, and conduct research to improve the measurement process. For FY 2018, the program anticipates receiving **\$52,200** in federal funds.

**The Employment Service/Wagner-Peyser Funded Activities grant (CFDA 17.207)** brings together individuals looking for employment and employers looking for job seekers. It does this by providing a variety of services, which are available to all individuals. The program provides Job seekers with career services, including labor exchange services, job search assistance, workforce information, referrals to employment, and other assistance. The FY 2018 projection for federal award is **\$1,384,499**.

**The Unemployment Insurance (CFDA 17.225)** oversees unemployment insurance programs for eligible workers through federal and state cooperation, including unemployment compensation for federal employees or ex-service members, Disaster Unemployment Assistance, and to assist in the oversight of Trade Adjustment Assistance and Alternative Trade Adjustment Assistance, and Reemployment Trade Adjustment Assistance programs. For FY 2018, the program anticipates receiving **\$1,887,437** in federal awards.

**The Workforce Innovation and Opportunity Act WIOA (CFDA 17.258)** serves individuals and helps employers meet their workforce needs. It enables workers to obtain good jobs by providing them with job search assistance and training opportunities. The Adult Program is one of the six core programs authorized by Title I of the Workforce Innovation and Opportunity Act (WIOA). For FY 2018 the program anticipates receiving **\$554,380** in federal funds.

**The WIA/WIOA Youth Activities (CFDA 17.259)** helps low income youth, between the ages of 14 and 24, acquire the educational and occupational skills, training, and support needed to achieve academic and employment success and successfully transition into careers and productive adulthood. The FY 2018 projection for federal awards is **\$526,016**.

**The WIA/WIOA Dislocated Worker Formula Grants (CFDA 17.278)** helps dislocated workers become reemployed. It provides them with job search assistance, career services, and/or training that builds their skills to meet labor market needs. Dislocated Worker services are targeted for workers who are unemployed and have lost a job through no fault of their own, or who have exhausted their Unemployment Compensation. For FY 2018 the program projects receiving **\$1,135,416** in federal awards.

**The Occupational Safety and Health State Program grant (CFDA 17.503)** funds federally approved comprehensive State occupational safety and health programs that are "at least as effective" as the Federal program. For FY 2018 the program anticipates receiving **\$195,700** in federal funds.

**The Disabled Veterans' Outreach Program (CFDA 17.801)** provides individualized career services to meet the employment needs of disabled and other eligible veterans identified by the Secretary of Labor with maximum emphasis in meeting the employment needs of those who are economically or educationally disadvantaged, particularly for veterans with significant barriers to employment. The FY 2018 projection for federal awards is **\$117,871**.

## Department of Licensing and Consumer Affairs

### **ORGANIZATIONAL TYPE:** Policy/Service

#### Mission Statement

The mission of the Department of Licensing and Consumer Affairs (DLCA) is to review applications and issue business licenses in a timely manner, assist and protect consumers, and insure that all persons comply with the licensing and consumer protection laws of the Virgin Islands.

#### Scope and Overview

The Department of Licensing and Consumer Affairs (DLCA) provides and administers consumer services and programs pursuant to Title 3, Chapter 13 and the Consumer Protection Law of 1973, as set forth in Title 12A of the Virgin Islands Code. DLCA is charged with establishing, administering, coordinating and supervising the regulation and licensing of private business and professions. The Department also ensures that no person shall engage in any deceptive or unconscionable trade practice involving any consumer goods or services, or in the collection of consumer debts. The department also coordinates with other agencies and boards and commissions in the licensing of professions and occupations as provided for the Consumer Protection Law and Title 27 of the V.I. Code.

## PUBLIC SERVICES COMMISSION

■ Public Services Commission Revolving Fund   ■ Dock Spec. & Lifeline Link  
\$2,782,807

## Public Service Commission

### **ORGANIZATIONAL TYPE:** Policy

#### Mission Statement

To regulate all public utilities operating in the territory to ensure a fair and reasonable rate of return while providing the rate payers with the highest quality service in a safe, consistent and efficient manner.

#### Scope and Overview

The Public Services Commission (PSC) is a regulatory agency with a broad mandate to ensure that all Virgin Islanders have access to reliable public utility services. The Commission addresses issues of consumer protection, such as, renewable and alternative energy; telecommunications services; efficient provision of public marine transportation between the islands; reasonable solid waste and wastewater disposal user rates.

Pursuant to Virgin Islands law, the Commission is composed of nine (9) members. A total of seven (7) voting members are appointed by the Governor and confirmed by the Legislature. Commissioners serve three-year terms as provided in Chapter 30 Virgin Islands Code. The Senate President appoints two (2) non-voting senators to the Commission, representing both the St. Thomas/St. John District and the St. Croix District. Representatives are equally divided throughout the Territory with three (3) representatives residing on St. Thomas, three (3) representatives residing on St. Croix and one (1) representative residing on St. John. The law also requires annual elections for the position of chair and vice chair. Unlike commissioners in the United States, the Virgin Islands PSC serves on a volunteer basis. Majority of the voting commissioners constitutes a quorum, and the Commission cannot take formal action in the absence of a quorum.

## Org 38000 Public Service Commission

### **Functional Statement**

The Public Service Commission regulates: electric power service, water supply service, except retail deliveries; telephone service, public marine passenger transportation services operating under a government grant of exclusive franchise; cable television service, with limitations; and waste management services. It ensures that consumers receive safe and reliable utility service at reasonable rates, with the least adverse effect on the environment.

- **Activity 38000 is reported under the Department of Licensing and Consumer Affairs**

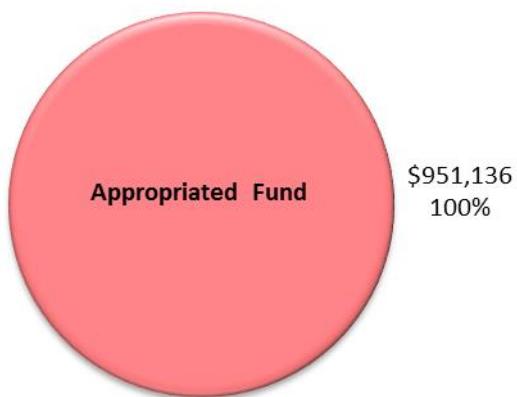

## TAXICAB COMMISSION

■ Taxi License Fund

\$951,136

## Taxicab Commission

**Organizational Type:** Service/Enforcement

### Mission Statement

The mission of the Virgin Islands Taxicab Commission is to oversee the operation of vehicles for hire through regulation, education and enforcement of the laws, rules and regulations governing the Taxicab Industry and to ensure the delivery of transportation services that will enhance our tourism product, customer experience, and serve the local community through courteous, respectful, and knowledgeable operators in a cost effective manner.

### Scope and Overview

The Virgin Islands Taxicab Commission is charged with the responsibility of regulating the automobile-for-hire industry which includes taxis and tour operators. In order to execute these responsibilities safely, the Agency must improve operational efficiency and effectiveness by educating industry operators and consumers. Achievement of organizational goals necessitate: a) updating the Rules and Regulations Handbook for all automobile-for-hire operators and b) implementation of "United In Pride and Hope"; a professional development program designed for the benefit of all first-time industry operators and all other industry operators interested in service improvement.

# Department of Property and Procurement

**ORGANIZATIONAL TYPE:** Service

## Mission Statement

The mission of the Department of Property and Procurement, as mandated by the Virgin Islands Code, is to administer a procurement system that is conducted efficiently, accurately, and fairly. This manner and quality of conduct extend to the Department's responsibilities in the areas of Property Management, Transportation Services, Warehousing and Supply Distribution, and Printing Production.

## Scope and Overview

The Department of Property and Procurement, formerly the Department of Insular Affairs, operates pursuant to Title 3 of the Virgin Islands Code Annotated Sections 212-221, Title 31, Sections 151-169, Sections 231-251 and 281-283, and all other corresponding Virgin Islands Rules and Regulations. While administering a procurement system that is fair, the Department must also exercise general control and enforcement of the laws and regulations governing the procurement and acquisition of government property, disposition of real and personal property, review of construction and professional services contracts, purchase and maintenance of the Virgin Islands Government's vehicle fleet, sale of supplies and gasoline coupons to other departments, inventory and warehousing activities, and operation of the government's Printing Office. Other support services to government Departments and Agencies pertaining to the procurement and supply services for all property and non-personal services is encompassed in Title 31, Chapter 23 of the Virgin Islands Code.

The Department is comprised of the following divisions: The Commissioner's Office, Management Information Systems, Fiscal & Personnel Services, Property & Printing, Procurement, Central Stores, and Transportation. The Divisions of Management Information Systems and Fiscal & Personnel Services fall under the auspices of the Commissioner's Office, and together they serve as supporting arms for the entire Department. In addition to its primary procurement functions, the Department of Property and Procurement has the authority, under the Virgin Islands Federal Emergency Response Plan, to administer two major emergency services: Transportation and Resource Management.

## Mission Statement

The mission of the Virgin Islands Department of Agriculture is to develop, support, and promote an economically lucrative agriculture industry in the U.S. Virgin Islands, while protecting consumers and the environment.

## Scope and Overview

The Virgin Islands Department of Agriculture (VIDOA) was created pursuant to Title 3, Chapter 17, Section 291. Act No. 5265 repealed this section and established the Department of Economic Development and Agriculture (ED & A). In 1995, Act No. 5265, as amended by Act No. 6070 abolished the Department of Economic Development and Agriculture and created two separate entities, The Department of Agriculture and the Department of Tourism.

## Activity 83010 Forest, Water and Soil Conservation

### Functional Statement

The Forestry Division coordinates forest resources and services and provide related technical support. The Urban and Community Forestry Assistance Project assists in managing forest reserves in conjunction with the Forest Stewardship Program.

## Activity 60248034 Marketing

### **Functional Statement**

Marketing Division links farmers to markets by assisting in identifying market outlets, negotiating prices and helping with the grading, storing and transporting of produce.

## Department of Agriculture – Federal CFDA

**Urban and Community Forestry Program (CFDA No. 10.675)** plan for, establish, manage and protect trees, forests, green spaces and related natural resources in and adjacent to cities and towns. The urban forestry program provides ecosystem services, social and economic benefits. It links these benefits to governmental, private and grassroots organizations and resources to improve the quality of life in these cities and towns. For FY 2018, the program anticipates receiving \$100,000 in federal awards.

**Forest Stewardship Program (CFDA No. 10.678)** promote and enable the long-term active management of non-industrial private and other non-federal forest land to sustain the multiple values and uses that depend on such lands. For FY 2018, the program anticipates receiving \$85,000 in federal awards.

**Forest Legacy Program (CFDA No. 16.676)** effectively protect and conserve environmentally important forest areas threatened by conversion to nonforest uses, through conservation easements or fee simple purchase. The Forest Legacy Program (FLP) is a voluntary private land conservation partnership between the Forest Service, participating States, land trusts, private landowners, and others. The Program works with State partners and operates on a willing seller and willing buyer basis and is completely nonregulatory in its approach. For FY 2018, the program anticipates receiving \$41,000 in federal awards.

**Plant and Animal Disease, Pest Control, and Animal Care (CFDA No. 10.025)** protect U.S. agriculture from economically injurious plant and animal diseases and pests, ensure the safety and potency of veterinary biologic, and ensure the humane treatment of animals. For FY 2018, the program anticipates receiving \$122,898 in federal awards.

**Specialty Crop Block Grant Program - Farm Bill (CFDA No. 10.170)** solely enhance the competitiveness of specialty crops defined as fruits and vegetables, dried fruit, tree nuts, horticulture, and nursery crops (including floriculture). Specialty Crop Multi-State Program (SCMP) - solely enhance the competitiveness of specialty crops by funding collaborative, multi-state projects on a competitive basis that address the following regional or national level specialty crop issues: food safety, plant pests and disease, research, crop-specific projects addressing common issues, and marketing. For FY 2018, the program anticipates receiving \$215,000 in federal awards.

## VIRGIN ISLANDS FIRE SERVICE

Fire Service STT/STJ/STX  
Administration  
Arson Prevention

**ORGANIZATION TYPES:** Service, Administrative and Regulatory**Mission Statement**

To provide the highest level of service and protection to the people of the Virgin Islands, through public education, rapid response, inspection and the elimination of fire hazards.

**Scope and Overview**

The Virgin Islands Fire Service, which was established in the Office of the Governor by Act 4206 in January of 1979, is dedicated to its mission "To protect Life and Property from Fire Related Hazards." The strategic goal of the agency is to protect life and property through rapid response, public education, inspections and operational efficiency. The Virgin Islands Fire Service has three main areas of operations: Emergency Operations (Suppression), Arson Investigation and Prevention (Prevention), and Administration.

## Activity 24010 Administration

### Functional Statement

The Administration Unit is responsible for effective administration of the Agency's financial resources, as well as for providing administrative support to all Fire personnel. In its effort to be fiscally proactive and responsible, the Unit continues to explore revenue-enhancing opportunities, such as grants to augment funds allocated from the General Fund. The Unit examines all departmental operations to ensure that resources are cost efficient.

To protect the life and property of all citizens of the Virgin Islands and to ensure a safe and secure environment.

## Scope and Overview

The VIPD was established in accordance with Title 3, Chapter 15, of the Virgin Islands Code. The Department is primarily charged with the enforcement of laws. Pursuant to Executive Order No. 312-1989, the Department is now organized into seven (7) divisions which are: Office of the Commissioner, Division of Police Operations – St. Thomas/Water Island, Division of Administration Support and Logistics, Division of Police Operations – St. Croix, Division of Highway Safety, Division of Training and Division of Police Operations – St. John.

The Department's primary emphasis is the provision of basic police services, specifically to maintain and increase police control, rapid response to incidents, calls for service, effective investigation, and solution of criminal acts and timely apprehension of criminal perpetrators.

The Law Enforcement Planning Commission (LEPC) is attached to the Office of the Commissioner; and per Act No. 6036, the Narcotics Strike Force was placed under the Virgin Islands Police Department for budgetary purposes only.

### Virgin Islands Police Department – Federal CFDA

The Public Safety Partnership and Community Policing Grants (CFDA 16.710) advance the practice of community policing as an effective strategy in communities' efforts to improve public safety. There is no projection of award for FY 2018, however, the carryforward balance of \$1,703,984 will be utilized in FY 2018 to support Personnel of \$622,005 and Fringe Benefits of \$302,629.

The Motor Carrier Safety Assistance (CFDA 20.218) is a formula grant program that provides financial assistance to States to reduce the number and severity of accidents and hazardous materials incidents involving commercial motor vehicles (CMV). For FY 2018, the Program anticipates receiving \$350,000.

State and Community Highway Safety (CFDA 20.600) provides a coordinated national highway safety program to reduce traffic crashes, deaths, injuries, and property damage. In FY 2018, the Program projects to receive \$1,123,443.

# LAW ENFORCEMENT PLANNING COMMISSION

## Law Enforcement Planning Commission

**ORGANIZATIONAL TYPE:** Regulatory

### Scope and Overview

The Virgin Islands Law Enforcement Planning Commission (LEPC) was established as an agency of the Government of the United States Virgin Islands, within the Virgin Islands Police Department for budgetary purposes only, subject to the jurisdiction of the Governor, and is charged with and empowered to carry out the functions and responsibilities provided for under the provisions of the Omnibus Crime Control and Safe Streets Act of 1968, the Juvenile Justice and Delinquency Prevention Act of 1974 and all acts amendatory of and supplementary thereto.

LEPC confronts criminal and delinquent activities before they escalate, and the head of the agency is empowered to advise and assist the Governor in developing policies and programs for improving the coordination, administration and effectiveness of the Criminal Justice System in the Virgin Islands. LEPC is able to accomplish its objectives by working in conjunction with a number of Government agencies, non-profit organizations, and faith-based entities.

## Law Enforcement Planning Commission (LEPC) – CFDA

**Residential Substance Abuse Treatment for State Prisoners (RSAT) 16.593** for State Prisoners Program helps states and local governments to develop and implement substance abuse treatment programs in state and local correctional and detention facilities and to create and maintain community-based aftercare services for offenders. For FY 2018, the program anticipates receiving \$43,606 in federal awards.

**Violence Against Women Formula Grant (16.588)** assist States, Indian tribal governments, tribal courts, State and local courts, and units of local government to develop and strengthen effective law enforcement and prosecution strategies to combat violent crimes against women, and develop and strengthen victim services in cases involving crimes against women. The Program encourages the development and implementation of effective, victim-centered law enforcement, prosecution, and court strategies to address violent crimes against women and the development and enhancement of victim services in cases involving violent crimes against women. For FY 2018, the program anticipates receiving \$637,570 in federal awards.

**Edward Byrne Memorial Justice Assistance Grant Program (JAG) (16.738)** funds support all components of the criminal justice system from multijurisdictional drug and gang task forces to crime prevention and domestic violence programs, courts, corrections, treatment, and justice information sharing initiatives. JAG funded projects may address crime through the provision of services directly to individuals and/or communities and by improving the effectiveness and efficiency of criminal justice systems, processes, and procedures. For FY 2018, the program anticipates receiving \$655,876 in federal awards.

**Crime Victims Assistance (16.575)** provides an annual grant from the Crime Victims Fund to each State and eligible territory for the financial support of services to crime victims by eligible crime victim assistance programs. For FY 2018, the program anticipates receiving \$1,197,986 in federal awards.

**The Prison Rape Elimination Act (PREA) (16.735)** Program provides funding to states, units of local government, and federally-recognized Indian tribes for demonstration projects within confinement settings, including adult prisons and jails, juvenile facilities, community corrections facilities, law enforcement lockups and other temporary holding facilities, and tribal detention facilities. The goal of this program is to assist correctional facilities in implementing comprehensive prevention, identification, and response mechanisms that will reduce the incidence of sexual abuse in confinement facilities; promote a culture of “zero tolerance” toward sexual abuse; and support facilities’ efforts to achieve compliance with the PREA standards. For FY 2018, the program anticipates receiving \$34,363 in federal awards.

# Department of Planning and Natural Resources

## **ORGANIZATION TYPE:** Regulatory

### Mission Statement

The mission of the Department of Planning and Natural Resources is to protect, maintain, and manage the natural and cultural resources of the Virgin Islands through proper coordination of economic and structural development with local, federal, and non-governmental organizations, for the benefit of present and future generations that they will live safer, fuller lives in harmony with their environment and cultural heritage.

### Scope and Overview

The Department of Planning and Natural Resources was established by Act No. 5265 signed into law June 24, 1987. It administers and enforces all laws pertaining to the preservation of fish and wildlife, trees and vegetation, and water resources, including the protection of safe drinking water, air, water pollution, oil pollution, flood control, sewers and sewage disposal. The Department also monitors and regulates compliance for mineral and other natural resources, in addition to preservation of the archaeological, architectural, cultural and historical resources. Additionally, it administers and requires adherence to laws pertaining to growth and development in the coastal zone, coastal lands and offshore islands and cays. It also oversees the compliance of boat registration; mooring and anchoring of vessels within the territorial waters; land survey and land sub-division; development and building permits and code enforcement; earth change permits in the first and second tiers; and zoning administration.

The Department is also responsible for formulating long-range comprehensive and functional development plans for the human, economic and physical resources of the Territory. It is also authorized to promote, support, implement, maintain, and coordinate library information services and museums on a territory-wide basis. In addition, it has to preserve the archives of the Virgin Islands, in conjunction with the official Archive Council, and record other items having sufficient historical value for the educational, social, economic, physical and cultural well-being of the Territory.

## Activity 80130 Enforcement

### Functional Statement

Enforcement serves as the obligatory arm of the Department. Its primary function is to enforce all environmental, boating safety, and permitting laws of the United States Virgin Islands and to protect, conserve, and preserve the natural resources of the Territory. Its secondary functions are to support the philosophy of "zero tolerance" to illegal drugs by assisting when called upon by federal and local enforcement agencies to participate in joint initiatives aimed at eradicating illegal drugs within the USVI borders; the enforcement of Homeland Security duties through land and marine patrols focused at preventing terrorist attacks aimed at crippling the Territory's economy; and the enforcement of federal fisheries laws as stipulated in the "Joint Enforcement Agreement".

## Activity 80200/80210/80220 Permits Administration STT/STJ/STX and Permits Inspection

### Functional Statement

The Permits Inspection Unit reviews and issues various types of permits: building, plumbing, electrical, demolition, mechanical, and occupancy for the construction of new or existing residential, commercial, or any other type of structure that will be occupied or used by an individual, family, or group. It also inspects all construction activity throughout the Territory to ensure minimum local and national building code compliance.

## Activity 80400 The Coastal Zone Management

### Functional Statement

The Coastal Zone Management (CZM) Program, pursuant to Act No. 4248, Title 12, Chapter 21, Section 903 (b), Virgin Islands Code, serves to protect, maintain, preserve, and where feasible, enhance and restore the quality of the environment in the coastal zone (including the trust lands and other submerged and filled lands of the Virgin Islands), and the natural and manmade resources therein; and promote economic development and growth in the coastal zone. The Coastal Zone Management Program also permits and regulates all development within the first tier of the coastal zone; develops, manages, and promotes the St. Croix East End Marine Park; oversees the negotiation and implementation of submerged and filled land leases; and assists in the protection of marine environments, particularly coral reefs, via implementation of erosion and sedimentation control regulations and programs and non-point source pollution control policies and programs.

## Activity 80410 Comprehensive and Coastal Zone Planning

### Functional Statement

Comprehensive and Coastal Zone Planning (CCZP), whose functions are referenced in the Virgin Islands Code under the Division of Planning, formulates long-range plans and policies, including the development of a comprehensive plan to properly guide and manage physical, economic, and social growth and development trends in the Territory. The Division is also responsible for administering DPNR's zoning map amendments, subdivision processes, and for reviewing their effectiveness and appropriateness. The Division provides technical planning support and serves as a resource center for DPNR, other government agencies, and the general public. The Division is also responsible for coordinating territorial planning activities and capital projects between the public and private sector.

## Activity 80500 Libraries and Administration

### Functional Statement

The Division of Libraries, Archives and Museums provides library and information services through the development and preservation of its collections, facilities, and resources to meet the information needs of its clientele, including the preservation of Virgin Islands culture and literary heritage. It identifies, preserves, and promotes the relevance of historical and cultural related public records of the Virgin Islands. Traditional and electronic means are used to assist in meeting the educational, recreational, and professional needs of the community. The needs of special populations such as the visually impaired and physically challenged are served. Additionally, the library houses archival records and is a depository for government records throughout the Territory.

## Activity 80520 Museums

### Functional Statement

The Museums Unit is responsible for the interpretation of the history, arts, and material culture of the USVI through exhibitions, displays, lectures, and workshops. This Unit also has to meet the demands of preserving and maintaining two coastal Danish fortresses, Fort Christian and Fort Frederik, which are National Historic Landmarks. These two cultural resources are vital to the economic viability of the historic towns they are located in, the

## Activity 80540 Archives

### Functional Statement

The Archives Unit is responsible for The Territorial Archives that are housed at the Enid M. Baa Library & Archives, the Charles W. Turnbull Library on St. Thomas and the Florence Williams Library on St. Croix. The Territorial Archivist within the Unit is the designated custodian of Government records transferred into the care and intellectual control of the Territory. Notably mentions within the collection are: early records written in Danish, funeral booklets, yearbooks, local government documents, congressional papers, back issues of Virgin Islands Newspapers on microfilm and church records including birth and death certificates.

## Activity 80600 Division of Fish and Wildlife

### Functional Statement

The Division of Fish and Wildlife (DFW) is 100% federally funded and provides scientific advice to the Department on the condition of wildlife, fisheries, and marine resources of the (USVI). DFW also provides advice on the best strategies to sustain these resources for all the citizens of the USVI. DFW is split into three (3) bureaus: Bureau of Fisheries, Bureau of Wildlife, and Bureau of Environmental Education and Endangered Species.

## Activity 80800 Division of Archaeology and Historic Preservation

### Functional Statement

The Division of Archaeology and Historic Preservation preserves the cultural and historic heritage by preserving and protecting, as well as fostering a meaningful awareness and appreciation of the unique history of the United States Virgin Islands (USVI). This history is contained in prehistoric and historic archaeological deposits, both terrestrial and marine, manifested in sites of cultural and spiritual meaning, and reflected in the outstanding architecture and beauty of aboveground historic buildings and sites of the USVI. This mission is accomplished through encouragement and education and by sponsoring and assisting programs that promote historic preservation in the USVI.

## Activity Virgin Islands Council on the Arts

### Functional Statement

The Virgin Islands Council on the Arts' (VICA) mission is to enrich the cultural life of the Virgin Islands through focused leadership that preserves, supports, and makes accessible excellence in the arts to all Virgin Islanders. This is accomplished through a competitive grant award process, in which VICA provides technical and financial assistance to schools, arts organizations, individual artists, non-profit organizations, and other entities that meet the Council's funding criteria, demonstrates need and accessibility, are financially accountable, and engaged in art projects and programs that addresses the Council's mission. VICA receives federal funding from the National Endowment for the Arts, which is matched with local appropriations and re-granted territory-wide.

## Department of Planning and Natural Resources – CFDA

**Coastal Zone Management Administration Awards (CFDA No. 11.419)** assist States in implementing and enhancing Coastal Zone Management and related programs that have been approved by the Secretary of Commerce. For FY 2018, the program anticipates receiving \$941,000 in federal awards.

**Coral Reef Conservation Program (CFDA No. 11.482)** provides matching grants of financial assistance in support of coral reef conservation programs and projects that preserve, sustain, and restore U.S. and international coral reef ecosystems. For FY 2018, the program anticipates receiving \$545,000 in federal awards.

**Grants to States (CFDA No. 45.310)** is the largest grant program run by IMLS; it provides funds to State Library Administrative Agencies (SLAAs) using a population-based formula. SLAAs may use federal funds to support statewide initiatives and services; they also may distribute the funds through subgrant competitions or cooperative agreements to public, academic, research, school, and special libraries in their state. For FY 2018, the program anticipates receiving \$118,531 in federal awards.

**Interjurisdictional Fisheries Act of 1986 (CFDA No. 11.407)** assists States in managing interjurisdictional fisheries resources. For FY 2018, the program anticipates receiving \$9,072 in federal awards.

**Cooperative Fishery Statistics (CFDA No. 11.434)** maintain a cooperative State and Federal partnership to provide a continuing source of fisheries dependent statistics to support fishery management in the States' Territorial Sea and the U.S. Exclusive Economic Zone. For FY 2018, the program anticipates receiving \$134,551 in federal awards.

**Southeast Area Monitoring and Assessment Program – SEAMAP (CFDA No. 11.435)** maintain a cooperative program which engages State and Federal agencies in the coordinated collection, management, and dissemination of fishery - independent information on marine fisheries in support of State Territorial Sea and U.S. Exclusive Economic Zone fisheries management programs. For FY 2018, the program anticipates receiving \$185,908 in federal awards.

**Sport Fish Restoration - Dingell-Johnson Sport Fish Restoration Program (CFDA No. 15.605)** funds support activities designed to restore, conserve, manage, or enhance sport fish populations; the public use and benefits from these resources; and activities that provide boat access to public waters. Sport fisheries research and management activities; boating access development and maintenance; aquatic resource education activities; lake construction and maintenance; land acquisition; technical assistance; planning; habitat enhancement; administration; coordination; and hatchery construction are eligible under the Act. For FY 2018, the program anticipates receiving \$1,368,913 in federal awards.

**Wildlife Restoration and Basic Hunter Education - Pittman-Robertson Wildlife Restoration Program (CFDA No. 15.611)** provides grants to State, Commonwealth, and territorial fish and wildlife agencies for projects to restore, conserve, manage, and enhance wild birds and mammals and their habitat. Projects also include providing public

use and access to wildlife resources; hunter education and safety; and the development and management of shooting ranges. For FY 2018, the program anticipates receiving \$632,668 in federal awards.

**Cooperative Endangered Species Conservation Fund (CFDA No. 15.615)** provides Federal financial assistance to any State or Territory (hereafter, "States"), through its appropriate State or territorial agency, to assist in the development of programs for the conservation of endangered and threatened species.

**State Wildlife Grants – (CFDA No. 15.634)** funds the development and implementation of projects for the benefit of fish and wildlife and their habitats, including species that are not hunted or fished. Priority is placed on projects that benefit species of greatest conservation concern. For FY 2018, the program anticipates receiving \$28,825 in federal awards.

**Economic, Social, and Political Development of the Territories (CFDA No. 15.875)** empower insular communities by improving the quality of life, creating economic opportunity and promoting efficient and effective governance in the U. S. territories of Guam, American Samoa, the U.S. Virgin Islands, and the Commonwealth of the Northern Mariana Islands as well as the three Freely Associated States: The Federated States of Micronesia, the Republic of the Marshall Islands, and the Republic of Palau. For FY 2018, the program anticipates receiving \$2,115 in federal awards.

**Interagency Hazardous Materials Public Sector Training and Planning Grants (CFDA No. 20.703)** increase State, local, territorial and Native American tribal effectiveness to safely and efficiently handle hazardous materials accidents and incidents; enhance implementation of the Emergency Planning and Community Right-to-Know Act of 1986 (EPCRA); and encourage a comprehensive approach to emergency planning and training by incorporating response to transportation standards.

Hazardous Materials Instructor Training Grant (HMIT): to "train the trainer" – that is, to train hazmat instructors who will then train hazmat employees in the proper handling of hazardous materials.

Supplemental Public Sector Training Grants (SPST): to increase the number of hazardous materials training instructors, thereby increasing the number of training instructors available to conduct hazardous materials responder training programs for individuals with statutory responsibility to respond to hazardous materials accidents and incidents.

Assistance for Local Emergency Response Training Grant (ALERT): to increase the number of emergency responders trained to respond to incidents or accidents involving the transportation of crude oil, ethanol and other flammable liquids by rail.

Hazardous Materials Community Safety Grants (HMCS): to conduct national outreach and training programs to assist communities in preparing for and responding to accidents and incidents involving the transportation of hazardous materials, including Class 3 flammable liquids by rail; and train State and local personnel responsible for enforcing the safe transportation of hazardous materials, including Class 3 flammable liquids. For FY 2018, the program anticipates receiving \$71,449 in federal awards.

**Surveys, Studies, Research, Investigations, Demonstrations, and Special Purpose Activities Relating to the Clean Air Act (CFDA No. 66.034)** support Surveys, Studies, Research, Investigations, Demonstrations and Special Purpose assistance relating to the causes, effects (including health and welfare effects), extent, prevention, and control of air pollution to include such topics as air quality, acid deposition, climate change, global programs, indoor environments, radiation, mobile source technology and community-driven approaches to transportation and emissions reduction.

Projects should also focus on addressing environmental justice (EJ) concerns in communities. EJ is the fair treatment and meaningful involvement of all people regardless of race, color, national origin, or income with respect to the development, implementation, and enforcement of environmental laws, regulations, and policies. For FY 2018, the program anticipates receiving \$39,502 in federal awards.

**State Clean Diesel Grant Program (CFDA No. 66.040)** - The Diesel Emissions Reduction Act, 42 U.S.C. 16131 et seq., as amended, authorizes EPA to award assistance agreements to States to develop and implement such grant, rebates, and low-cost revolving loan programs in the State as are appropriate to meet State needs and goals relating to the reduction of diesel emissions.

Projects should also focus on promoting environmental justice (EJ). EJ is the fair treatment and meaningful involvement of all people regardless of race, color, national origin, or income with respect to the development, implementation, and enforcement of environmental laws, regulations, and policies. For FY 2018, the program anticipates receiving \$1,457 in federal awards.

**Multipurpose Grants to States and Tribes (CFDA No. 66.204)** implement high priority activities, including the processing of permits, which complement programs under established environmental statutes. These grants are to be awarded to states and territories to assist with the implementation of environmental programs, and to tribes eligible under Clean Water Act 518(e) to assist with the implementation of environmental programs. For FY 2018, the program anticipates receiving \$75,997 in federal awards.

**Construction Grants for Wastewater Treatment Works (CFDA No. 66.418)** assist and serve as an incentive in construction of municipal wastewater treatment works which are required to meet State and/or Federal water quality standards and improve the water quality in the waters of the United States. From fiscal year (FY) 2004 onwards, American Samoa, Commonwealth of Northern Mariana Islands, Guam, Virgin Islands, and the District of Columbia may use up to four percent of the funds appropriated under Title VI for administration and closeout of their construction grant program. For FY 2018, the program anticipates receiving \$4,335,000 in federal awards.

**Capitalization Grants for Drinking Water State Revolving Funds (CFDA No. 66.468)** - Grants are made to States and Puerto Rico to capitalize their Drinking Water State Revolving Funds (DWSRFs) which will provide a long-term source of financing for the costs of drinking water infrastructure. Grants are also made to the District of Columbia, U.S. Territories (Virgin Islands, Mariana Islands American Samoa, and Guam), and Indian Tribes. For FY 2018, the program anticipates receiving \$5,089,491 in federal awards.

**Beach Monitoring and Notification Program Implementation Grants (CFDA No. 66.472)** assist Coastal and Great Lakes States and Tribes eligible under Section 518(e) of the Clean Water Act, as amended, in developing and implementing programs for monitoring and notification for coastal recreation waters adjacent to beaches or similar points of access that are used by the public. For FY 2018, the program anticipates receiving \$291,000 in federal awards.

**Water Quality Management Planning (CFDA No. 66.454)** assist States (including territories and the District of Columbia), Regional Public Comprehensive Planning Organizations (RPCPOs), and Interstate Organizations (IOs) in carrying out water quality management (WQM) planning. For FY 2018, the program anticipates receiving \$100,000 in federal awards.

**Performance Partnership Grants (CFDA No. 66.605)** - Improving EPA's partnership with the States and Tribes is critical to accelerating environmental outcomes. Performance Partnership Grants (PPGs) are the cornerstone of the National Environmental Performance Partnership System (NEPPS) -- EPA's strategy to strengthen partnerships and build a results-based management system. PPGs are innovative grant delivery tools that allow States and Tribes to combine up to 20 eligible State and Tribal Assistance Grants (STAG) grants into a single grant with a single budget. PPGs can reduce administrative transaction costs, provide the flexibility to direct resources toward the highest priority environmental problems, and support cross-media approaches and initiatives. EPA's overarching goal is to optimize the leveraging power of PPGs to focus strategically on the joint priorities of EPA, States and Tribes. PPGs do not include any funding in addition to the state and tribal assistance grants provided under other statutory authorities. For FY 2018, the program anticipates receiving \$2,185,732 in federal awards.

**Underground Storage Tank Prevention, Detection and Compliance Program (CFDA No. 66.804)** assist States, Territories, Tribes and/or Intertribal Consortia (LUST Prevention only for Tribes and/or Intertribal Consortia) that meet the requirements at 40 CFR 35.504 in the development and implementation of underground storage tank (UST) programs and for leak prevention, compliance and other activities authorized by the Energy Policy Act (EPAct) of 2005, Public Law 105-276, and EPA's annual appropriations acts. For FY 2018, the program anticipates receiving \$95,000 in federal awards.

**Leaking Underground Storage Tank Trust Fund Corrective Action Program (CFDA No. 66.805)** support State (including Territories that are included in the definition of "State" in the Solid Waste Disposal Act) and Tribal corrective action programs that address releases from underground storage tanks. For FY 2018, the program anticipates receiving \$45,000 in federal awards.

**State and Tribal Response Program Grants (CFDA No. 66.817)** - EPA's CERCLA Section 128(a) grant program funds activities that establish or enhance state and tribal response program capacity, capitalize revolving loan funds (RLFs), and support insurance mechanisms. The goal of this funding is to provide financial support to establish and enhance the four elements of an effective state or tribal response program as specified in CERCLA Section 128 and to ensure that states and tribes maintain a public record of sites included in their programs. For FY 2018, the program anticipates receiving \$94,517 in federal awards.

**Historic Preservation Fund Grants-In-Aid (CFDA No. 15.904)** provide matching grants to States for the identification, evaluation, and protection of historic properties by such means as survey, planning technical assistance, acquisition, development, and certain Federal tax incentives available for historic properties; to provide matching grants to States to expand the National Register of Historic Places, (the Nation's listing of districts, sites, buildings, structures, and objects significant in American history, architecture, archeology, engineering and culture at the National, State and local levels) to assist Federal, State, and Local Government agencies, nonprofit organizations and private individuals in carrying out historic preservation activities; and to provide grants to Indian Tribes and Alaskan Native Corporations to preserve their culture. For FY 2018, the program anticipates receiving \$415,116 in federal awards.

**Marine Fisheries Initiative – MARFIN (CFDA No. 11.433)** provide financial assistance for research and development projects that will provide information for the full and wise use and enhancement of fishery resources in the Southeast U. S. Gulf of Mexico and the South Atlantic beginning with the State of North Carolina south to Florida. In addition, beginning in Fiscal Year 1998 similar assistance is provided for the coastal New England states. For FY 2018, the program anticipates receiving \$104,000 in federal awards.

**Boating Safety Financial Assistance (CFDA No. 97.012)** - Awards are made to States to encourage greater participation and uniformity in boating safety, permit the States to assume the greater share of boating safety education, assistance, and enforcement activities, and to assist the States in developing, carrying out and financing their recreational boating safety programs. Awards are made available to national non-profit public service organizations to support national recreational boating safety activities. Awards for a national recreational boating safety survey are designed to gather information necessary to produce valid and reliable estimates of: the numbers of different types and sizes of boats that are owned in the continental United States, Alaska, Hawaii, District of Columbia and Puerto Rico; the number of boats that are operated on the water; the number of days and hours that boats are operated and the number of persons aboard; the number and characteristics of persons comprising the general population that go out on the water in recreational boats; and other needed data regarding recreational boating safety. For FY 2018, the program anticipates receiving \$511,297 in federal awards.

## Department of Education

**ORGANIZATIONAL TYPE:** Social and Service

### Mission Statement

The Virgin Islands Department of Education provides a safe and nurturing environment, high quality instruction, and continuous supports so ALL students succeed in college and careers as citizens in a globally diverse world.

### Scope and Overview

The United States Virgin Islands Department of Education is an executive branch of the Government of the U.S. Virgin Islands mandated under Titles 3 and 17 of the Virgin Islands Code. It is the largest governmental entity in the Virgin Islands and it functions both as a Local Education Agency (LEA) and a State Education Agency (SEA). The Department is headed by a Commissioner at the SEA level and an Insular Superintendent at the two LEAs.

The Department's role as stipulated by Title 3, Chapter 7, Section 96, V.I. Code, encompasses the authority to exercise general control over the enforcement of laws relating to free public education in the Virgin Islands. Its responsibilities include the development, implementation, and monitoring of instructional programs for all k-12 students and adult learners, as well as, provision of support services such as: child nutrition, pupil transportation, library services, and the maintenance of educational facilities and offices under its purview. Services are provided at 33 buildings supporting 43 activity centers.

It is through the combination of the general and federal funds that the Department is able to execute its programs and carry out its mandates under local and federal law. The Department employed a workforce of two thousand five hundred forty-two (2,542) employees which carry out the essential student services and accounts for most of the funds received from the General Fund. From October 2014 to the end of FY 2015, there were one hundred eighty-nine (189) separations territory wide.

In Fiscal year 2017, the Department endeavored to address the needs of 13,194 students enrolled in the system. 930 students territory wide were identified as students with disabilities and 1,060 as English Second Language (ESL). Additionally, there is a total of 65 students that are identified as students with disabilities and ESL. This does not include those served in the evening or adult programs.

This past year, the Department worked on revising its strategic plan and its performance indicators as many indicators were old and did not reflect the current direction; there were also too many indicators that were not being tracked. Therefore, the goals and indicators below do not reflect those in the new strategic plan. However, they fundamentally address the work which is ongoing in the department.

## Activity 41617 Special Education Administration – State Office

### Functional Statement

The State Office of Special Education is mandated to maximize the educational potential of Virgin Islands children with special needs, age three through twenty-one, by means of an integrated and cohesive set of support programs, services, and activities that will result in the acquisition of lifelong skills and independence. The State Office of Special Education ensures students have available to them a full continuum of placement options including access to the general curriculum, accessible facilities, and programs and services that are implemented in the Least Restrictive Environment (LRE), preferably in the general education setting. This Office is charged with monitoring the services provided to children and youth in public, private, and residential settings to ensure local and federal regulations are met. Additionally, the Office provides technical assistance and professional development to support the Districts.

## Activity 41700 Property Proc. & Aux. Services STT-STJ/STX

### Functional Statement

The Division of Property and Procurement Auxiliary Services is responsible for the procurement of equipment and supplies for the Department. This Division processes requisitions for goods and services with adherence to applicable procurement regulations under local and federal guidelines. All equipment and supplies are received and checked for accuracy in conjunction with an applicable requisition, and are tagged and inventoried before distribution to the schools and offices. The receiving reports for the equipment and supplies are forwarded to the Business Affairs division for payment processing.

## Department of Education – CFDA

**The National School Lunch Program (CFDA 10.555)** assists States, through cash grants and food donations, in providing a nutritious nonprofit lunch service for school children and to encourage the domestic consumption of nutritious agricultural commodities. In FY 2018, the program projects to receive \$8,443,156 in federal awards.

**The Child and Adult Care Food Program (CFDA 10.558)** assists States, through grants-in-aid and other means, to initiate and maintain nonprofit food service programs for children and elderly or impaired adults enrolled in nonresidential day care facilities, children attending afterschool care programs in low-income areas, and children residing in emergency shelters. For FY 2018, the program projects receiving \$61,030.

**The State Administrative Expenses for Child Nutrition (CFDA 10.560)** provides each State agency with funds for its administrative expenses in supervising and giving technical assistance to local schools, school districts and institutions in their conduct of Child Nutrition Programs. State agencies that administer the distribution of USDA Foods to schools and child or adult care institutions, are also provided with State Administrative Expense (SAE) funds. For FY 2018, the project anticipates receiving \$410,177 in federal funds.

**The Emergency Food Assistance Program (Administrative Costs) (CFDA 10.568)** helps supplement the diets of low-income persons by making funds available to States for processing, storage and distribution costs incurred by State agencies and local organizations, such as soup kitchens, food banks, and food pantries, including faith-based organizations, that provide food assistance to needy persons. For FY 2018, it is anticipated that the program will receive \$21,572 in federal funds.

**The Child Nutrition Discretionary Grants Limited Availability (CFDA 10.579)** - Administrative Review and Training (ART) grants are available to State agencies to conduct additional administrative reviews of selected local educational agencies, and to provide funding for state agencies to be used for oversight and training of administrative personnel on application, certification, verification, meal counting, and meal claiming procedures. Equipment Assistance grants are available to States agencies for providing equipment to improve school food services. For FY 2018, the program projects to receive \$44,859 in federal awards.

**The Fresh Fruit and Vegetable Program (CFDA 10.582)** assists States, through cash grants, in providing free fresh fruits and vegetables to elementary schools with high percentages of children that receive free or reduced price meals through the National School Lunch Program. For FY 2018, the program anticipates receiving \$16,055 in federal awards.

**The Economic, Social, and Political Development of the Territories Grant (CFDA 15.875)** empowers insular communities by improving the quality of life, creating economic opportunity and promoting efficient and effective governance in the U. S. territories of Guam, American Samoa, the U.S. Virgin Islands, and the Commonwealth of the Northern Mariana Islands as well as the three Freely Associated States: The Federated States of Micronesia, the Republic of the Marshall Islands, and the Republic of Palau. For FY 2018, the program projects to receive \$1,500,000.

**The Special Education – Grants to States (CFDA 84.027)** provides grants to assist States in providing special education and related services to all children with disabilities. For Federal Fiscal Year (FFY) 2017/Fiscal Year (FY) 2018, the program projects receiving \$8,977,447.

**The School Safety National Activities (CFDA 84.184)** (formerly, Safe and Drug-Free Schools and Communities-National Programs) improves students' safety and well-being during and after the school day. There is no projection of awards for FY 2018 (FFY 2017); however, the carryforward balance of \$851,217 will be utilized in FY 2018 to support Personnel of \$405,000 and Fringe Benefits of \$174,265.

**The Territories and Freely Associated States Education Grant Program (CFDA 84.256A)** supports activities consistent with the purposes of the Elementary and Secondary Education Act, including teacher training, curriculum

development, instructional materials or general school improvement and school reform, and direct educational services. There is no projection of awards for Fiscal Year 2018 (FFY 2017), however, the carryforward balance of \$169,001 will be utilized in FY 2018 to support Personnel of \$70,000 and Fringe Benefits of \$25,711.

**The Statewide Longitudinal Data Systems (CFDA 84.372A)** are intended to enable State educational agencies to design, develop, and implement statewide, longitudinal data systems to efficiently and accurately manage, analyze, disaggregate, and use individual student data, consistent with the Elementary and Secondary Education Act of 1965, and to facilitate analyses and research to improve student academic achievement and close achievement gaps. There is no projection of awards for FY 2018 (FFY 2017); however, the carryforward balance of \$352,474 will be utilized in FY 2018 (FFY 2017) to support Personnel of \$80,159 and Fringe Benefits of \$35,335.

**The Consolidated Grant to the Outlying Areas (CFDA 84.403A)** makes an annual consolidated grant to assist an Insular Area in carrying out one or more State-administered formula grant programs of the Department. (i.e., - ESEA, Title I, Part A-Grants to LEAs; ESEA, Title I, Section 1003(g), - School Improvement Grants; ESEA, Title II, Part A-Teacher Quality Grants; ESEA, Title III, English Language Acquisition Grants; ESEA, Title IV, Part B-21st Century Community Learning Centers Grants; ESEA, Title V, Part A-State Grants for Innovative Programs; Adult Education and Family Literacy Act (AEFLA)-Section 243-Adult Education State Administered Program grants; Perkins Act, Title I-Career and Technical Education Basic State Grants; ESEA, Title VI, Part A-State Assessments; McKinney-Vento Homeless Assistance Act-Title VII-B Grants; ESEA, Title II, Part B-Mathematics and Science Partnerships grants; ESEA, Title VI, Part B, Rural and Low-Income School Program. The program projects receiving \$15,596,862 in FY 2018 (FFY 2017).

## Mission Statement

To reduce health risks, ensure access to quality health care and enforce health standards.

## Scope and Overview

As mandated under Virgin Islands Code, Titles 3 and 19, the Virgin Islands Department of Health (DOH) has direct responsibility for conducting programs of preventative medicine in order to protect the health of our residents. Additionally, all public health statutes are enforced by the DOH for the prevention and suppression of disease and injury.

## Activity 70010 Health Planning, Research and Statistics

### Functional Statement

The Bureau of Vital Statistics and Research records and preserves the Territory's birth and death events. The Bureau is also mandated to record incidences of cancer in the Territory. The Department of Health's Office of Licensure and Health Planning promotes the delivery of essential health care services to the residents of the Virgin Islands by establishing standards that improve access to and quality of healthcare and the containment of healthcare costs. The Office cultivates knowledge and understanding of health care delivery systems and the Certificate of Need (CON) process through public participation, involvement in planning and data collection efforts, and a constant focus on best practices for ensuring public health, safety and welfare. The Office ascertains competency of care via the licensure of health care professionals, the enforcement of standards of practice and the dissemination of information to healthcare practitioners and to the public.

## Activity 70110 Financial Services Territory-wide

### Functional Statement

The Financial Services Unit manages departmental expenditures including payroll and maintains all financial records and coordinates and monitors financial activities. This Division is also under the umbrella of the Chief Financial Officer with the responsibility to coordinate territorial financial services. In efforts to improve accountability and to create a culture that encourages the exercise of fair judgment and initiative in pursuit of organizational goals, the Unit hopes to place all fiscal officers under its direct supervision. This will encourage a culture of teamwork and active collaboration in problem-solving, decision-making and achievement of common goals.

## Activity 70140 Federal Programs Office

### Functional Statement

The Office of Federal Grants (OFG) has oversight of 65 individual grant projects with responsibility to ensure each program operates within prescribed laws. OFG determines which projects are appropriate to pursue through submission of new grant applications. The Office manages federally-funded projects portfolios; ensures each project is budgeted and approved for online spending by the Department of Finance and the Office of Management and Budget, processes financial reimbursement draw-downs for goods and services procured, manages the indirect cost administrative budget to ascertain program compliance and to formulate monthly and quarterly cash management reports.

The Federal Programs Office grants management focus for Fiscal Year 2013 and beyond is to ensure total compliance with the Federal Funding Accountability and Transparency Act of 2006. The OFG will maintain a focus of continued performance improvement to include compliance training for directors of the various federal programs to facilitate fluent knowledge of federal funding governing circulars. The OFG will also research issues of noncompliance and assist directors of relevant programs to come into compliance.

## Activity 70150 Health Revenue Services

### Functional Statement

Health Revenue Services is an office within the Division of Financial Services and is responsible for the billing and collection of all Department of Health revenues. Health Revenue Services houses all cashiers in efforts to facilitate the collection of revenues generated from regulatory and service provider functions. Revenue generation is from contributions to malpractice insurance by healthcare providers; issuance of birth and death certificates; income from clinical services; payments for food handlers and business permits which certify compliance with the statutes that govern Food Code. Health Revenue also serves as a clearing house for payment of various fines associated with non-compliance with regulatory statutes and collection of delinquent payments for past services rendered.

## Activity 70470 Family Planning Services

### Functional Statement:

The Family Planning Program provides affordable reproductive health services to women, men and adolescents with priority for services granted to individuals from low-income families. These services include, contraceptive services, pregnancy testing and counseling, services to help clients achieve pregnancy, basic infertility services, STD services, preconception health services, and breast and cervical cancer screening. The Family Planning Program also prioritizes identifying and serving individuals, families, and communities in need of, but not currently receiving family planning services, through outreach.

## Department of Health – CFDA

**Special Supplemental Nutrition Program for Women, Infants, and Children (CFDA 10.557)**, provides low-income pregnant, breastfeeding and postpartum women, infants, and children to age five who have been determined to be at nutritional risk, supplemental nutritious foods, nutrition education, and referrals to health and social services at no cost. WIC also promotes breastfeeding as the feeding method of choice for infants, provides substance abuse education and promotes immunization and other aspects of healthy living. The Food and Nutrition Service (FNS) makes funds available that, in turn, pay the costs of specified supplemental foods provided to WIC participants, and pay for specified nutrition services and administration (NSA) costs, including the cost of nutrition assessments, blood tests for anemia, nutrition education, breastfeeding promotion, and health care referrals.

**Special Education-Grants for Infants and Families (CFDA 84.181)**, provide grants to assist to implement and maintain a comprehensive, coordinated, multidisciplinary, interagency system to make available early intervention services to infants and toddlers with disabilities and their families.

**Birth Defects and Developmental Disabilities - Prevention and Surveillance (CFDA 93.073)**, works with health agencies in planning, implementing coordinating or evaluating programs, research or surveillance activities related to improved birth outcomes, prevention of birth defects, and the improvement of infant and child health and developmental outcomes. To provide a focus for the prevention of conditions of persons with birth defects; to employ epidemiological methods to set priorities, build capacity and direct health promotion interventions for persons with birth defects; to expand public health training opportunities through fellowships to introduce geneticists, epidemiologists, and clinicians to public health practice through education, training and career-enhancing experiences. To enhance surveillance and research for birth defects; to prevent congenital heart defects and other major birth defects associated with medication use during pregnancy; to advance neural tube defect prevention; and enhance the quality and usefulness of newborn screening data and programs.

**Hospital Preparedness Program (HPP) and Public Health Emergency Preparedness (PHEP) Aligned Cooperative Agreements (CFDA 93.074)**, provides resources that support public health departments and healthcare systems/organizations in demonstrating measurable and sustainable progress toward achieving public health and healthcare emergency preparedness capabilities that promote prepared and resilient communities.

**Maternal and Child Health Federal Consolidated Programs (CFDA 93.110)**, carry out special maternal and child health (MCH) projects of regional and national significance; to conduct training and research; to conduct genetic disease testing, counseling, and information development and dissemination programs; for the screening of newborns for sickle cell anemia, and other genetic disorders; and to support comprehensive hemophilia diagnostic and treatment centers.

**Emergency Medical Services for Children (CFDA 93.127)**, supports demonstration projects for the expansion and improvement of emergency medical services for children who need treatment for trauma or critical care.

**Cooperative Agreements to States/Territories for the Coordination and Development of Primary Care Offices (CFDA 93.130)**, coordinates resources contributing to primary care service delivery and workforce issues to meet the needs of medically-underserved populations through health centers and other community-based providers of comprehensive primary care and the retention, recruitment, and oversight of health professions for medically underserved populations.

**Injury Prevention and Control Research and State and Community Based Programs (CFDA 93.136)**, are research grants that: (1) support injury control research on priority issues; (2) integrate aspects of engineering, public health, behavioral sciences, medicine, engineering, health policy, economics and other disciplines in order to prevent and control injuries more effectively; (3) rigorously apply and evaluate current and new interventions, methods, and strategies that focus on the prevention and control of injuries; (4) stimulate and support Injury Control Research Centers (ICRCs) in academic institutions which will develop a comprehensive and integrated approach to injury

control research and training; and (5) bring the knowledge and expertise of ICRCs to bear on the development of effective public health programs for injury control.

**Family Planning Services (CFDA 93.217)**, provides educational, counseling, comprehensive medical and social services necessary to enable individuals to freely determine the number and spacing of their children, and by so doing helping to reduce maternal and infant mortality, promote the health of mothers, families and children.

**Substance Abuse and Mental Health Services Projects of Regional and National Significance (CFDA 93.243)**, addresses priority substance abuse treatment. Expansion of the availability of effective substance abuse treatment and recovery services available to Americans to improve the lives of those affected by alcohol and drug additions, and to reduce the impact of alcohol and drug abuse on individuals, families, communities and societies and to address priority mental health needs and assist children in dealing with violence and traumatic events. Grants and cooperative agreements are for (1) knowledge and development and application projects for treatment and rehabilitation and the conduct or support of evaluations of such projects; (2) training and technical assistance; (3) targeted capacity response programs (4) systems change grants including statewide family network grants and client-oriented and consumer run self-help activities and (5) programs to foster health and development of children; (6) coordination and integration of primary care services into publicly-funded community mental health centers and other community-based behavioral health settings.

**Universal Newborn Hearing Screening (CFDA 93.251)**, supports programs in developing a comprehensive and coordinated system of care targeted toward ensuring that newborns and infants receive appropriate timely services including continuous screening, evaluation, diagnosis and early intervention services. Additionally, family engagement and leadership is also a focus of this program, as families have a unique perspective on how the system currently affects them personally and can provide invaluable insight on the strategies that can be implemented to improve the system.

**Immunization Cooperative Agreements (CFDA 93.268)**, assists communities in establishing and maintaining preventive health service programs to immunize individuals against vaccine-preventable diseases (including measles, rubella, poliomyelitis, diphtheria, pertussis, tetanus, hepatitis B, hepatitis A, varicella, mumps, haemophilus influenza type b, influenza, and pneumococcal pneumonia).

**Epidemiology and Laboratory Capacity for Infectious Diseases (ELC) (CFDA 93.323)**, protects the public health and safety of the USVI people by enhancing the capacity of public health agencies to effectively detect, respond, prevent and control known and emerging (or re-emerging) infectious diseases. This is accomplished by providing financial and technical resources to (1) strengthen epidemiologic capacity; (2) enhance laboratory capacity; (3) improve information systems; and (4) enhance collaboration among epidemiology, laboratory, and information systems components of public health departments.

**Behavioral Risk Factor Surveillance System (CFDA 93.336)**, provides assistance to Health Departments to maintain and expand: 1) Specific health surveillance on the behaviors of the general adult population that contribute to the occurrences and prevention of chronic diseases, injuries, and other public health threats through the Behavioral Risk Factor Surveillance System (BRFSS), and 2) Collection, analysis, and dissemination of BRFSS data to Health Department categorical programs for their use in assessing trends, directing program planning, evaluating program priorities, developing policy, and targeting relevant population groups.

**Affordable Care Act (ACA) Maternal, Infant, and Early Childhood Home Visiting Program (CFDA 93.505)**, is designed : (1) to strengthen and improve the programs and activities carried out under Title V; (2) to improve coordination of services for at risk communities; and (3) to identify and provide comprehensive services to improve outcomes for families who reside in at risk communities. Voluntary evidence-based home visiting is the primary strategy to deliver services. A nurse, social worker, parent educator, or other paraprofessional regularly visits an expectant mother or father, new parent, or primary caregiver of a young child from birth to kindergarten entry to support and strengthen the parent-child relationship to improve the health, development and well-being for the child and family.

**Preventive Health and Health Services Block Grant funded solely with Prevention and Public Health Funds (PPHF) (CFDA 93.758)**, provides resources to improve the health status of the population of each grantee by: (A) conducting activities leading to the accomplishment of the most current Healthy People objectives for the nation; (B) rapidly responding to emerging health threats; (C) providing emergency medical services, excluding most equipment purchases; (D) providing services for sex offense victims including prevention activities; and (E) coordinating related administration, education, monitoring and evaluation activities.

**Domestic Ebola Supplement to the Epidemiology and Laboratory Capacity for Infectious Diseases (ELC) (CFDA 93.815)**, addresses priority domestic capacity building around Ebola and other emerging and highly-infectious diseases. The Competing Supplement (1) provides additional resources to accelerate ELC activities around infection control assessment and response, laboratory safety, and global migration, border interventions, and migrant health; and (2) aligns with ELC's existing purpose which is to protect the public health and safety of the people by enhancing the capacity of public health agencies to effectively detect, respond, prevent and control known and emerging (or re-emerging) infectious diseases. This is accomplished by providing financial and technical resources to (1) strengthen epidemiologic capacity; (2) enhance laboratory capacity; (3) improve information systems; and (4) enhance collaboration among epidemiology, laboratory, and information systems components of public health departments.

**Cancer Prevention and Control Programs for State, Territorial and Tribal Organizations' (CFDA 93.898)**, goals are to (1) seek efficiencies across the management and operations of cancer prevention and control programs, (2) focus on high-burden cancers with evidence-based, scalable interventions that already exist and can be broadly implemented, (3) develop organized screening programs that are more effective and efficient than current opportunistic approaches, and (4) maintain high-quality cancer registries and expand their application in prevention and screening.

**HIV Care Formula Grants (CFDA 93.917)**, enables the territory to improve the quality, availability, and organization of a comprehensive continuum of HIV/AIDS health care, treatment, and support services for eligible individuals living with Human Immunodeficiency Virus (HIV) disease.

HIV Prevention Activities - Health Department Based (CFDA 93.940), assists in meeting the cost of establishing and maintaining Human Immunodeficiency Virus (HIV) prevention programs.

**Human Immunodeficiency Virus (HIV)/Acquired Immunodeficiency Virus Syndrome (AIDS) Surveillance (CFDA 93.944)**, continues and strengthens effective human immunodeficiency virus (HIV) and acquired immunodeficiency syndrome (AIDS) surveillance programs and affects, maintains, measures and evaluates the extent of HIV/AIDS incidence and prevalence throughout the territory, providing information for targeting and implementing HIV prevention activities.

**Assistance Programs for Chronic Disease Prevention and Control (CFDA 93.945)**, works with health agencies and other public and private nonprofit organizations in planning, developing, integrating, coordinating, or evaluating programs to prevent and control chronic diseases; assists in monitoring the major behavioral risks associated with the 10 leading causes of premature death and disability in the United States including cardiovascular diseases; and, establish new chronic disease prevention programs like Racial and Ethnic Approaches to Community Health (REACH), State Nutrition, Physical Activity and Obesity Programs (NPAO).

**Block Grants for Community Mental Health Services (CFDA 93.958)**, provide financial assistance to States and Territories to enable them to carry out the plan for providing comprehensive community mental health services to adults with a serious mental illness and to children with a serious emotional disturbance; monitor the progress in implementing a comprehensive community based mental health system; provide technical assistance to States and the Mental Health Planning Council that will assist the States in planning and implementing a comprehensive community based mental health system.

**Block Grants for Prevention and Treatment of Substance Abuse (CFDA 93.959)**, provides financial assistance to States and Territories to support projects for the development and implementation of prevention, treatment and rehabilitation activities directed to the diseases of alcohol and drug abuse.

**Preventive Health Services -Sexually Transmitted Diseases Control Grants (CFDA 93.977)**, emphasize the development and implementation of nationally uniform prevention and control programs which focus on the core public health functions of assessment, assurance and policy development. This includes surveillance activities, including the reporting, screening, and follow up persons diagnosed with STDs, and disease intervention activities to find cases and notify and refer exposed partners to STD into care.

**Maternal and Child Health Services Block Grant to the States (CFDA 93.994)**, enables States to maintain and strengthen their leadership in planning, promoting, coordinating and evaluating health care for pregnant women, mothers, infants, and children, children with special health care needs (CSHCN) and families in providing health services for maternal and child health populations who do not have access to adequate health care.

## **ORGANIZATIONAL TYPE:** Service

### Mission Statement

The Department of Human Services mission is to provide social services that will enhance the quality of life for individuals and families with diverse needs.

### Scope and Overview

Pursuant to Title 34 of the Virgin Islands Code, the Department of Human Services is the State Agency for all publicly financed, social service programs, except those of public health and housing programs, and provides services to the poor, the disabled, the juvenile delinquent, the elderly, and the low-income family. Moreover, in accordance with Title 5, Section 2536 of the Virgin Islands Code, it serves as the authorized agency for the protection and care of abused and neglected children. Additionally, Executive Order No. 416-2005 authorizes the Department of Human Services to serve as the lead agency for coordinating the activities of the Inter-Agency Council on Homelessness.

Consistent with its statutory authority, the Department of Human Services provides a comprehensive service delivery system organized through the following five (5) divisions: Division of Children, Youth and Families; Division of Disabilities and Rehabilitation Services; Division of Financial Programs; and the Division of Senior Citizens Affairs. It also contains the Office of Child Care and Regulatory Services; Office of Intake and Emergency Services, and the Office of Residential Services.

## Activity 72131 Foster Grandparent Program (FGP) \*LOCAL MATCH

### Functional Statement

The Foster Grandparent Program (FGP), provides the opportunity for seniors age fifty-five (55) and older to work on a one-on-one basis with children with special needs, providing each child with love and attention. Foster Grandparents are assigned to various child care agencies, institutions, schools and work a minimum of twenty (20) hours per week. Transportation to and from the volunteer site, as well as a small stipend of \$2.65/hr is provided. An additional \$1.95 is provided to FGP volunteers who drive themselves to the work site.

## Activity 72132 Retired Senior Volunteer Program (RSVP)

### Functional Statement

The Retired Senior Volunteer Program (RSVP), seeks volunteers who are retired or semi-retired. The program offers participants the opportunity to provide services at senior centers, hospitals, schools and various government and private offices. The program provides reimbursement for meals and ground transportation to the volunteers.

## Activity 72140 Adult Protective Services

### Functional Statement

The Adult Protective Services Unit provides case management and protective services to disabled adults and elderly persons. All suspected cases of disabled adult and elder abuse, exploitation and/or neglect, are referred to this Program. The Unit also processes applications for the Homes for the Aged.

## Activity 72150 Senior Service Employment

### Functional Statement

The Senior Community Service Employment Program (SCSEP) is designed to respond to the needs of older jobseekers with barriers to employment. Authorized by the Older Americans Act, SCSEP provides unemployed, low-income adults 55 years and older with part-time job working in local nonprofit, government and faith-based agencies providing services in the community. Working in their community service assignments, SCSEP participants earn income while they build their self-confidence and learn skills valued by local employers.

## Activity 72902 Medicaid Management Information System

### Functional Statement

Bureau of Health Insurance and Medical Assistance Processes its health care claims through its Centers for Medicare and Medicaid certified Medicaid Management Information System (MMIS).

## Activity 72912 Medical Assistance Program - Administrative

### Functional Statement

The Bureau of Health Insurance and Medical Assistance operates the daily functions of the Medical Assistance Program, including hiring personnel to carry out the required processes, policies and procedures of the program. Administrative functions also include contracts with vendors.

## Activity 72180 Medical Assistance Program – Health Information Technology

### Functional Statement

The Electronic Health Records incentive is a federal program offering financial support to assist eligible providers to adopt, implement or upgrade certified HER technology or meaningfully use an HER system. The federal program offers the following options: Adopt: to acquire and install a certified HER technology; Implement: to train staff, deploy tools, exchange data; Upgrade: to expand functionality or interoperability; and Meaningful Use: to display that the HER is being used to positively affect the care of the patient.

## Activity 72910 Medical Assistance Program – Prescription Drugs – Part D

### **Functional Statement**

Drug coverage is an optional service/benefit however the Bureau of Health Insurance and Medical Assistance provides drug coverage to its members. The federal award received for enrollment into Medicare Part D for eligible individuals helps the Medicaid Program to avoid drug costs that Medicare would cover.

## Activity 72170 Medical Assistance Program – Eligibility and Enrollment

### **Functional Statement**

Federal funding was granted to the Virgin Islands to assist State Medicaid Agencies with streamlining and upgrading Medicaid eligibility systems that are critical to assuring a simple and seamless enrollment experience for consumers who qualify for Medicaid or CHIP.

## Department of Human Services – CFDA

**Temporary Assistance for Needy Families (93.558)** provide grants to States, Territories, the District of Columbia, and Federally-recognized Indian Tribes operating their own Tribal TANF programs to assist needy families with children so that children can be cared for in their own homes; to reduce dependency by promoting job preparation, work, and marriage; to reduce and prevent out-of-wedlock pregnancies; and to encourage the formation and maintenance of two-parent families. For FY 2018, the program anticipates receiving 614,944 in federal awards.

**Personal Responsibility Education Program (93.092)** The purpose of this program is to educate adolescents and young adults on both abstinence and contraception for the prevention of pregnancy and sexually transmitted infections, including HIV/AIDS. The Affordable Care Act was established and provided funding for this program through FY 2014. For FY 2018, the program anticipates receiving \$250,000 in federal awards.

**Supplemental Nutrition Assistance Program State Administrative Match (SNAP) (10.561)** provide Federal financial participation to State agencies for costs incurred to operate the Supplemental Nutrition Assistance Program (SNAP). SNAP Employment and Training (E&T) 100 Percent Federal Funds and Reimbursement for 50 percent of allowable expenses: Funds provide grants to States to provide E&T education to assist SNAP participants in finding work. An E&T program may consist of many different types of components, including but not limited to: independent job search; job search training and support; welfare; educational programs to improve employability; work experience or training to improve employability; other employment oriented activities (e.g., job placement, supported work experience, Workforce Investment Act (WIA) services); and self-employment training. USDA provide States with 100 percent Federal funding for E&T based on a specific formula.

USDA also reimburses States for 50 percent of certain allowable, reasonable and necessary E&T expenses that exceed their 100 percent grant. USDA also provides 50 percent reimbursement for transportation and childcare costs to ensure successful participation in E&T programs. States are not allowed to use 100 grants for participant expenses.

The Nutrition Education and Obesity Prevention Grants (SNAP-Ed) are 100 percent Federal funding for States based on a specified formula for nutrition education for low income people.

For FY 2018, the program anticipates receiving \$5,614,386 in federal awards.

**Medical Assistance Program (MAP) (93.778)** provide financial assistance to States for payments of medical assistance on behalf of cash assistance recipients, children, pregnant women, and the aged who meet income and resource requirements, and other categorically-eligible groups. In certain States that elect to provide such coverage, medically-needy persons, who, except for income and resources, would be eligible for cash assistance, may be eligible for medical assistance payments under this program. Financial assistance is provided to States to pay for Medicare premiums, copayments and deductibles of qualified Medicare beneficiaries meeting certain income requirements. More limited financial assistance is available for certain Medicare beneficiaries with higher incomes. For FY 2018, the program anticipates receiving \$36,572,412 in federal awards.

**Senior Community Service Employment Program (SCSEP) 17.235** foster's individual economic self-sufficiency; provide training in meaningful part-time opportunities in community service activities for unemployed low-income persons who are age 55 years of age or older, particularly persons who have poor employment prospects; and to increase the number of older persons who may enjoy the benefits of unsubsidized employment in both the public and private sectors. For FY 2018, the program anticipates receiving \$1,226,941 in federal awards.

**Child Care and Development Block Grant 93.575** is the primary federal funding source dedicated to providing child care assistance to low-income families. As a block grant, CCDF gives funding to states, territories, and tribes to provide child care subsidies through grants and contracts with providers, as well as vouchers or certificates to low-income families. CCDF is a dual purpose program with a two-generational impact. CCDF provides access to child care services for low-income families so they can work, attend school, or enroll in training to improve the well-being of their families. At the same time, it also promotes the healthy development and school success of our nation's low- and moderate-income children by providing them with higher-quality early learning and afterschool experiences. For FY 2018, the program anticipates receiving \$2,578,310 in federal awards.

**Head Start (93.600)** promotes school readiness by enhancing the social and cognitive development of low-income children, including children on federally recognized reservations and children of migratory farm workers, through the provision of comprehensive health, educational, nutritional, social and other services; and to involve parents in their children's learning and to help parents make progress toward their educational, literacy and employment goals. Head Start also emphasizes the significant involvement of parents in the administration of their local Head Start programs. For FY 2018, the program anticipates receiving \$8,255,095 in federal awards.

**Social Services Block Grant (93.667)** enable each State to furnish social services best suited to the needs of the individuals residing in the State. Federal block grant funds may be used to provide services directed toward one of the following five goals specified in the law: (1) To prevent, reduce, or eliminate dependency; (2) to achieve or maintain self-sufficiency; (3) to prevent neglect, abuse, or exploitation of children and adults; (4) to prevent or reduce inappropriate institutional care; and (5) to secure admission or referral for institutional care when other forms of care are not appropriate. For FY 2018, the program anticipates receiving \$6,046,325 in federal awards.

**Medicare Prescription Drug Program (93.770)** provide prescription drugs to Medicare beneficiaries through their voluntary participation in prescription drug plans, with an additional subsidy provided to lower-income beneficiaries. For FY 2018, the program anticipates receiving \$1,273,120 in federal awards.

**Children's Health Insurance Program** provide funds to States to enable them to maintain and expand child health assistance to uninsured, low- income children, and at a state option, low-income pregnant women and legal immigrants, primarily by three methods: (1) obtain health insurance coverage that meets the requirements in Section 2103 relating to the amount, duration, and scope of benefits; (2) expand eligibility for children under the State's Medicaid program; and (3)reduce the number of children eligible for Medicaid, CHIP and insurance affordability programs under the ACA, who are not enrolled and improve retention of those who are already enrolled. For FY 2018, the program anticipates receiving \$4,790,898 in federal awards.

**ORGANIZATIONAL TYPE:** Service

## Mission Statement

To provide timely, efficient and responsive facility maintenance, infrastructure management and transportation services to the Virgin Islands community.

## Scope and Overview

As authorized by title 31 of the Virgin Islands Code, as amended by Acts No. 5265 and 6638 is to: design, construct, and maintain government buildings, public roads and highways, to provide for the management and maintenance of public burial sites, including veterans' cemeteries; to provide convenient and well-organized transportation services; assist in the protection and preservation of private and government property in natural disasters or mass transportation systems and in the planning, construction, operation, maintenance and administration of parking areas, parking lots and garages.

## Activity 61000 Commissioner's Office

### Functional Statement

The Commissioner's Office manages and supervises the Department of Public Works (DPW) and its Division Heads. It plans and coordinates initial applications for federal grants and ensures departmental compliance with guidelines and agreements with federal agencies.

One of the components of the Commissioner's Office is the Disadvantaged Business Enterprise (DBE) Program which is responsible for managing the subcontracting opportunities available to small businesses performing work on the Department of Transportation's assisted projects. The program annually assesses DBE participation on these Federal Highway Administration /Federal Transit Administration contracts.

## Activity 61030 Management Information System

### Functional Statement

The Management Information System Unit assesses, maintains, and upgrades the Department's communications network and computer units, and standardizes and automates the Department's software and hardware.

The Unit keeps up, maintains, and secures the networks. It analyzes the computer and information needs of the Department from an operational and strategic perspective, and determines immediate and long-range personnel and equipment requirements. The Unit also stays abreast of the latest technology to ensure the effectiveness of the Department.

## Activity 61100 Office of the Chief Engineer

### Functional Statement

The Office of the Chief Engineer compiles and maintains all reports and records of the Division and secures the prices of materials needed for the Division's operations. The Office provides architectural and engineering services for the public infrastructure throughout the Territory and manages projects, including requests for proposals, design reviews, project inspections and contract administration for the DPW and other agencies. Finally, this Office administers the general contractor and drafting exams, in addition to the review, examination, and approval of all requests for payments to contractors on inspected projects.

## Activity 61120 Planning and Design

### Functional Statement

The Unit (Office of Highway Engineering/Federal-Aid Highway Program) provides preliminary engineering services, design, inspection and project management in the administration of Federal-Aid Highway projects. The Office of Highway Engineering ensures that the projects programmed on the Territory-wide Transportation Improvement Program, TTIP are prepared and delivered to construction, in accordance with Federal-Aid established requirements and that the Territory fulfills its commitment as per the Stewardship Agreement between the United States Virgin Islands and the Federal Highway Administration. These projects play a vital role in CIP to improve and maintain infrastructure.

## Activity 61300 Personnel/ Relations and Payroll

### Functional Statement

The Personnel/Labor Relations and Payroll Unit manages the personnel, labor relations and payroll activities of the Department; provides technical and advisory services on the recruitment and selection of personnel; coordinates in-house orientation and training of new employees; processes Notices of Personnel Action and related personnel documents; processes Health Insurance and Workmen's Compensation claims; processes Occupational Safety and Health Administration reports; reviews pay grade and step classifications of all employees; coordinates accident reports; and acts as the liaison to the Office of Collective Bargaining and the Division of Personnel.

The Unit is essential to DPW as it prepares and verifies bi-weekly time and attendance records for the Department, sorts and distributes payroll checks, prepares miscellaneous payroll records, verifies and keeps records of the Department's leave balances (annual and sick) responds to all payroll inquiries, and reconciles earning and deduction detailed proofs.

## Department of Public Works – Federal CFDA

**Economic, Social, and Political Development of the Territories grant programs (CFDA 15.875)**, predominantly for capital and infrastructure improvements, empower insular communities by improving the quality of life, creating economic opportunity and promoting efficient and effective governance in the U. S. territories.

**Highway Planning and Construction grants (CFDA 20.205)** help: to plan, construct, and preserve highway systems; to provide for the improvement of roads; to foster safe highway design; to replace or rehabilitate deficient or obsolete bridges and to preserve bridges that are still in good condition; and to provide for other special purposes. This program also provides transportation engineering services and funding for planning, design, construction, and rehabilitation of the highways and bridges. This program provides funding to invest in infrastructure and operational improvements that reduce congestion, improve safety and productivity.

**Federal Transit Formula Grants (CFDA 20.507)** support public transportation services in urbanized areas. Funds are used for capital projects to finance the planning, acquisition, construction, cost-effective lease, improvement, and maintenance of equipment and facilities for use in transit.

**Construction Grants for Wastewater Treatment Works (CFDA 66.418)**, awarded by the U.S. Environmental Protection Agency, assist and serve as an incentive in construction of wastewater treatment works which are required to meet Federal water quality standards and improve the water quality.

## Mission Statement

The mission of the Department of Tourism (DOT) is to increase visitor expenditures to aid in the economic development of the Territory.

## Scope and Overview

Pursuant to Title 3, Chapter 19, Section 330, the Department is primarily responsible for the economic development of the Territory through the promotion of tourism and related activities. Other responsibilities relate to the formulation, implementation, administration and coordination of programs and policies pertaining to all aspects of tourism. The Department is under the supervision of the Commissioner of Tourism.

Activities conducted by the Department of Tourism include developing strategies that will make the Territory competitive and desirable as a tourist destination; communicating and cooperating with all local tourist or tourist-related businesses to determine their needs and how best to promote the industry; promoting Virgin Islands culture as a part of the tourism experience; promoting an understanding of the importance of the tourism experience; developing strategies for the U.S. Virgin Islands in all businesses and industries throughout the Territory; identifying and promoting the unique features of St. Croix, St. John, St. Thomas, and Water Island in tourism advertising; and, developing long-term strategies to successfully develop the overall economy.

## Activity 92000 Administration and Management

### Functional Statement

The Administration and Management Unit is responsible for ensuring that the department operates in accordance with local and federal rules.

This Unit provides daily oversight and management of the entire financial operations of DOT, administers annual budgets and ensures that disbursal of funds accord with those allotted and in alliance with the rules and regulations governing the purchase and acquisition of goods and services. This Unit provides financial support to all divisions and collaborates with division heads to meet mandates. The Unit works in tandem with other financial institutions in resolving issues and concerns regarding the disbursement of funds. The Unit is charged with providing financial data in response to legislative inquiries and appearing at budget hearings. Periodically, the Administration and Management Unit conduct audits of the financial operations of the department to include offices operating outside of the Territory of the Virgin Islands. This Unit is also responsible for overseeing the Department's human resource needs and services, such as compensation, hiring, performance management, organization development, safety, wellness, benefits, employee motivation, communication, administration, training, and collective bargaining.

## Activity 92010 Marketing

### Functional Statement

Tourism revenues provide significant economic benefits for the U.S. Virgin Islands economy. As such, the Department of Tourism efforts are focused on enhancing local economic development by marketing our islands as a tourist destination both domestically and internationally in hopes of generating revenue and jobs. Our marketing strategy enables us to increase revenue to the territory by focusing our efforts on areas with the highest potential for return on investment.

## Activity 92020 Film Promotion

### Functional Statement

The Office of Film Promotion is an intricate part of the destination's tourism mix, contributing millions to the local economy. The division markets and advertise the United States Virgin Islands as a location for the production of audio-visual commodities to include feature films, television programs, commercials, still shoots, and music videos using the Territory as backdrop. Overall, the film marketing strategy is designed to spur on-island spend that benefits the local economy, as well as projects that favorably depict the destination to potential visitors.

## Activity 92100 Tourism Administration

### Functional Statement

The Tourism Administration Unit manages the daily operations of the Department. It's responsible for planning, implementing, supervising and coordinating all internal and external activities for the organization. It has an inherent obligation to build productive, beneficial and collaborative relationships with government agencies, the private sector and other organizations for the economic good of the Territory. In forging these strategic partnerships along with maintaining our community outreach programs the department works to discriminately expose our rich history, cultural traditions and genuine hospitality, which are essential and vital to the overall promotions of the U.S. Virgin Islands as a premier tourism destination.

## Activity 92110 Convention and Visitors' Bureau - STT/STJ/STX

### Functional Statement

The Convention and Visitors' Bureau provides information about on-island direct support services, activities and accommodations to current and prospective visitors through the disbursement of informational brochures, maps, pamphlets, and other promotional materials. Additionally, at the Territory's ports we meet and greet our daily visitors, assist in compiling relevant statistics concerning passengers, secure and sponsor cultural entertainment, provide local treats, assist passengers with an unanticipated crisis situation and participate in inaugural activities for a maiden voyage or new airline route to the Virgin Islands.

# **AUTONOMOUS AND SEMI-AUTONOMOUS AGENCIES**

## Autonomous and Semi-Autonomous Agencies

### Government Employees' Retirement System

The Government Employees' Retirement System of the Virgin Islands (GERS) was established by Act No. 479 and was statutorily created to administer a defined benefit pension plan sponsored by the Virgin Islands Government. The statutory mandate of the GERS is to encourage qualified employees to enter and remain in the service of the Government by establishing an orderly way for members, who become superannuated or incapacitated as a result of disability, to retire without suffering economic hardship. GERS became operative on October 1, 1959 when contributions by employees and the Virgin Islands Government commenced. In accordance with the mandatory provisions of the Act, all regular employees of the Virgin Islands Government, except those individuals who are excluded by law, must become members of the Retirement System within one month of service as a condition of their employment.

Responsibility for the operation of the System and the provisions of the V.I. Code are vested in the Board of Trustees, which is composed of seven (7) members; five (5) of whom are appointed by the Governor with advice and consent of the Virgin Islands Legislature. Two (2) members are retirees. The following members comprise the current Board:

- |  |                                   |
|--|-----------------------------------|
| 1) Dr. Wilbur Callender, Chairperson;  | 5) Desmond Maynard, Esq., Member; |
| 2) Judge Edgar Ross, Vice-Chairperson; | 6) Michael McDonald, Member; and  |
| 3) Carol Callwood, Member;             | 7) Leona Smith, Member.           |
| 4) Vincent Liger, Member;              |                                   |

The Administrator/CEO of GERS is Mr. Austin Nibbs, CPA, CGMA.

### Virgin Islands Port Authority

The Virgin Islands Port Authority (VIPA) was created through Act. No. 2375 of the Seventh Legislature of the Virgin Islands on December 24, 1968. Act No. 2405 later changed the official establishment date of the Authority to February 11, 1969. The Act established VIPA as a semi-autonomous agency charged with the ownership, operation, development, and management of all air and the majority of marine ports in the United States Virgin Islands. The Authority is also responsible for the Territory's harbors, but it does not control the mooring and anchoring of vessels. VIPA is governed by a Board of Directors which sets policy. The Executive Director is responsible for implementing these policies and overseeing the day-to-day operation of the agency. The Board is comprised of nine (9) members who represent St. Thomas, St. Croix, and St. John. Four (4) members of the Governor's Cabinet sits on the Board and serve at the discretion of the Governor. The five (5) other Board positions are reserved for private citizens who are appointed by the Governor and are subject to the approval of the Legislature of the Virgin Islands. These members are appointed to a three (3) year term of office and each is eligible for reappointment. The current members of the Board are the following:

- |                                    |                                    |
|------------------------------------|------------------------------------|
| 1) Laurel Hewitt-Sewer, Chair;     | 6) Gustav James, Member;           |
| 2) Yvonne E.L. Thraen, Vice Chair; | 7) Beverly Nicholson-Doty, Member; |
| 3) Claude E. Walker, Secretary;    | 8) Marvin Forbes, Member; and      |
| 4) Roberto Cintron, Member;        | 9) Vacant.                         |
| 5) Jose A. Penn, Member;           |                                    |

The Acting Executive Director of the Virgin Islands Port Authority is Mr. David W. Mapp.

## Virgin Islands Water and Power Authority

In 1964, the Authority was created as an instrumentality of the Government of the U.S. Virgin Islands (the "Government") pursuant to Chapter 5 of Title 30 of the U.S. Virgin Islands Code, as amended by Act 4108, approved on March 1978 and Act 4497 approved on October 23, 1980 (the "Virgin Islands Water and Power Authority Act" or the "Act"), for the purpose of developing an adequate electric and water supply for the Virgin Islands. Pursuant to the powers established by the Act, the Authority owns, operates and maintains electric generation, distribution, and general plant facilities that supply electric power and energy to over 55,000 customers in the U.S. Virgin Islands, which include the islands of St. Thomas, St. Croix, and St. John. The Authority also provides electric service to Hassel Island and Water Island, which are located near the St. Thomas harbor.

Recently, the Authority converted its electrical generation facilities to burn three different types of fuel: fuel oil, liquefied propane gas and liquefied natural gas. This conversion was part of the LPG conversion project which was to supply propane in conjunction with the design, construction and operation of the required infrastructure necessary to receive, store, vaporize, measure and deliver LPG on the island districts of St. Thomas – St. John and St. Croix.

The Authority also provides electricity through power purchase agreements of 8.2 MW of solar. These facilities have been producing power since 2014 and represent approximately eight percent of the power during peak hours.

The Authority has also completed an Automated Metering Infrastructure project that allows for meters to be read electronically, reduce outage duration, and operational costs. Some of the other benefits of the AMI project are: reduction of theft of service, Improved grid planning, quicker reconnects for customers after disconnected accounts are cured, greater flexibility in troubleshooting calls for service and voltage monitoring.

The Authority is under contract with a vendor to produce and supply potable water to over 12,000 customers in the USVI, through reverse osmosis, a system of wells and desalination facilities, The Authority also purchases water for retail distribution at strategically placed potable water standpipes.

The Executive Director of the Virgin Islands Water and Power Authority is Mr. Julio A. Rhymer, Sr. Members of WAPA's governing board include:

- |                                     |                             |
|-------------------------------------|-----------------------------|
| 1) Elizabeth Armstrong, Board Chair | 6) Gustav James, Member;    |
| 2) Noel Loftus, Vice Chair          | 7) Marvin Pickering, Member |
| 3) Juanita Young, Secretary         | 8) Hubert Turnbull          |
| 4) Cheryl Boynes Jackson, Member;   | 9) Gerald T. Groner, Esq.   |
| 5) Devin Carrington, Member;        |                             |

## Virgin Islands Public Finance Authority

The Virgin Islands Public Finance Authority (PFA or the Authority) was created by Act No. 5365 as a public corporation and autonomous governmental instrumentality, operating on behalf of the Government of the U.S. Virgin Islands (the Government). Its primary duties are: (1) to aid the Government of the U.S. Virgin Islands in the performance of its fiscal duties; (2) to raise capital, public or private, for essential public projects; and (3) to create programs and enter into contracts which will support the financing needs of the Government, promote economic recovery and contribute to the stability of the Territory's economy.

The U.S. Virgin Islands Code provides that the debts, obligations, contracts, bonds, assets, receipts, expenditures, accounts, funds, facilities, and property of the Authority shall be deemed to be those of the Authority and not to be those of the Government, or any of its Offices, Bureaus, Departments, Agencies, Commissions, Branches, Agents or employees.

The PFA is headed by Mr. Valdamier O. Collens, the Executive Director and the Board of Directors that is chaired by the Governor of the United States Virgin Islands, the highest elected official of the Territory. The members of the PFA's Board of Directors are as follow:

1. Governor Kenneth E. Mapp, Chairman;
2. Valdamier O. Collens, Executive Director of the PFA (Commissioner, Department of Finance)
3. Nellon Bowry, Member (Director, Office of Management and Budget)
4. Pablo O'Neill, St. Croix District Member,
5. Keith O'Neale, Jr., Secretary and St. Croix District Member.

Currently, two Board vacancies exist for the St. Thomas/St. John/Water Island District.

### **viNGN, Inc. – Virgin Islands Next Generation Network**

The Virgin Islands Next Generation Network (viNGN), Inc., d/b/a was created as a public corporation on October 22, 2010, rather than as a private corporation, and established as a wholly-owned subsidiary of the Virgin Islands Public Finance Authority (PFA), just as with the PFA-owned West Indian Company Limited (WICO).

viNGN, INC.'s primary purpose is to design, engineer, construct, develop, and operate a wholesale, 100% fiber optic cable, open access, high-speed broadband network, in order to provide more accessible, reliable, high speed internet connections and services at affordable prices and on equitable terms to ALL retail Internet Service Providers (ISPs), other broadband service providers, and public infrastructure stewards, who will, in turn, provide improved internet and other broadband services to businesses, residences, and government operations. viNGN's unprecedented build-out of a wholesale, 100% fiber optic, open access, high-speed broadband network across the four (4) inhabited United States Virgin Islands, with direct connections to the U.S. mainland and to the rest of the world, is designed to accelerate broadband deployment in unserved and underserved areas, to encourage broadband use/adoption, and to support institutions that are most likely to provide significant public benefit(s).

The members of viNGN's Board of Directors are as follows:

- 1) The Honorable Kenneth E. Mapp, Chairman;
- 2) Ms. Elizabeth Armstrong, Deputy Chairwoman;
- 3) Dr. H. Mark McGibbon, CEO and President;
- 4) Dr. Peter Schultz, Secretary;
- 5) The Honorable JoHann Clendenin, Member; and
- 6) Jose Luis Garcia Serrano, Member.

### **West Indian Company Limited**

The West Indian Company Limited was created in 1993 by the Legislature of the United States Virgin Islands (USVI) through the enactment of Act No. 5826, which approved the stock purchase agreement between the Government of the Virgin Islands and Selandia Finance and Investment B.V. for the purchase of WICO.

WICO's operations consist of servicing cruise ships owned by established shipping lines and leasing building space and land to third parties pursuant to a management agreement with the Government Employees' Retirement System (GERS). WICO is composed of four (4) departments: Marine & Cruise Operations, Construction, Leasing and Maintenance (CLM), Security and Accounting.

The members of WICO's Board of Directors are as follows:

- 1) Joyce Dore Griffin, Acting Chairperson;
- 2) Edward Thomas, Secretary;
- 3) Michael Watson, Chairperson of the Finance Committee;
- 4) Joseph Boschulte, Board Member;
- 5) April Moran Newland, Board Member;
- 6) Michele Nico, Board Member;
- 7) Mike Daswani; and
- 8) Thomas R. Lettsome, Board Member.

The President and Chief Executive Officer of WICO is Mr. Clifford Graham.

## **Virgin Islands Economic Development Authority**

The Virgin Islands Economic Development Authority ("VIEDA" or "Authority") is a semi-autonomous governmental instrumentality responsible for the development, promotion and enhancement of the economy of the U.S. Virgin Islands.

The VIEDA is the umbrella organization which assumes, integrates, and unifies the functions of the following subsidiary entities: the Economic Development Bank ("EDB"), the Economic Development Commission ("EDC"), the Economic Development Park Corporation ("EDPC"), and the Enterprise and Commercial Zone Commission ("ECZC").

The VIEDA operates under one Governing Board ("Board") in order to achieve maximum efficiency of operation to avoid duplication of services, positions, and responsibilities; to reduce expenses of personnel, physical plant and operations; and to develop comprehensive programs for the economic development of the U.S. Virgin Islands.

The VIEDA is a vehicle by which the Virgin Islands Government develops and nurtures the economic growth of the Territory. According to the legislation which governs the VIEDA, the Authority shall be governed by a seven (7) member board. Of the seven (7) members, three (3) shall not be employees of the Government of the Virgin Islands or the Government of the United States and shall be appointed by the Governor, with the advice and consent of the Legislature, for a term of three (3) years. Of the three (3) non-governmental employees, one must be a resident of St. Thomas, one must be a resident of St. John, and one must be a resident of St. Croix. Three (3) members shall be cabinet-level appointees. One (1) member shall be appointed from either the Board or executive staff of the Employees Retirement System of the Government of the Virgin Islands, Virgin Islands Port Authority, or the University of the Virgin Islands. Government members shall serve during the term of their government position, at the pleasure of the Governor, and may not receive compensation for their service on the Board. Non-government members are compensated at a rate of \$75.00 a day, or any fraction thereof. All members are entitled to per diem or reimbursement for necessary travel expenses.

Members of the Board of Directors are as follows:

- 1) José A. Penn, Interim Chairperson;
- 2) Phillip Payne, Interim Vice-Chairperson;
- 3) Avery Lewis, Secretary;
- 4) Haldane Davies , Member;
- 5) Juan Figueroa, Member
- 6) Catherine Hendry, Member; and
- 7) Simon Jones Hendrickson, Member.

The Acting Chief Executive Officer ("CEO") of the VIEDA is Mr. Wayne A. Biggs.

I, as amended by Act No. 5523.

## Virgin Islands Housing Authority

The Virgin Islands Housing Authority and the United States Department of Housing and Urban Development (HUD) entered into Annual Contributions Contract No. PR-37, dated May 26, 1959, as amended thereafter, pursuant to which the VIHA agreed to develop and operate certain low-rent housing, with the United States Department of Housing and Urban Development maintaining the low-rent character of such housing. The Housing Authority's powers, duties, and functions are pursuant to V.I. Code Ann. Title 29, Chapter

VIHA is federally funded through three primary programs: 1) the Public Housing Program; 2) the Housing Choice Voucher Program (HCV); and 3) the Capital Fund Program (CFP).

## Virgin Islands Lottery

The Virgin Islands Lottery (VIL) was founded in 1937 and its mandate was amended in 1971, within Title 32, Chapter 13 of the Virgin Islands Code. VIL is an instrumentality of the Government of the United States Virgin Islands and is the oldest continuous lottery of any state or territory. For the past eighty (80) years, VIL has been part of the social structure of the Territory of the Virgin Islands. From its inception, the traditional or "passive game" has been its staple, providing employment and a means of extra income for participants. The Lottery has experienced significant growth and development. VIL has increased its portfolio of games as a value-added measure and as a means of increasing players' satisfaction. As a result, the agency has become a more visible and viable contributor to the economy of the U.S. Virgin Islands.

An Executive Director, appointed by the Governor and supervised by the Virgin Islands Lottery Commission, manages VIL, the official lottery of the Virgin Islands. The Commission is comprised of the Department of Finance Commissioner, the Office of Management and Budget Director and three (3) appointed members. Each member of the Commission serves for a period of four (4) years. The Lottery Commission is the policy-making body, providing advice and oversight on operating and administrative activities. The Commission is authorized to promulgate rules and regulations governing the establishment and operations of the Lottery. The rules and regulations may include, but are not limited to, the passive game, lotteries conducted and classified as video gaming machines, slot machines, or any other type of gaming machine or device.

The Virgin Islands Lottery operates its income as an enterprise-fund parallel to operations in the private sector and uses the full accrual basis of accounting in accordance with the Generally Accepted Accounting Principles (GAAP) in the United States of America.

## Virgin Islands Public Broadcasting System - WTJX

The Virgin Islands Public Broadcasting System with the FCC-granted call letters, WTJX-TV, was created on November 13, 1968, as an independent, autonomous instrumentality. Governor Ralph M. Paiewonsky created the Virgin Islands Public Television Commission in the 60s and requested a feasibility study to recommend the best structure for Public Television in the Virgin Islands. Subsequently, the Virgin Islands Public Broadcasting System, otherwise known as WTJX, was established by Act 2364, by the Seventh Legislature of the Virgin Islands.

For 45 years, WTJX-TV has provided quality television to the people of the Virgin Islands and enriched lives, stimulated thinking, and increased public understanding of our complex world. WTJX ensures that our culturally and socially diverse audience has access to free, locally-based, enriching programs and education services. Additionally, five years ago, the Virgin Islands Public Broadcasting System acquired a non-commercial radio station: WTJX-FM, 93.1. WTJX-FM went on the air in January 2015 and is now the territory's only NPR (National Public Radio) station, providing quality news and information to the Virgin Islands community.

WTJX-TV is eligible for funds from the Corporation for Public Broadcasting (CPB), which is a private corporation created by the Federal government. It is the largest single source of funding for television and radio programming; and, like all broadcast outlets, is regulated by the Federal Communications Commission (FCC). WTJX-TV is a member of PBS (Public Broadcasting Service) a private, non-profit media enterprise, owned and operated by member stations. PBS produces and distributes rich, high-quality, television programs. The Government of the Virgin Islands' Executive and Legislative Branches, which appropriates and allots approximately 85% of funds for WTJX's operation, exercise some oversight.

The Chief Executive Officer is Tanya-Marie Singh, who is responsible for the day-to-day operation of the System. WTJX is run by a Board of Directors. The following are the current board members of the Virgin Islands Public Broadcasting System:

- |                                    |                                 |
|------------------------------------|---------------------------------|
| 1) Jose Raul Carrillo, Chairman;   | 6) Dr. Sharon McCollum, Member; |
| 2) George Moore, Vice Chairman;    | 7) Mary Moorhead, Member;       |
| 3) James A.D. Francis, Treasurer;  | 8) David Johnson, Member;       |
| 4) Dr. Laverne E. Ragster, Member; | 9) Nellon Bowry, Member.        |
| 5) Dr. David Hall, Member;         |                                 |

## Election System of the Virgin Islands

The Election System of the Virgin Islands (ESVI) was created through Act No. 936 on February 20, 1963, by the Legislature of the Virgin Islands. The authority for the Election System of the Virgin Islands is derived from Title 18 of the Virgin Islands Code. The statute establishes the organizational structure of the Agency, which is comprised of four divisions: Joint Boards of Elections, St. Thomas-St. John District Board of Elections, St. Croix District Board of Elections, and the Office of the Supervisor of Elections. Each District Board of Elections consists of seven (7) members elected from the respective districts for a four (4) year term; the St. Thomas-St. John District must include two (2) members who reside on the island of St. John. The Boards are the policy making bodies of the Election System of the Virgin Islands.

The following are current members of the Joint Boards:

- |   |                                  |
|---|----------------------------------|
| 1) Barbara Jackson McIntosh, Chair          | 8) Epiphane Joseph;              |
| 2) Carla Joseph, Vice Chair                 | 9) Lisa Harris Moorhead;         |
| 3) Arturo Watlington, Jr., Esq., Secretary; | 10) Alecia M. Wells;             |
| 4) Adelbert M. Bryan;                       | 11) Ivy K. Moses;                |
| 5) Glenn Webster;                           | 12) Diane J. Magras-Urena;       |
| 6) Lilliana Belardo de O'Neal;              | 13) Maurice A. Donovan, Jr.; and |
| 7) Raymond J. Williams;                     | 14) Lydia Hendricks.             |

The Supervisor of Elections is Ms. Caroline Fawkes.

## Hospital and Health Facilities Corporation

Hospital & Health Facilities Corporation

In accordance with Act No. 6012, as amended by Act No. 6279, the Virgin Islands Government Hospital and Health Facilities Corporation was established to ensure that quality, comprehensive health care is available to residents and visitors throughout the territory. The Corporation, whose authority was expanded to incorporate the functions of human resources, the procurement of goods and/or services, and the financial management of the Hospital Revolving Fund, is committed to providing effective, affordable quality health care by implementing a new management structure that preserves decentralized control over health care facilities, yet incorporates the benefits of territory-wide planning and coordination.

The Schneider Regional Medical Center (SRMC) is a semi-autonomous agency within the Virgin Islands Government. Our facilities include the Roy Lester Schneider Hospital, the Charlotte Kimelman Cancer Institute, and the Myrah Keating Smith Community Health Center on St. John.

The Roy L. Schneider Hospital is a 169-bed, licensed facility that offers a plethora of services. The Cancer Institute has advanced technology in cancer detection and treatment, and the Myrah Keating Smith Community Health Center provides a variety of primary health care services and is the only health center on St. John that offers 24-hour urgent care, seven (7) days a week. SRMC has a solid base of highly skilled and qualified physicians, surgeons, and clinical practitioners committed to providing optimal care. SRMC is exploring opportunities to expand its services at all three (3) facilities and add new technology to further enhance the quality of care we provide, such as digital mammography, pacemaker insertions, surgical ablations (as an alternative to total hysterectomies), and electroconvulsive therapy.

## Governor Juan F. Luis Hospital and Medical Center

The Governor Juan F. Luis Hospital and Medical Center's (JFL) mission is to drive the improvement of the health of those we serve, while exemplifying compassion and respect.

All hospital personnel are integral parts of a team that encourages innovation and single-minded dedication to improving the health of those we serve. We pledge to improve the quality of healthcare through a disciplined approach involving a significant investment of commitment, time, capital, and collaboration. In future years, we will attract and retain first-rate team members who will achieve extraordinary results for those who we serve. The quality of our customer service will attract patients and physicians as we continually improve our skills, services, methods and products to ensure enduring results.

### JFL's core responsibilities are:

- To deliver healthcare services of exceptional quality and value
- To create an environment of teamwork that bolsters employee morale
- To recognize and continually develop and encourage partnerships with employees, volunteers, patients, physicians, and other providers

- To generate sufficient profits for our health system in order to continually improve our ability to provide quality care
- To value and promote respect for and between our patients, their families, physicians, team members, and community
- To foster a strong bond between our community and team members
- To nurture, encourage, and celebrate the growth of our health system
- To continuously develop, research, and implement innovative and efficient healthcare products and services

## Office of the Virgin Islands Inspector General

The Office of the Virgin Islands Inspector General, formerly the Virgin Islands Bureau of Audit and Control, was created on December 14, 1999, with the passage by the Virgin Islands Legislature of Act No. 6333. As a separate, independent agency of the Government of the Virgin Islands, the Virgin Islands Inspector General's Office functions as the major auditing arm of the Government.

Act No. 6333 gave the Virgin Islands Inspector General's Office additional responsibilities to: a) conduct audits, inspections and investigations of programs and operations of the Virgin Islands Government; b) provide leadership in coordinating and recommending policies to promote economy, efficiency and effectiveness in the operations of the Virgin Islands Government; c) investigate and recommend policies to prevent fraud, waste, and abuse; d) refer criminal conduct to the Attorney General for criminal action; and, e) bring monetary losses to the attention of the Attorney General for appropriate recovery by civil suit.

The audit and investigative authority of the Virgin Islands Inspector General's Office extends to all three branches of the Virgin Islands Government, including the semi-autonomous and autonomous instrumentalities. The law requires that audits be performed in accordance with standards established by the United States General Accounting Office and the American Institute of Certified Public Accountants.

## Virgin Islands Waste Management Authority

The Virgin Islands Waste Management Authority (VIWMA) was created in January 2004 by the 25<sup>th</sup> Legislature of the Virgin Islands to provide solid waste and waste water management services to the people of the United States Virgin Islands. Act No. 6638 established the VIWMA as a non-profit, public body, corporate and politic of the Government of the Virgin Islands (GVI). The VIWMA provides solid waste collection and disposal services to residential and governmental customers throughout the Territory. Commercial customers must collect and dispose of their solid waste. VIWMA provides wastewater collection, treatment, and disposal services to residential, governmental, and commercial customers connected to the public sewer system.

It is constituted as an autonomous instrumentality of the GVI with a Governing Board of Directors comprised of seven (7) members, three (3) from the public sector and four (4) from the private sector. The following five Board members currently serve:

1. Harith Wickrema, Chairman;
2. LaToya Williams, Secretary;
3. Norbert Rosado, Member;
4. Gustav James, Member; and
5. Clifford Joseph, Member.

## Virgin Islands Board of Education

The Virgin Islands Board of Education was established almost sixty-five (65) years ago to oversee specific functions in education. These functions include, but are not limited to, the following:

- 1) Oversight of the Territorial Scholarship/Loan Program;
- 2) Oversight of Special Legislative Grants;
- 3) Oversight of federal monies in the Department of Education;
- 4) Certification of education professionals;
- 5) Initiation and revision of educational policies; and
- 6) Oversight of school plants and facilities.

The Board consists of nine (9) elected members, four (4) from the St. Thomas/St. John District, four (4) from the St. Croix District, and one (1) member-at-large from the island of St. John. Current Board Members are as follows:

- |   |   |
|---|---|
| 1) Winona A. Hendricks, St. Croix District;           | 6) Arah C. Lockhart, St. Thomas/St. John District;  |
| 2) Mary L. Moorhead, St. Croix District;              | 7) Nandi Sekou, Esq., St. Thomas/St. John District; |
| 3) Terrence T. Joseph, St. Croix District;            | 8) LaVerne Slack, St. Thomas/St. John District; and |
| 4) Martial Webster, Esq., St. Croix District;         | 9) Oswin Sewer, Sr., Member-At-Large.               |
| 5) Judy M. Gomez, Esq., St. Thomas/St. John District; |   |

The Executive Director of the Board of Education is Ms. Debra E. Gottlieb.

**GOVERNMENT OF

ISLANDS**  
**Virgin Islands  
Career and  
Technical Education  
Board**  
**"CTE that Works  
for the Virgin  
Islands"**

## Virgin Islands Career and Technical Board

Title 17, Chapter 23, Subchapter I, Subsections 261 and 262 established the Virgin Islands Career and Technical Board (VICTEB) in 1950. The VICTEB is responsible for the administration of all Career and Technical Education (CTE) Programs in the territory's schools. Teacher Certification is also the responsibility of the VICTEB along with the approval of all Private CTE schools or programs wishing to operate in the Virgin Islands.

The VICTEB operates and carries out its mission through two units. The Executive Board that has ultimate responsibility for policy development, fiscal accountability and program oversight; and the Administrative Office that implements the VICTEB's initiatives and manages the day-to-day operations.

The VICTEB by VI Code is comprised of a minimum of nine (9) Board members that serve by appointment of the Governor and approval of the Senate. The Board is currently comprised by three of the nine members:

1. Ilene Garner: Acting Board Chair (St. Thomas District);
2. Ronnie Jones: Treasurer (St. John);
3. Eddie Williams: Member (St. Croix District).

The positions of Vice Chair and Secretary are currently unfilled. Once new members are appointed, the Board will hold elections for officers.

## University of the Virgin Islands

The University was opened in July, 1963, with a campus on St. Thomas consisting of 175 acres of land previously occupied by a Navy Department installation and deeded to the University by the federal government for educational purposes. Two types of programs, a liberal arts program and occupational program, were offered leading to an associate in arts degree. To provide educational opportunities for the residents of St. Croix at the University level, an evening program was established in October 1964 on a 125 acre campus obtained from the federal government.

The University of the Virgin Islands is the U. S. Virgin Islands' only public, baccalaureate diverse institution of higher education. It is a Land Grant institution and a Historically Black College and University. UVI is also part of the Sea Grant network through the University of Puerto Rico. The two campuses of UVI have a combined enrollment of approximately 2,350 students. The institution offers 35 associate and bachelor degrees and six masters' degrees across its five colleges and schools. It is accredited by the Middle States Commission on Higher Education and its professional schools are either accredited or have begun the process of seeking accreditation from specialized accrediting agencies. In Fall 2015, full-time faculty totaled 110, with 79 percent holding doctoral degrees with 43 percent tenured and 148 part-time faculty. Its 374-member administrative and support staff serves a diverse student population from a number of Caribbean island nations, the U.S. mainland, and countries around the world. More than 90 percent of the student population is from the Territory, 66 percent are black, 42 percent are 19 years of age or younger, 12 percent are Hispanic, 38 percent are male, and 75 percent are full time.

The University is currently governed by a 12 member Board of Directors. The Board members are:

- |   |   |
|---|---|
| 1. Governor Kenneth E. Mapp, Honorary Chairman*   | Chair                                     |
| 2. Henry C. Smock, Esq., Chairman                 | Debbie Bermudez, Student Trustee          |
| 3. Alexander Moorhead, Vice Chairman              | Jacqueline A. Sprauve, UVI Alumni Trustee |
| 4. Dr. David Hall, Secretary                      | Jennifer Nugent-Hill                      |
| 5. Dr. Sharon McCollum, Commissioner of Education | Oran Bowry, Member                        |
| 6. Winona Hendricks, Board of Education           | Dr. Yvonne E. L. Thraen                   |
|   | Dr. David Gould, Faculty Trustee          |
|   | Dr. Wesley S. Williams, Jr.               |

Dr. David Hall is the fifth President of the University of the Virgin Islands.

## Description of Funds

### Adult Education Fund

The Adult Education Fund was created pursuant to Title 17, Chapter 21, Section 242, Virgin Islands Code (VIC). All tuition fees paid by students attending evening classes shall be deposited in the Adult Education Fund. Monies shall be disbursed by the Commissioner of Finance exclusively for use of the adult education program, established and authorized by the Commissioner of Education.

### Agriculture Revolving Fund

The Agriculture Revolving Fund was created pursuant to Title 33, Chapter 111, Section 3018, VIC. The fund shall consist of all revenues derived from the sale of agricultural products, livestock feeds, fruit trees, ornamentals, animals, water, and the rental of agricultural equipment, and all revenue from the rental or lease of government-owned lands for farming. All monies pertaining to the fund shall be disbursed by the Commissioner of Finance, exclusively for the expenditure of the Department of Agriculture for the purchase of seeds, fertilizers, insecticides, fungicides, other agricultural and farm equipment, and for the production and encouragement of temporary agricultural workers for planting and reaping.

### Anti-Litter and Beautification Fund

The Anti-litter and Beautification Fund was created pursuant to Title 33, Chapter 3, Section 42, VIC. It consists of advance disposal fees required to be credited to the fund, and other amounts appropriated thereto from time to time by the Legislature. No money in the fund shall be available for expenditure except as appropriated annually by the Legislature and disbursed by the Commissioner of Finance for the following purposes: establishment of recycling programs and redemption centers; reimbursement of redemption centers, established under Title 19, Section 1557a, for sums paid in exchange for materials turned in for recycling, in an amount to be determined by the Anti-litter and Beautification Commission; roadside cleanup and beautification; removal and disposal of abandoned vehicles; increased enforcement of anti-litter laws; anti-litter educational campaigns; administration and expenses in an amount not to exceed thirteen percent of the deposits to the fund in any fiscal year; and such other purposes or activities of the Anti-litter and Beautification Commissions as are consistent with the purposes of Title 19, Chapter 56, VIC. Act No. 6638 transferred the administration of the fund to the direction of the Waste Management Authority.

### Budget Stabilization Fund

The Budget Stabilization Fund was created pursuant to Title 33, Chapter 111 Section 3100m. Its source of revenue is an annual appropriation of not less than ten million dollars or any fiscal year end surplus within the Treasury of the Virgin Islands. Funds can be transferred from the Budget Stabilization Fund for the purpose of offsetting any deficit in the General Fund at the end of a fiscal year which occurs when the sum in the General Fund is less than the appropriations during a fiscal year. Transfers can also be made to offset a temporary shortfall in the General Fund caused by lagging revenue collections or to provide emergency funding for disaster recovery in a state of emergency declared by the Governor. Any funds in excess of five percent of the total appropriations from the General Fund for the fiscal year in progress must be applied to the Government's long-term debt, unfunded pension liability, and bond indebtedness. The Commissioner of Finance shall disburse monies in the Fund upon the authorization and direction of the Director of the Office of Management and Budget. Any sum used to offset a temporary shortfall must be repaid to the Fund by the end of the fiscal year. The Commissioner of Finance and the Director of the Office of Management and Budget shall submit a report of any allocations, expenditures, and obligations to the Governor and the Legislature within sixty days after disbursement.

## Description of Funds

### Bureau of Motor Vehicles Fund

The Bureau of Motor Vehicles Fund was created pursuant to Act No. 6761, Section 232. The fund shall consist of all monies received as fees collected by the Bureau of Motor Vehicles under the provisions of Title 20, Chapter 39 of VIC, and any sums appropriated by the Legislature. Upon the certification of the Director of the Bureau of the Motor Vehicles, the Commissioner of Finance shall disburse the greater of ten percent of the fund or one million dollars for the purchasing of supplies, equipment, and personnel services, along with the operating expenses of the Bureau of Motor Vehicles.

### Business and Commercial Properties Revolving Fund

The Business and Commercial Properties Revolving Fund was created pursuant to Title 31, Chapter 21, Section 202, VIC, as a separate and distinct fund within the Treasury of the Virgin Islands. Its source of revenue is rentals and other income derived from the properties managed by the Department of Property and Procurement. There is appropriated annually from the Business and Commercial Properties Revolving Fund, funds that are necessary for the management of properties, services, materials, and other costs connected with such properties.

### Caribbean Basin Initiative Fund

The Caribbean Basin Initiative Fund was created pursuant to 26 USC (Public Law 98-67). Its source of revenue is the total excise tax revenue, collected by the U.S. Excise Tax Division on all non-US rum imported into the United States, which is annually rebated to the United States Virgin Islands. This funding is appropriated by the Legislature as a contribution to the General Fund.

### Casino Revenue Fund

The Casino Revenue Fund was created and established in the Department of Finance pursuant to Title 32 section 515 and 516(a) (1) VIC. Monies in this fund shall be appropriated exclusively for the following purposes: fifteen percent to hospitals and health; eighteen percent to education; twenty percent to the Department of Sports, Parks and Recreation; ten percent to the Department of Agriculture; five percent to tourism and casino promotion; eight percent to the Union Arbitration Award and Government Employees Increment Fund; one percent to VI Bureau of Internal Revenue; five percent to the University of the Virgin Islands; ten percent to the Casino Control Commission; five percent to Public Safety; one percent for Gambling Addiction and Education Programs; and two percent for the reconstruction and rehabilitation of two historic district towns in St. Croix.

### Central Motor Pool Fund

The Central Motor Pool Fund was created pursuant to Title 33, Chapter 111, Section 3044, VIC for the acquisition, identification, operation, maintenance, storage, supervision, control, and regulation of all of the territorial government-owned motor vehicles. It consists of all sums appropriated by the Legislature and from the proceeds of all sales of government-owned motor vehicles. The Fund shall be disbursed by the Commissioner of Finance at the direction of the Commissioner of Property and Procurement.

## Description of Funds

### Central Warehousing and Inventory Fund

The Central Warehousing and Inventory Fund was created pursuant to Title 3, Chapter 13, Section 220, VIC. The Director of the Office of Management and Budget is authorized to transfer to the Department of Property and Procurement, in whole or in part, the amount appropriated for materials, equipment or supplies in any fiscal year for any department or agency of the executive branch or any board or commission. The transfer shall be for the purpose of procurement of materials, supplies, equipment, parts, and other operating tools for all departments, agencies, boards, and commissions of the Government of the Virgin Islands. The purpose of the fund shall be to facilitate prompt payment of bulk purchases where such prompt payment will result in a discount of the purchase price. The Commissioner of Property and Procurement shall ensure a steady supply of materials, supplies, equipment, parts, and other operating tools of each department, agency, board, and commission within each fiscal year.

### Consumer Protection Fund

The Consumer Protection Fund was created pursuant to Title 33 Chapter 111, Section 3062 VIC to protect the public from fraud, confusion, deception, misrepresentation, and other fraudulent practices within the market place. It consists of all sums appropriated by the Legislature and all fines and penalties imposed by courts and the Commissioner of Licensing and Consumer Affairs for violations of the Consumer Protection Laws of Title 12A, VIC. Monies shall be disbursed by the Commissioner of Finance, upon the authorization of the Commissioner of the Department of Licensing and Consumer Affairs.

### Corporation Division Revolving Fund

The Corporation Division Revolving Fund was created pursuant to Title 33, Chapter 111, Section 3085, VIC. The fund shall consist of ten percent of the total monies collected by the Division of Corporation of the Office of the Lieutenant Governor, including ten percent of all fines, penalties, and such sums appropriated by the Legislature, all of which shall remain available until expended. Monies shall be disbursed from the fund by the Commissioner of Finance, upon the authorization and direction of the Lieutenant Governor, for the purpose of purchasing and maintaining microfilm and data processing equipment, and the purchase of related supplies and equipment, for staffing and other necessary equipment and services.

### Crime Prevention/Prosecution Fund

The Crime Prevention/Prosecution Fund was created pursuant to Title 33, Chapter 111, Section 3051, VIC for the purpose of discharging the Department of Justice's responsibility for criminal law enforcement and prosecution, and for extradition of fugitives to and from other jurisdictions. It consists of sums appropriated by the Legislature, all fines imposed by courts for violations of Title 14 of the VIC, sums collected from forfeited bail, proceeds from public sale of confiscated property and sale of donated properties, and grants and contributions specifically for the purposes of this Fund. Monies shall be disbursed by the Commissioner of Finance upon the authorization of the Attorney General.

## Description of Funds

### Crisis Intervention Fund

The Crisis Intervention Fund was created pursuant to Title 33, Chapter 111, Section 3091. It consists of monies appropriated and deposited into the Crisis Intervention Fund each year from the Caribbean Basin-Initiative Fund and the Internal Revenue Matching Fund, as authorized by law and, other sums appropriated by the Legislature. Monies shall be disbursed from the fund by the Commissioner of Finance, upon the authorization of the Commissioner of the Department of Human Services, for the purpose of funding programs relating to family and youth crisis intervention services and disbursement of grants to authorized youth organizations as provided by law. However, no more than twenty percent of the monies disbursed from the Crisis Intervention Fund shall be used for personnel services.

### Data Processing Revolving Fund

The Data Processing Revolving Fund was created pursuant to Title 33, Chapter 111, Section 3016, VIC. It consists of all monies paid or otherwise made available to the Government of the Virgin Islands for the development of Data Processing Systems, or in payment for data processing services provided to agencies and departments or instrumentalities. The Fund shall be disbursed by the Commissioner of Finance exclusively for the expenditure of the Department of Finance for any and all supplies and equipment, contractual services, and other necessary services as may be incidental thereto, for the operation and maintenance of Data Processing Services within the Department of Finance.

### Emergency Housing Fund

The Emergency Housing Fund was created pursuant to Title 21, Chapter 29, Section 206 VIC. The sum of one hundred fifty thousand dollars shall be appropriated from the General Fund of the Treasury of the Virgin Islands. The Fund shall be expended for the construction and operation of emergency housing as authorized in Sections 201-205 of Title 21, for the stimulation of private home construction through programs authorized by the Governor, and for the improvements to housing developments under the jurisdiction of the Virgin Islands Housing Finance Authority.

### Emergency Services Fund

The Emergency Services Fund was created pursuant to Title 33, Chapter 111, Section 3099, VIC and amended by Act No. 6333, Section 29. It consists of all the proceeds from the emergency surcharges added to any telephone, electrical, sewage, or other utility bill or tax schedule; grants, donations, and gifts specifically for the use set forth of this fund; and all sums appropriated by the Legislature. Monies in the Emergency Services Fund shall be expended by the Commissioner of Health, the Director of VITEMA, or the Director of Fire Services for the purchase of equipment, professional services, or supplies necessary to provide, maintain, and improve the emergency medical services, fire services, or 911 emergency services and equipment.

### Financial Services Fund

The Financial Services Fund was created pursuant to Act No. 6727, Section 15. The fund shall consist of all monies collected by the Division of Banking and Insurance of the Office of the Lieutenant Governor pursuant to Title 9, VIC, and such sums as appropriated by the Legislature, all of which remain available until expended. Monies shall be disbursed from the fund by the Commissioner of Finance, upon authorization and direction of the Lieutenant Governor, for the purpose of providing staffing and services, purchasing and maintenance of equipment, and for such other utilization as may be determined by the Banking Board of the Virgin Islands.

## Description of Funds

### Fish and Game Fund

The Fish and Game Fund was created pursuant to Title 12, Chapter 1 Section 81, VIC. It consists of all the proceeds from all hunting and firearms licenses, excise taxes on firearms, parts and ammunition, and all fines imposed by the courts for violations of the fish, game, or conservation laws. The Commissioner of Finance is directed to maintain and disburse funds upon the request of the Commissioner of Planning and Natural Resources, only for the purpose of wildlife restoration projects and in administering and enforcing fish, game, and conservation laws.

### Fire Service Emergency Fund

The Fire Service Emergency Fund was created pursuant to Title 33, Chapter 111, Section 3032, VIC. The fund shall consist of all sums appropriated thereto from time to time by the Legislature, all monies collected from inspections of buildings and premises, and all fees and charges collected for fines and charges for permits, certified copies of reports, and other services provided by the Virgin Islands Fire Service. The monies in the fund shall be disbursed by the Commissioner of Finance, upon authorization by the Director of the Virgin Islands Fire Service, for payments of extraordinary expenses incurred in fighting fires and other emergencies involving the Virgin Islands Fire Service. The fund may also be utilized for the hiring of fire inspectors and for purchasing firefighting equipment and supplies.

### Government Insurance Fund

The Government Insurance Fund was created pursuant to Title 24, Chapter 11, Section 265, VIC. It consists of all premiums received and paid into the fund by Virgin Islands employers, properties and securities acquired by the fund, and interest earned upon monies belonging to the fund. This fund shall be administered by the Commissioner of Finance and shall be used for the payment of lost wages sustained on account of injuries on the job, as well as medical expenses related thereto.

### Health Revolving Fund

The Health Revolving Fund was created pursuant to Title 33, Chapter 111, Section 3017, VIC. It consists of all revenues derived from the Department of Health, medical fees which are authorized to be charged for dental and medical services, all payments by the Department of Human Services under its contract with the Department of Health covering medical care for the aged, and all sums reimbursable to the Department of Health of the Virgin Islands from Federal Grants-in-Aid Programs, for costs of services rendered to all eligible patients receiving outpatient services from the Department. The Governor, upon the recommendation of the Director of the Office of Management and Budget, and with the approval of the Legislature or the Finance Committee of the Legislature, if the Legislature is not in session, is hereby authorized to make transfers from the Health Revolving Fund to the General Fund.

## Description of Funds

### Home for the Aged Revolving Fund

The Home for the Aged Revolving Fund was created pursuant to Title 34, Chapter 1, Section 18, VIC. The fund shall consist of all sums appropriated thereto from time to time by the Legislature, payments and contributions received from the residents of the homes or their relatives responsible by law for the residents support for the actual cost of maintaining residents at the homes, and any gifts or bequests. Monies shall be disbursed from the fund by the Commissioner of Finance, upon authorization from the Commissioner of Human Services, for the purpose of maintaining and operating the homes and also may be utilized to purchase equipment. All monies in the fund shall remain available until expended.

### Homestead and Home Loan Fund

The Homestead and Home Loan Fund was created pursuant to Title 3, Chapter 13, Section 218, VIC, for the purpose of assisting qualified applicants to construct their homes and related purposes as authorized by law. It consists of monies derived from the sale of land, interest on loans, and other monies, bonds, and other sureties which may be appropriated by the Legislature. All the monies shall be disbursed by the Commissioner of Finance.

### Indirect Costs of Grants-in-Aid Fund

The Indirect Costs of Grants-in-Aid Fund was created pursuant to Title 33, Chapter 111, Section 3025, VIC. It consists of all eligible grants-in-aid payment of allowable indirect cost of such grants. The Indirect Cost Fund shall be utilized for the purposes of improving federal grants administration and management in the Territory and increasing the Virgin Islands' participation in Federal grant-in-aid programs, including but not limited to, grant, budget, and accounting assistance, grant proposal development, grant management training, special studies, and acquisition of equipment intended for the improvement of central administration, accounting, or reporting of Federal grant programs, and other purposes.

Funds deposited into the Indirect Cost Fund may be appropriated annually by the Legislature to support all operating expenses, including salaries, for the Office of the Federal Programs Coordinator, to support federal programs activities established within the various departments or agencies of the Government receiving Federal grants assistance, and for grant-in-aid matching purposes when other matching fund sources are not available pursuant to an office budget prepared by the Federal Programs Coordinator.

### Interest Earned on Bond Proceeds

The Interest Earned on Bond Proceeds Fund was created to be expended on purposes deemed appropriate as specified by the Legislature of the Virgin Islands.

### Interest Revenue Fund

The Interest Revenue Fund was created pursuant to Title 33, Chapter 111, Section 3026a, VIC, to provide the accounting mechanism for the collection and disbursement of unrestricted funds as they relate to interest earned. All revenues of the Government of the Virgin Islands derived from interest earned on deposits of governmental funds, except interest earned on funds which the government holds or administers as custodian or trustee, or any interest revenues which by law are paid into other special funds of the Treasury, are deposited into this fund. Therefore, no funds are available for expenditure except as provided by the Legislature, who appropriates amounts as a contribution to the General Fund.

## Description of Funds

### Internal Revenue Matching Fund

The Internal Revenue Matching Fund was created pursuant to Section 28 Revised Organic Act of 1954, which authorizes the receipt of revenues transferred and paid to the Government of the Virgin Islands as a result of excise taxes imposed by the U.S. Treasury Department and collected during the fiscal year under the Internal Revenue Laws of the United States, on certain products produced in the United States Virgin Islands and exported to the United States. The current source of revenue is excise taxes collected by the United States Government on rum products produced in the Virgin Islands and exported to the United States. Amounts can be expended as may be determined by the Legislature, but subject to prior pledges to bond holders.

### Junior Reserve Officers' Training Corps (JROTC) Fund

The JROTC Fund was established as a distinct fund within the Treasury of the Virgin Islands pursuant to Title 33, Chapter 111, Section 3078, VIC. The fund shall consist of all sums appropriated by the Legislature, all gifts, bequests or contributions made to the fund and all federal money returned to the local government as reimbursement of salaries for JROTC instructors. Monies shall be disbursed by the Commissioner of Finance, upon the certification of the Commissioner of Education, for the purpose of JROTC activities including the cost of travel for cadets, purchase of equipment, supplies, and other related expenditures.

### Land Bank Fund

The Land Bank Fund was created pursuant to Title 33, Chapter 111, Section 3004, VIC. It consists of the proceeds of all sales of real property belonging to the Government of the Virgin Islands, except such proceeds as are specifically reserved for the Moderate Income Housing Fund created by Section 4 of Act No. 1927, which were approved April 18, 1967, and such proceeds as are required to be deposited into the Housing Construction Revolving Fund created by section 3058 of this title; all sums appropriated thereto from time to time by the Legislature and all amounts borrowed and transferred thereto pursuant to law. Also, monies pertaining to the Land Bank Fund shall be available for purchases, authorized by law, of real property (including improvements thereon) for purposes of public housing, outdoor recreation, conservation, or any other public uses or purposes.

### Legal Publications Revolving Fund

The Legal Publications Revolving Fund was created pursuant to Title 3, Chapter 3, Section 34, VIC. The fund constitutes all of the monies received by the Office of Legal Publications from any purchaser including the Government of the Virgin Islands, its agencies, and departments, together with any donations, gifts, and grants received by the Office of Legal Publications, and any annual appropriations for the operation of the Office of the Lieutenant Governor. All monies shall be disbursed by the Commissioner of Finance exclusively for any and all supplies and equipment, contractual services, and other services for the operation and maintenance of the Office of Legal Publications.

## Description of Funds

### Moderate Income Housing Fund

The Moderate Income Housing Fund was created pursuant to Title 33, Chapter 33, Section 3027, VIC. The fund shall consist of all sums appropriated by the Legislature, the proceeds of all sales or rentals of moderate income housing, gross receipts tax up to two hundred fifty thousand dollars annually, all amounts transferred by the Governor from the Emergency Housing Fund in accordance with the provision of Chapter 2 of Title 29, and all amounts borrowed pursuant to the provisions of Section 191(h) of Title 29. Monies of the Fund shall be disbursed by the Commissioner of Finance for the payment of annual installments and for repayment on the principal and interest on loans authorized by law from the reserves of the Employee's Retirement System of the Government of the Virgin Islands. The balance of monies of the Fund shall be disbursed by the Commissioner of Finance, upon the certification by the Commissioner of Sports, Parks and Recreation, for the purpose of carrying out provisions of Chapter 1, Title 29 of the Virgin Islands Code and for use in connection with moderate income housing projects.

### Molasses Subsidy Fund

The Molasses Subsidy Fund was created pursuant to Title 33, Chapter 111, Section 3036, VIC. The Fund shall consist of monies appropriated by the Legislature and shall remain available until expended. Monies from the Fund shall be paid to established industries engaged in the processing of molasses into rum within the Virgin Islands.

### Natural Resources Reclamation Fund

The Natural Resources Reclamation Fund was created pursuant to Title 12, Chapter 21, Section 911, VIC. The Fund shall consist of permits and other fees and fines paid pursuant to the provision of Title 12, Chapter 21 other funds appropriated by the Legislature. However, once the Fund balance equals \$275,000, all monies in excess of the \$275,000 shall be deposited in the General Fund. The Commissioner of Finance is directed to maintain and authorize the disbursements of the Fund upon the certification of the Commissioner of Planning and Natural Resources.

### Personalized License Plate Fund

The Personalized License Plate Fund was created pursuant to Title 33, Chapter 111, Section 3065, VIC. Monies collected from the sale of license plates shall be deposited into the Fund and shall be appropriated annually. The Commissioner of Finance shall disburse fifty percent of the Fund upon the certification of the Director of the Bureau of Motor Vehicles and the remaining fifty percent shall be deposited into the General Fund.

### Pharmaceutical Assistance to the Aged Fund

The Pharmaceutical Assistance to the Aged Special Fund was created pursuant to Title 33, Chapter 111, Section 3073, VIC. The fund shall consist of all sums appropriated thereto from time to time by the Legislature and 15% of the total revenues collected by the Virgin Islands Lottery pursuant to Act No. 6645. The funds shall be used to provide financial assistance to certain individuals (60) years of age and over for their acquisition of prescription drugs, including refills of prescription drugs.

## Description of Funds

### Public Parking Lot Fund

The Public Parking Lot Fund was established in the Treasury of the Virgin Islands as a special fund pursuant to Title 33, Subtitle 3, Chapter 111, Section 3007, VIC. The Public Parking Lot Fund consists of four separate accounts: St. Croix Public Parking Lot Fund, St. Thomas Public Parking Lot Fund; St. John Public Parking Lot Fund; and Water Island Public Parking Lot Fund. All fees collected for the use of public parking lots on each island shall be deposited in the respective island's Fund. The Commissioner of Finance shall make available, out of the funds in each island's Public Parking Lot Fund, disbursements to the Department of Public Works for upgrades and repairs to the respective island's public parking lot. The Commissioner of Finance shall maintain and provide for the administration of each island's fund and no funds therein shall be available for other expenditure.

### Public Services Commission Revolving Fund

The Public Services Commission Revolving Fund was established in the Treasury of the Virgin Islands as a special revolving fund pursuant to Title 33, Chapter 111, Section 3077, VIC. All monies therein shall be used exclusively to pay the necessary and proper expenses of the Public Services Commission. The Fund shall consist of all sums appropriated thereto by the Legislature and all fees which are derived from annual assessments of utilities up to the ceiling amount established in Title 30, Section 25a, subsection (b), VIC which fees shall be deposited into the Fund. All monies contained in the Fund shall constitute the annual budget of the Commission.

### Public Transportation Fund

The Public Transportation Fund was established in the Treasury of the Virgin Islands as a separate and distinct fund pursuant to Title 33, Subsection 3, Chapter 111, Section 3100a, VIC. The Commissioner of Finance shall provide for the administration of the Fund and no monies contained therein shall be available for expenditure. The Fund shall consist of all sums appropriated thereto from time to time by the legislature and all sums received from grants, subsidies, and fare box collections by the public bus system. Monies deposited in the Fund shall be disbursed by the Commissioner of Finance, at the direction of the Commissioner of Public Works, for the operation and maintenance of the public transit system, including salaries and fringe benefits and any other operating expenses of the system.

### Sewer Waste Water Fund

The Sewer Waste Water Fund was created pursuant to Title 33, Chapter 111, Section 3076, VIC. It consists of all sums received under the user charge system established by Titles 19 and 33, VIC, all sums appropriated thereto from time to time by the Legislature, and all sums received from departments and agencies of the United States Government for the maintenance and operation of the public sewer waste water system. Monies deposited in the Fund shall be appropriated annually and disbursed by the Commissioner of Finance, at the direction of the Virgin Islands Waste Management Authority, for the operation, parts, supplies, maintenance, related expenses, control, and regulation of the public sewer waste water system.

### Solid Waste Revolving Fund

The Solid Waste Revolving Fund was created pursuant to Title 33, Chapter 111, Section 3100c, VIC. It consists of all sums appropriated thereto by the Legislature of the Virgin Islands, and all funds authorized by law or regulation to be collected by the Virgin Islands Waste Management Authority for solid waste disposal. Monies in the fund shall be disbursed by the Commissioner of Finance, upon authorization by the Department of Public Works, for the maintenance of solid waste disposal sites.

## Description of Funds

### St. Croix Capital Improvement Fund

The St. Croix Capital Improvement Fund was created pursuant to Title 33, Chapter 11, Section 3087, VIC. It consists of sums appropriated by the Legislature and all gifts, contributions, and bequests of all monies made thereto. The fund shall also consist of an annual appropriation of \$2,000,000 from the Internal Revenue Matching Fund. All monies deposited into the fund shall be appropriated by law exclusively for capital improvement projects on the island of St. Croix, and shall remain available until expended.

### St. John Capital Improvement Fund

The St. John Capital Improvement Fund was created as a separate and distinct fund in the Treasury of the Virgin Islands pursuant to Title 33, Chapter 111, Section 3057, VIC. All monies deposited in such fund shall be appropriated by law exclusively for capital improvement projects, road maintenance, solid waste collection and disposal, and the maintenance and operation of the sewage system on the island of St. John. The source of revenue for this fund is all payments made by the Government of the United States to the Government of the Virgin Islands in any fiscal year as payment in lieu of taxes on property owned by the Government of the United States. Further, in each fiscal year, \$1.5 million of the amount collected by the Government of the Virgin Islands as taxes on real property shall be deposited into this fund.

### Tax Assessor's Revolving Fund

The Office of the Tax Assessor's Revolving Fund was created pursuant to Title 33, Chapter 87, Section 2456, VIC. The fund shall consist of one percent of the real property taxes collected annually by the Commissioner of Finance, or an amount not to exceed \$500,000 per annum, and such sums appropriated by the Legislature, all of which shall remain available until expended. Monies shall be disbursed by the Commissioner of Finance, upon the authorization of the Lieutenant Governor, for the purpose of purchasing and maintaining data processing equipment, staffing and training of personnel, and the purchase and procurement of supplies, equipment, and professional services determined by the Lieutenant Governor for maintaining and improving the Office of the Tax Assessor.

### Taxi License Fund

The Taxi License Fund was created pursuant to Title 33, Chapter 111, Section 3067, VIC. It consists of all monies required to be covered into the fund in accordance with Title 20, Section 435, VIC. No money in the fund shall be available for expenditure except as appropriated from the fund for the operation of the Virgin Islands Taxicab Division of the Department of Licensing and Consumer Affairs, or for other purposes as specified by law.

## Description of Funds

### Territorial Scholarship Fund

The Territorial Scholarship Fund was created pursuant to Title 17, Chapter 15, Section 171, VIC. It consists of all funds, donations, gifts, devises, bequests, and all other kinds of contributions of real or personal property from persons, corporations, partnerships, trust funds, charitable, or other organizations, domestic, national or foreign, as may be made to the said fund from time to time and any other sums covered into the fund pursuant to law, as well as any contributions to the said fund as may be appropriated by the Legislature. The fund shall also consist of an annual appropriation of a sum of not less than \$15,000, from the budget of the Government. The Commissioner of Finance shall be the trustee of the fund and shall make such scholarship grants and loans out of the Fund as may be authorized by the Virgin Islands Board of Education.

### Tourism Advertising Revolving Fund

The Tourism Advertising Revolving Fund was created pursuant to Title 33, Chapter 111, Section 3072, VIC. Monies deposited in the Fund shall be disbursed by the Commissioner of Finance, upon warrant of the Commissioner of Tourism, exclusively for utilization by the Department of Tourism for advertising of the Territory as a tourist destination and for industrial promotion, provided however, not less than five percent of the annual receipts shall be expended for destination promotion of the District of St. Croix and the District of St. Thomas/St. John. There are three sources of funding as follows:

Title 33, Chapter 3, Section 55, states that "Every individual, firm, corporation, or other telephone company engaged in the business of providing telecommunication service in the Virgin Islands shall pay a monthly telephonic long-distance surtax of two and one-half percent on the total charges of all telecommunication long-distance calls originating from or terminating in the Virgin Islands from such service provider facilities". Of the funds collected pursuant to this section, sixty-five percent shall be deposited into the Tourism Advertising Revolving Fund.

Title 33, Chapter 3, Section 54, states that, "Every guest of a hotel as defined above shall pay to the Government of the United States Virgin Islands a tax to be collected and remitted to the Government by hotels or innkeepers at the rate of ten percent of the gross room rate or rental". The Director of Internal Revenue shall cover all payments made pursuant to this section into the Tourism Advertising Revolving Fund established pursuant to section 3072 of this Title.

Title 9, Chapter 11A, Section 133, states that "Any bank or foreign bank operating or sharing the use of a consumer fund transfer facility may impose a reasonable financial transaction fee for the use of an automated teller machine by account holders of banks, foreign banks or other financial service providers other than the local banks". One-half of such fees shall be paid not less than quarterly by such bank or foreign bank, to the Commissioner of Finance for deposit within the Tourism Revolving Fund established pursuant to Title 33, Section 3072, VIC.

### Transportation Revolving Fund

The Transportation Revolving Fund was created pursuant to Title 33, Chapter 111, Section 3071, VIC. It consists of all sums appropriated thereto from time to time by the Legislature and all sums received from departments and agencies of the Government for utilization, maintenance, and repair of vehicles within the Central Motor Pool. Monies deposited in the fund shall be appropriated annually and disbursed by the Commissioner of Finance, at the direction of the Commissioner of the Department of Property and Procurement, for the operation, maintenance, control, and regulation of Government motor vehicles within the Central Motor Pool and the reimbursement of employees for use of personally owned motor vehicles.

## Description of Funds

### Transportation Trust Fund

The Transportation Trust Fund was created pursuant to Title 33, Chapter 111, Section 3003(a), VIC. It consists of taxes collected pursuant to Title 33, Sections 91 (a) and 91 (b), VIC, all fines imposed by the courts for violation of traffic laws, all highway users' taxes collected in the Virgin Islands on automobiles and trucks under the provisions of Title 33, Chapter 4, VIC, and all driver's license fees and motor vehicle registration fees collected in the Virgin Islands under the provisions of Title 20, Chapter 39, VIC. Monies in the Transportation Trust Fund shall be distributed as required to make all payments of principal premium, if any, and interest on the bonds of the Virgin Islands Public Finance Authority payable from the Transportation Trust Fund, in the amounts required by any resolution, indenture, or bond declaration entered into with respect to such bonds, in an amount equal to the lesser of such surplus or the amount of driver's license fees and motor vehicle registration fees collected in the Virgin Islands under the provisions of Title 20, Chapter 39, VIC, and deposited into the Transportation Trust Fund pursuant to Section 3003a, subsection (b), paragraph (4), to the General Fund; and the remaining amount of such surplus, if any, into the Road Fund.

### Union Arbitration Award and Government Employees Increment Fund

The Union Arbitration Award and Government Employees Increment Fund was created pursuant to Title 33, Chapter 111, Section 3066, VIC. It consists of sums appropriated by the Legislature, all sums repaid to the Government by the Water and Power Authority pursuant to Act No. 4923, as amended by Act No. 5101, and all sums collected by the Government in accordance with the "Tax Reform Act of 1986", Public Law No. 99-514, Section 971 et. Seq. (1986) from corporations incorporated pursuant to section 28 (a) of the Revised Organic Act of 1954, as amended. Monies appropriated to the fund shall be used to satisfy binding arbitration awards granted to unionized employees, salary increments and position reallocations of non-unionized employees, outstanding retroactive wage increases owed such employees whether or not awarded by arbitration, and for the administrative costs of the Public Employees Relations Board (PERB) and the Labor Management Committee.

### Virgin Islands Air Protection Fund

The Virgin Islands Air Protection Fund was created pursuant to Act No. 6011, Section 205, as amended by Act No. 6295, Section 6. Monies appropriated in this fund shall be used for the operating expenses, including wages and salaries, and other purposes of the Operating Permit Program, Department of Planning and Natural Resources, and shall remain available until expended.

### Virgin Islands Election Fund

The Virgin Islands Election Fund was created pursuant to Title 33, Chapter 111, Section 3005, VIC. The fund shall consist of the sums appropriated by the Legislature, all payments made to the Territory under the federal Help America Vote Act of 2002, other amounts as maybe appropriated by law, and interest earned on deposits in the fund. The Commissioner of Finance shall provide for the administration of the Fund as a separate and distinct fund in the Treasury of the Government of the Virgin Islands. Funds shall be available for the expenditure and disbursement in accordance with the Help America Vote Act of 2002, P.L. 107-252 and shall remain available until expended.

## Description of Funds

### Virgin Islands Insurance Guaranty Fund

The Virgin Islands Insurance Guaranty Fund was created pursuant to Title 33, Chapter 111, Section 3061, VIC. Monies contained in this fund shall be used exclusively for transfer, as required, for payments by the Virgin Islands Insurance Guaranty Association of the obligations of insolvent insurers in accordance with the provisions of Title 22, Chapter 10. The fund shall consist of amounts then on deposit to (1) the Hurricane Hugo Insurance Claims Fund pursuant to Title 33, Chapter 111, Section 3061(a) of this code, (2) the Virgin Islands Insurance Guaranty Association, established pursuant to Title 22, Chapter 10 of this code, (3) the Commissioner of Insurance for payment of Hurricane Marilyn claims as authorized by law, and (4) the General Fund, up to the amount of franchise taxes deposited during such fiscal year into the fund pursuant to Title 33, Chapter 111, Section 3061(a)(b). In the event the balance in the Insurance Guaranty Fund equals or exceeds \$10,000,000, amounts in excess thereof shall be deposited, at the direction of the Commissioner of Finance, into the General Fund.

### Voter Identification and Registration Fund

The Voter Identification and Registration Fund was created pursuant to Title 33, Chapter 111, Section 3097, VIC. The fund shall consist of all sums appropriated thereto by the Legislature of the Virgin Islands, and all funds authorized by law or regulation to be collected by the Office of Supervisor of Elections in the administration of the Election System. Monies in the Virgin Islands Voter Identification and Registration Fund shall be disbursed by the Commissioner of Finance into an Imprest Fund Checking Account. The Supervisor of Elections shall be the sole authority empowered to write checks on the Imprest Fund Checking Account, and shall provide a monthly report detailing the amount, nature, and justification for each item of expenditure, in addition to receipts and other documentation.

## Glossary

### Actual

The year-to-date closing balance of the account for the period designated.

### Adjusted Balance

The gross, total or net balance that has been adjusted to reflect a change (For example; Adjusted General Fund balance – reflects a change in the general fund total that may not be otherwise adjusted elsewhere).

### Adjusted Gross Revenue

The total of all funds to include appropriated (general and local), non-governmental (hospital revolving), and non-appropriated (all others to include federal funds), and any adjustments to the general fund.

### Administrative Transfer

A transfer of allotted departmental resources which requires only the approval of the Office of Management and Budget and/or the Governor. These transfers can only be effectuated if no funding restrictions are imposed by the Legislature on appropriations, as in the case of a lump sum appropriation or modified line item appropriation.

- Types of Administrative Transfer of Resources include the following:
  - 1) Lateral transfers: between the same sub-accounts and/or low orgs (activity centers);
  - 2) Vertical transfers: among different sub-accounts and/or low orgs (activity centers);
  - 3) Lateral and vertical transfers: between and among the same and different sub-accounts and/or low orgs (Activity center). (Lump sum appropriation)

### Allocation

A distribution of funds, or an expenditure limit, established for a department or agency.

### Allotment

A portion of an appropriation to be expended for a particular purpose during a specified time period.

### American Recovery and Reinvestment Act (ARRA)

An unprecedented effort to jumpstart our economy, save and create millions of jobs, and put a down-payment on addressing long-neglected challenges so our country can thrive in the 21<sup>st</sup> century.

### Appropriation

A legal authorization granted by a legislative body to make expenditures and to incur obligations for specific purposes. An appropriation is usually limited in amount and time when it may be expended.

### Appropriation Transfer

A reprogramming of funds as authorized by Title 2, Chapter 2, Section 28(b), Virgin Islands Code, which can only be effectuated through a departmental request transmitted through the Director of the Office of Management and Budget to the Governor, and from the Governor to the Legislature for final approval.

- The following types of transfers require the approval of the Legislature as a Whole:
  - 1) Transfers between two different funds
  - 2) Transfers from one department to another

## Glossary

### Appropriation Transfer (*continues*)

The following transfer requires the approval of the Legislature, Committee on Finance:

- Transfers between budgeted line items or organizations (activity centers) within the same department and fund.

### Balanced Budget

When the general fund projected revenues or general fund net revenues equals projected expenditures, plus or minus transfers to or from other funds and financial sources (uses).

### Baseline

Current level at which the organization is performing.

### Benchmark

A standard or point of reference used in measuring and/or judging quality value.

### Budget

A plan of financial operations, embodying an estimate of projected expenditures for a given period, and the corresponding proposed resources for funding the same.

### Budget Adjustments

Changes to appropriations (Budgets) to include supplements, decreases, or reprogramming, including appropriation transfers and apportionments.

### Budget Category

An account in which the aggregate is recorded for all related objects (e.g. personnel service cost is a budget category that is supported by the related individual detailed objects such as classified, unclassified, and part-time).

### Calendar Year

January 1st to December 31st of the same year.

### Capital Improvement

Capital Improvements are defined as physical assets, constructed or purchased, that have a useful life of ten (10) years or longer. Exceptions have been made for inclusion of a few projects that do not meet the above criteria, for example, ADA para-transit vans, to make them more visible to the public and the Legislature.

### Capital Outlays

Expenditures which result in the acquisition of, or addition to, fixed assets. They should be classified under the following objects: land; buildings; improvements other than buildings; machinery and equipment.

## Glossary

### Central Service Cost Allocation Plan

Comparable to the college and university long form, each central service is treated as a separate cost pool and distributed to each operating department or agency it serves. This distribution is accomplished through billing rates or particular services rendered (e.g. cost per mile for use of a motor vehicle, dollar per audit, or computer usage rates) or through an allocation basis on an indication of use (e.g. accounting based on the number of transactions or checks written or occupancy based on square footage or space occupied). The costs distributed through the central service cost allocation plan are subsequently included in the department's indirect cost proposal or included where they can be identified with a grant as a direct cost.

### Chart of Accounts

A list of all asset, liability, fund balance, revenue, and expense accounts.

### Debt Service Fund

A fund established to account for the accumulation of resources for, and the payment of, general long-term debt principal and interest.

### Department

An organization within the Executive Branch, which under general laws has an independent existence and the authority to receive and expend appropriations as set by law.

### Effectiveness Measure

An indication of the degree to which a program will achieve its objective.

### Encumbrance

The purchase in an expense account at the time an item is ordered. The Encumbrance reduces the available budget by the purchase amount.

### Expenditure

A transaction resulting in the disbursement of cash.

### Federal Funds

Contributions of cash or other assets from the federal government to be used or expended for a specific purpose, activity, or facility.

### Fiscal Year

A 12-month period to which the annual operating budget applies and at the end of which a government determines its financial position and the results of its operations. For example, the Government of the Virgin Islands' fiscal year begins on October 1st, in one calendar year and ends on September 30th in the ensuing calendar year.

### Function

A group of related activities aimed at accomplishing a major service or regulatory program for which a government is responsible. For example, public safety is a function.

## Glossary

### Fund

A fiscal and accounting entity with a self-balancing set of accounts recording cash and other financial resources, together with all related liabilities and residual equities or balances, and changes therein, which are segregated for the purposes of carrying out specific activities or attaining certain objectives in accordance with special regulations, restrictions, or limitations.

### Fund Balance

The total available amount in a fund.

### General Fund

The fund used to account for all financial resources except those required to be accounted for in another fund.

### General Fund Gross Revenues

General fund revenues plus contributions (transfers in) and other financing sources; before any deductions of expenses (e.g. before deductions of tax refunds, infrastructure subsidy, debt services, or amounts owed to other entities or instrumentalities), transfer outs or other financing uses.

### General Fund Net Revenues

General fund revenues plus contributions (transfers in) and other financing sources less deductions for expenses such as tax refunds, infrastructure subsidy, debt services, or amounts owed to other governmental entities or instrumentalities; transfers out or other financing uses.

### In-Kind

"Cost Sharing or Matching" means the value of the third party in-kind contributions and the portion of the costs of a federally assisted project or program not borne by the Federal Government.

### Indirect Cost

State and local governments incur administrative costs at two (2) levels. The first is the so-called executive or central administrative level of costs such as central budgeting, accounting (comptroller), personnel (civil service), legal services, (attorney general), facilities operations and maintenance, and the motorpool (general services administrations). The second level is the operating departments or agencies (health, roads, social services, education, police, fire, etc.) and consists of the overhead costs incurred at this level (salaries and wages of the department heads and their administrative staffs, the departmental accounting and budgeting offices, etc.) Because of this layering, state and local governments prepare two types of proposals: a central service cost allocation plan and an indirect cost proposal. "Indirect Cost" is an accounting term used to describe a process of assigning (or charging) costs that are common to two or more of a grantee's projects or operations. As a general rule, the cost of building occupancy, equipment usage, procurement, personnel administration, accounting, and other overhead activities are charged to grants and contracts as indirect costs. They are not substantially different from direct costs. If one wanted to incur the time and bookkeeping expense, all indirect costs could be treated as direct. Grantees must be consistent in treating costs as direct or indirect under grants. Once a decision is made by a grantee to treat a cost either as direct or as indirect, it must be treated that way for all projects and principal activities of the organization, regardless of the source of funding. From a grantee's point of view, the determining factor for treating a cost as direct or indirect should be practicability and the potential for reimbursement as a change to an outside funding source.

## Glossary

### Low Org

Low Orgs are levels of organization that have no sub-units reporting to it.

### Net Revenues

Gross or total revenue less any deductions for expenditures (expenses).

### Non-Governmental Funds

Funds generated and utilized by a semi-autonomous or autonomous instrumentality that are not managed by the Government (e.g. Hospital Revolving Funds utilized by Juan F. Luis Hospital and Schneider Regional Medical Centers).

### Object

One of a group of related accounts which support in detail the summaries recorded in a budget category. The individual accounts for personnel service costs such as unclassified and part-time are examples.

### Object Code

The segment of the account number that reflects the object of expenditure or source of revenue.

### Objective

A task or group of tasks undertaken in order to achieve a stated goal.

### Org

An abbreviation for organization. It is the level within an organization at which costs are accumulated and associated with a purpose to carry on an activity or operation, or to complete a unit of work or a specific job. For example, in the Department of Human Services, Office of the Commissioner is a Divisional Org. and Personnel and Labor Relations is an Activity Org.

### Org Code

A code representing the segments of an account number.

### Option

Used to provide additional management reporting, e.g., physical location, job classification, or the types of services rendered. Options may be specific to an activity center, division, or department.

### Other Funds

Funds used to account for financial resources not accounted for in the General Fund. For example, the internal service fund accounts for the financing of goods or services provided by one department or agency primarily or solely to other departments or agencies of the government unit, or to other governmental units, on a cost-reimbursed basis.

### Output

A description of the level of activity or effort that will be produced or provided over a period of time by a specified date, including a description of the characteristics and attributes (e.g. timeliness) established as standards in the course of conducting the activity or effort.

## Glossary

### Performance Budget

A budget presentation that clearly links performance goals with costs for achieving targeted levels of performance. In general, a performance budget links strategic goals with related long-term and annual performance goals and with the costs of specific activities that contribute to the achievement of those goals.

### Performance Goal

Sets a target level of performance that is expressed as a tangible, measurable objective, against which actual achievement can be compared, including a goal expressed as a quantitative standard, value, or rate. Performance goals can be either outcome or output goals.

### Performance Measures (*aka indicators, metrics*)

A quantitative or qualitative characterization of performance such as an indicator, statistic, or metric used to gauge program performance.

### Performance Target

A quantitative level of performance desired.

### Period

A month within a fiscal year; noted by a number, 1 through 12. Also periods of SOY (Start of Year), and 13 representing the reserve or EOY (End of Year).

### Prior Approval

“Prior Approval” means documentation evidencing consent prior to incurring specific cost.

### Program

A plan or system involving the expenditure of resources under which action may be taken to provide public goods or services. Programs are usually the lowest level of an organization at which cost data and evaluation measures are maintained.

### Program Income

Program income means gross income received by the grantee or subgrantee directly generated by a grant supported activity, or earned only as a result of the grant agreement during the grant period. “During the grant period” is the time between the effective date of the award and the ending date of the award reflected in the final financial report.

### Project Code

A segment of the account number used to identify a particular capital project.

### Projection

The estimated budget for the upcoming year.

### Revenues

Inflows or other enhancements of resources of an organization, or a settlement of its obligations (or a combination of both), during a period from delivering and or producing goods, rendering services, or other activities that constitute the organization’s ongoing or central operations.

## Glossary

### Roll-Up Code

A code which links an account with other accounts for the purpose of calculating the available budget.

### Segment

A component of an account number; for example, the fund segment.

### Spending Plan

Various patterns by which revenue and budgeted expenditures are allocated across accounting periods.

### Strategic Goal

Broad long-term organizational statement of desired future performance. A statement of purpose that is measurable, but not measured directly.

### Strategic Management

An integrated approach for leading and managing.

### Strategic Objective

Broad time-phased statement of measurable accomplishment required to realize the successful completion of a strategic goal.

### Workload Efficiency Measure

A key indicator of the degree to which a program economically manages the workload associated with meeting its objective, usually expressed in terms of cost per unit of work or output.
